HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

ORIGIN OF DOMESTIC MISSIONARY SOCIETY

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

ORIGIN OF MASSACHUSETTS CONFERENCE

The Massachusetts Home Missionary Society and the Massachusetts Congregational Conference were united under the name of the Massachusetts Congregational Conference and Missionary Society in 1927. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Terminology

Whenever in these by-laws the word "Conference" is used it shall be held to refer to the Massachusetts Congregational Christian Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of a Congregational or a Congregational Christian Association of Churches in Massachusetts may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference and those persons who, prior to May 22, 1923, became life members of the Massachusetts Home Missionary Society, shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have membership in Congregational Christian Associations regularly holding ministerial standing.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, together with all persons heretofore constituted honorary members of the Massachusetts Home Missionary Society, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Massachusetts Fellowship of Congregational Christian Women (See Article VIII, Sec. 1, (b)), a President and five vice-Presidents of the Massachusetts Congregational Laymen's Council (See Article VIII, Sec. 2, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Woman's Work, a Minister of Missions and Stewardship, and a Minister of Christian Education and Associate in Christian Education. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year and two, — beginning with the year 1935, — each odd-numbered year. The President and vice-President of the Massachusetts Fellowship of Congregational Christian Women, the President and one other representative of the Massachusetts Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Congregational Center Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis*. One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms. The present Trustees shall remain in office until the expiration of their terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty. This method of choosing Trustees shall commence at the close of the 1933 Conference.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint sub-committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the Congregational churches of the Commonwealth.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

ARTICLE VI

2. The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. 7. The Director of Woman's Work shall have special charge of promoting missionary interests and all other activities among the women of the Congregational churches of the Commonwealth. She shall, under the direction of the President, assist, so far as she may be able, in the general work of the Conference.

8. The Minister of Christian Education and the Associate in Christian Education, if any, shall encourage and promote the whole program of religious education as well as Christian living and Christian activities among the Congregational churches of the State. He, or she, or they, shall, under the direction of the President, assist so far as able, in the general work of the Conference.

ARTICLE VII

Retirement and Annuity

1. No person who has attained the age of seventy years shall continue as a member of the Executive Staff. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity, except in the case of ministers who are now members under the Original Plan. Toward each annual premium in the Annuity Fund of any member of the staff the Conference shall pay each year an amount equal to 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

Lay members of the office staff shall be expected to be, so far as practicable, members of the Retirement Fund for Lay Workers, and the Conference shall pay, as the annual premium for each lay worker who is a member of the Fund, 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

   (b) The Massachusetts Fellowship of Congregational Christian Women shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

2. There shall be a Department of Laymen's Work of the Conference. It shall be called the Massachusetts Congregational Laymen's Council.

The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield, respectively.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall propose to the churches the annual contribution for the expenses of the General Council and for such expenses of the Conference and other purposes, as may be deemed equitable. The Trustees shall at each annual meeting present a recommendation as to the action to be taken at such meeting with reference to the allotment to be made at that meeting, unless the Conference shall have directed at a previous meeting that such recommendation be made by a designated committee.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

   (a) A Committee on Credentials, to which all credentials shall be referred.

   (b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

   (a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

   This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members ex officiis. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting three members shall be elected to serve for three years. The duty of the Committee shall be to foster religious and missionary education in the churches and in the associations of Massachusetts. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of thirty-one members: ten at large, three of whom shall be laymen or lay-women, two of the ten to be elected at each annual meeting for a term of five years; the remaining twenty-one to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our Congregational ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a Congregational Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A Committee on Evangelism and Devotional Life, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to serve as a cooperating agency of the national Commission on Evangelism and Devotional Life.

(g) A Missionary Committee. Each of the twenty-one Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, representing the Massachusetts Fellowship of Congregational Christian Women, the Laymen's Council, and the Pilgrim Fellowship, respectively.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work of missions at home and abroad.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Conference Center Committee. The operation and management of the Conference Center (to be known as "Conference Center" or some other name yet to be decided upon) shall be in the hands of a State Conference Committee, to be called the Conference Center Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty members—approximately one-third ministers, one-third laymen, and one-third lay-women—one member from each Association to be nominated annually by the Association, and nine members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms, three to be elected each year —one minister, one layman, one lay-woman.

The Chairman of the Conference Center Committee shall be a member *ex officio* of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Center Committee shall elect its own officers and subcommittee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(j) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as it relates to local Congregational Christian Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be lay-women and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

ARTICLE XI

Board of Ministerial Aid

On behalf of the Massachusetts Congregational Laymen's Council the Trustees recommended the following amendments to the Council's by-laws, and it was

CIVIL LIBERTIES

WHEREAS, the atmosphere relative to constitutional rights and liberties has greatly improved during the past two or three years, and

WHEREAS, with a returning sanity in the public mind and a new willingness on the part of people to join voluntary associations, advocate reforms, and be outspoken in behalf of causes, and

WHEREAS, some modifications have been made in the loyalty-security system, use of the Attorney General's list, and blacklisting, and

WHEREAS, nevertheless, much remains to be done to recover the ground lost in the days of fear and tension, accordingly,

We hereby RESOLVE that constant vigilance be maintained by the churches against such evils as denial of due process of law, encroachment on constitutional rights on the part of legislative investigating committees, and

We further urge that extensive and continuing educational efforts be made by our churches to promote an awareness and understanding of the nature and meaning of constitutional rights and liberties.

DEROGATORY STEREOTYPES

Although many churches have already eliminated the use of the derogatory stereotypes in their entertainment programs,

Be it RESOLVED, that the Massachusetts Congregational Christian Conference asks its member congregations to reject the use of any form of program or literature which characterizes racial or national groups in such a way as to perpetuate the concept of the derogatory stereotype in the minds of the public.

The Conference, through its Committee on Social Action, specifically urges the churches not to include in their programs of activities the typical minstrel show which not only offends a minority group, but also places undesirable psychological barriers in the way of the full brotherhood which is the goal of churchmen everywhere.

MENTAL ILLNESS

WHEREAS, mental illness is now our country's greatest health problem, and

WHEREAS, there is need to acquaint the public with the facts related to mental health and illness and to promote a greater sense of community responsibility for dealing with this problem,

Therefore be it RESOLVED, that we urge our churches and people to support voluntary citizens' mental health associations in their communities along with educational programs and legislative efforts to meet public needs in the area of mental health.

WHEREAS the Congregational Christian Church Building Society is fulfilling a vital task in assisting the churches in their building programs; and endeavoring to meet the great opportunities in this period of growth and shifting populations, and

WHEREAS, the churches of Massachusetts have responded with high faith and cooperation in pledging $750,000* toward the Church Building Loan Fund, of which over $603,000 has now been paid, and

WHEREAS, the Building Society is constantly receiving urgent requests for additional loans that make it imperative to reach the goal of $4,500,000 at the earliest possible date,

Mrs. Myron Bemis spoke on behalf of ADVANCE.

Rev. Edwin T. Anthony spoke for the "Plimouth Project," asking that the churches support the rebuilding of the Fort Meetinghouse.

UNION WITH THE EVANGELICAL AND REFORMED CHURCH

The Massachusetts Congregational Christian Conference, meeting in Newton in May 1957, notes with approval the votes for the Union taken in 1956 by the General Council of the Congregational Christian Churches and the General Synod of the Evangelical and Reformed Church, each designating an equal number of its membership to represent it at the first meeting of the General Synod of the United Church of Christ at Cleveland in June, 1957; and looks forward to a call of a subsequent meeting of the General Synod of the United Church of Christ to which the Massachusetts Congregational Christian Conference may elect delegates as provided in the Basis of Union and Interpretations.

For the Business Committee, Mr. Lounsbury presented a request from several Associations for a study of Association lines, and it was

VOTED: That the Trustees of the Conference be asked to conduct a study on this matter.

The following resolutions were adopted:

ALCOHOLISM

WHEREAS the burden of the moral and social problem associated with the sale and use of beverage alcohol is fast becoming intolerable as a cause of traffic accidents, broken homes, crime, corruption in government, social welfare costs, and millions of alcoholics,

Be it RESOLVED that we call upon our churches and public schools for more adequate education for children and young people concerning the effects of the use of alcohol on individuals and community life. We urge the people of our churches to abstain from the use of alcoholic beverages. We call upon our representatives in Congress to give their support to HR 4502 and Senate bill 593, which are designed to prevent the serving or consumption of alcoholic beverages in commercial or military planes, and to S 582, designed to prohibit interstate advertising of alcoholic beverages. We call upon our local and state law enforcement agencies to enforce more faithfully chapter 138, paragraphs 34 and 34A, relative to the sale of liquor to minors, and section 69 of chapter 138, relating to the sale of liquor to intoxicated persons. We urge our churches and church people to lend every assistance possible to aid in the development of new and better programs of treatment and rehabilitation for the 200,000 alcoholics in Massachusetts.

ATOMIC TESTS

We affirm our belief that:

All men, regardless of race, nationality, color, political beliefs, or religious faith have an inherent and infinite worth;

Mankind is, under God, one family. The continued existence of this family is more fundamental than the existence of nations, distinctive social systems, and differing stages of social development;

It is the will of God that his human family should continue to live on the earth as long as it will support life,

Therefore, we join with Dr. Albert Schweitzer and other leading scientists, along with various religious bodies, in urging our government to give vigorous leadership to the movement to bring an end to all testing of nuclear weapons.

GAMBLING AND CRIME

WHEREAS there exists in Massachusetts a serious problem of large-scale organized gambling, and

WHEREAS large amounts of money estimated at a minimum of $2,000,000,000 a year are being diverted by these enterprises from the normal channels of legitimate business, investments, and savings, thereby jeopardizing the economic health of our Commonwealth, and

WHEREAS large-scale gambling has a corrupting influence upon government and constitutes a threat to the integrity and decency of community life while encouraging crime, racketeering, and other social evils,

Therefore be it RESOLVED that:

1. We protest the discontinuance of the Massachusetts Crime Commission, and we deplore the action of those state legislators who voted to prevent the Crime Commission from completing its work.

2. We urge the members of the Massachusetts General Court to enact legislation designed to bring the problem of organized gambling and crime under effective control, and

3. We request all our law enforcement agencies, state and local, to be more conscientious and effective in their efforts in behalf of law enforcement, and

4. We call upon our church leaders and organizations to cooperate with the educational program of the Massachusetts Council of Churches relative to organized gambling and crime,

5. The district attorneys and the Attorney General of the Commonwealth be asked to take immediate action to obtain indictments against those responsible for the enormity of crime in Massachusetts.

QUESTIONABLE LITERATURE

WHEREAS the production and sale of cheap, immoral and otherwise questionable literature continues on a nation-wide basis in spite of the availability of wholesome and valuable books and other literature for all ages, and

WHEREAS we believe that the predominance of this type of reading matter on some newsstands and other places where literature is available to the public is a cause of delinquency, crime and other phases of social deterioration, and

WHEREAS this problem is so largely beyond the reach of law in view of our American principle of freedom of the press and our aversion to patterns of censorship,

Therefore be it RESOLVED that we urge upon the General Court the enactment of legislation prohibiting tie-in or package sales wherever practiced in which dealers must buy questionable publications along with the good.

Be it also RESOLVED that we urge upon all those engaged in the handling of such reading matter to exercise a greater measure of moral judgment and social responsibility in respect to their relation with it, and

Be it further RESOLVED that we urge parents to develop within their children a greater maturity of judgment and sense of discretion in their selection of reading material.

THE REFUGEE PROBLEM

WHEREAS, more than 150,000 Hungarians fled their country after the brief autumn fighting in 1956 and some 70,000 of these remain in camps in Austria, within whose cramped borders at least 120,000 refugees from past years await a chance to emigrate, and

WHEREAS it is reported that unless conditions change, hundreds of these refugees will be forced to return to their inhospitable homeland, and

WHEREAS, of the 18,000 Hungarians who fled to Yugoslavia, all but about 1,000 have been housed in hotels which are no longer available,

We urge our churches to:

1. Make a study of the refugee problem.

2. Encourage their members to write to their senators and congressmen in support of H R 4202, H R 4205, and S 1006, to carry out President Eisenhower's appeal for liberalization of the immigration laws, also H R 3364, to revise the present laws by removing the national origins limitations and set a quota of 250,000 immigrants annually to be allocated by the President among five specific categories.

3. Support the Heifer Project sponsored by the Social Action Committee of the Massachusetts Congregational Christian Conference as a tangible way of helping the neediest of the refugees in the West Zone of Germany.

DEPARTMENT OF CORRECTION

WHEREAS, with the compiling of the Wessell Report and the appointing of Commissioner Oswald, we, as citizens, looked hopefully for the inauguration of those penal reforms and methods used so successfully in other states for the rehabilitation of prisoners, and

WHEREAS it has become increasingly obvious that there has been a lack of cooperation and even active opposition from a minority within the Correction Department, culminating in the recent wave of resignations and serious accusations,

Be it RESOLVED that the Massachusetts Congregational Christian Conference

1. Commends the modern program of penal reform instituted in recent years;
2. Commends highly the efforts of Commissioner Russell B. Oswald, principal officer Walter B. Achuff of the Walpole Institution, Dr. Asher Pacht and Mrs. Mary B. Newman for their helpful services in inaugurating the new correctional methods;
3. Registers appreciation for the strong majority support of the staff, the legislators, the press and the general public to these faithful public servants;
4. Expresses its confidence that the force of public opinion will sustain the determination of faithful servants of the public who desire to see established a correctional system equal to any in the nation,

Be it further RESOLVED that we request a full and unrestricted investigation of the Department of Correction be conducted to eliminate obstruction to progress in this field.

MASSACHUSETTS COUNCIL OF CHURCHES

Because the Protestant churches of Massachusetts have but one united voice which is the Massachusetts Council of Churches, and because this one organization through its cooperative program alone can present a practical Christian approach through a united front to the pressures in every section of our Commonwealth which are both secular and religious, be it resolved that the Massachusetts Congregational Christian Conference, meeting in Newton, May 21 and 22, go on record to support in every way possible the Massachusetts Council of Churches.

That all may know we believe in enlarging the scope of this cooperative venture, we resolve to ask all of our churches to give increased financial support.

SUNDAY FOOTBALL

WHEREAS competitive games, in particular football games, are being scheduled on Sundays by the public high schools of several communities in the Commonwealth, and

WHEREAS such games directly interfere in many ways with the observance of the Lord's Day and especially with the religious activities of youth groups,

Be it therefore RESOLVED that this Conference supports the efforts of the Massachusetts Council of Churches to abolish Sunday Football as played by public high schools in the state.

ATOMS FOR PEACE

WHEREAS President Eisenhower, in December 1953 at the United Nations, made his historic proposal for the use of "Atoms for Peace," and

WHEREAS the United Nations, after full deliberation, with eighty nations participating, has worked out a plan for universal cooperation in the use of atomic energy for peaceful purposes,

Therefore, be it RESOLVED that we urge the United States Senate to give speedy ratification to this United Nations plan for the use of "Atoms for Peace."

ECONOMIC AID

WHEREAS it is within the economic power of the United States to tip the scales of international relations in favor of human welfare, freedom. and opportunity because countries undergoing rapid social change can have greatly accelerated economic growth if we undertake a responsible, multilateral program of grants, loans, technical assistance and economic development,

We earnestly hope that our government and people will support such a program in the years just ahead and believe that:

1. It should be a long-range program in order to permit stable planning.

2. It should be a positive constructive program separated from military aid.

3. It should include a larger amount of economic and technical aid to Asia, Africa, the Middle East, Latin America and other parts of the world where it is needed. These lands need basic economic structures before they can produce more goods. They need roads, harbors, and schools. While these are not directly productive, they are essential for production in the future. And these needs, for the most part, cannot be met by loans, either governmental or commercial. The necessary capital must come from grants-in-aid, in sufficient amounts to start an economic process which will become self-sustaining.

We view with concern the excessive preoccupation of our government with a military approach to the realities of the international situation.

We regret that the heavy priority given to military expenditures deprives us of the necessary resources with which to engage in a stronger economic aid program.

We urge that our foreign policy be critically re-examined, in the context of the revolutionary world situation, to the end that a redressing of the existing balance between military spending and economic aid spending may be effected.

EXPRESSION OF GRATITUDE

WHEREAS the 158th annual meeting of the Massachusetts Congregational Christian Conference has enjoyed the generous hospitality of The First Church in Newton and of Andover Newton Theological School, and

WHEREAS we are deeply appreciative of the cordial reception we have received and of the time and effort that have been expended to facilitate the conduct of our sessions and to promote our personal comfort,

Be it therefore RESOLVED that we express our sincere gratitude:

1. to Rev. Nathanael M. Guptill and the people of the host church and to the pastors and people of the cooperating churches — Temple Emanuel, the Newton Centre Methodist Church, the First Baptist Church, the Second Church in Newton and Trinity Episcopal Church,
2. to President Herbert Gezork, Dean Roy M. Pearson and others on the staff of the Andover Theological School, to whom we also extend our hearty congratulations on the 150th anniversary of the founding of Andover Theological Seminary and express our pleasure in having had a share in its celebration,
3. to the Committee on Arrangements, Mr. George E. Squiers, General Chairman; the Housing Committee, Mrs. Samuel H. Back, Chairman; the Committee on Registration, Mrs. John H. Lavely, Chairman; and to all others who have served on local committees or in other ways to make our visit so pleasant,
4. to the people who have so kindly entertained us in their homes, and to Mayor Howard Whitmore, the police department, and other officials of the city of Newton for their courtesy and consideration.

Be it further RESOLVED that we express our appreciation and gratitude to our Minister and President, Rev. Albert Buckner Coe and to all the members of the Conference Staff for their efforts in making arrangements, for their participation in the program, and for their devoted service at all times; and to our Moderator, Mr. Lincoln S. Cain; our Chaplain, Rev. M. Webb Wright; our organist, Mr. David Ralph Maclean; the Yankton College Choir; and our distinguished speakers, for their contributions to the success and to the value of the meeting, and to Mr. and Mrs. Raymond J. Cosseboom, for their hospitality at the Congregational Conference Center.

The report of the Credentials Committee showed the attendance to be:

Ministers	295
Ex Officio	33
Delegates	393
Guests	438
Total	1159

Rev. Ralph D. Hyslop, Prof. of Ecumenical Relations, Union Theological Seminary, gave an address on "Communicating the Gospel to the Whole World."

At 12:50 the Conference adjourned with a hymn and the following prayer by the Chaplain:

We lay before Thee, our Heavenly Father, all that we have said and done in these annual sessions. We pray that the decision which we have reached about our work and our worship, about our concern for the Commonwealth and the world in which we live may be acceptable unto Thee. May each of us be used by Thee in helping to bring about Thy kingdom among men.

We pray that those whom we have elected to office may be endowed with wisdom and grace from Thee, that they may be sustained by Thy love at all times in all that they do.

Again, we ask that Thou wilt guide and sustain our Governor, the President of this nation, and all of those in positions of leadership and responsibility in the world.

Be with each one of us as we return to our churches and our homes. Help us to feel that we still have much in common with all Congregationalists throughout the state, and that we shall move from strength to strength in Thy grace and by reason of Thy divine love for all Thy children.

And now, may the grace of our Lord, Jesus Christ, the love of God and the communion and fellowship of the Holy Spirit be and remain with each one of you and grant you peace now and forever. Amen.

The Reverend Albert Buckner Coe, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of *Massachusetts Congregational Christian Conference* and of *Massachusetts Congregational Christian Conference, Trustee,* as at March 31, 1957, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at March 31, 1957, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at March 31, 1957, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Twenty-nine cents per member is asked this year of the Churches. Twenty-one cents of the twenty-nine goes to the General Council (formerly The National Council) and eight cents is kept by the Conference. The collection of the eight cents per member is the attempt of the Conference part of our organization to pay its expenses and not to become a charge upon missionary funds.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes: and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand. a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts; to Hospitality House at Ayer (Fort Devens), and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1956–1957 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Where the pastor's service ended during the year, the reference "†" appears. Special grants are listed on page 57.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;

2. The Associations of the churches, with the names of officers;

3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";

4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1957. Admissions and removals cover the year 1956. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1957, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:
"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

‖ When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked ‖ in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations. contributions to home expenses are usually for all the churches grouped together in the federated church.

NOTICES

All communications should be addressed to the Massachusetts Congregational Christian Conference, Room 611, 14 Beacon Street, Boston 8, Mass.

All missionary contributions should be sent to Mr. W. Elliott Pratt, Jr., Treasurer, 14 Beacon Street, Boston 8. Unless requested otherwise these contributions will be divided according to percentages approved under the plan of *Our Christian World Mission.*

It is recommended and earnestly requested that church treasurers remit quarterly in January, April, July and October such funds as are in hand, and that the final remittance for each calendar year be sent before January 10, if credit is desired in the next Year Book.

Copies of the Act of Incorporation may be had on application to 14 Beacon Street, Boston.

The churches are requested to contribute through the treasurers of their Associations for the expenses of the Conference and the General Council a sum equivalent to thirty-four cents for each member, based upon the *total* membership of January 1, 1958, and the treasurers of the Associations are requested to forward the amounts as soon as possible to Mr. W. Elliott Pratt, Jr., Treasurer, 14 Beacon St., Boston 8.

The "Minutes" are sent to the churches by direction of the Conference, with distribution of one copy to every minister, one to every church clerk, one to every Conference official or committee member, one to each local Association official named within, and one to every life member of the Massachusetts Home Missionary Society. As long as the edition lasts, other copies may be secured by Massachusetts Congregationalists without charge, and by others for twenty-five cents, upon application to the Registrar, Miss Dorothy M. Copies of the Advance Reports may also be secured by making application to the Registrar.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

Origin of Domestic Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Terminology

Whenever in these by-laws the word "Conference" is used it shall be held to refer to the Massachusetts Congregational Christian Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of a Congregational or a Congregational Christian Association of Churches in Massachusetts may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference and those persons who, prior to May 22, 1923, became life members of the Massachusetts Home Missionary Society, shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have membership in Congregational Christian Associations regularly holding ministerial standing.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, together with all persons heretofore constituted honorary members of the Massachusetts Home Missionary Society, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Massachusetts Fellowship of Congregational Christian Women (See Article VIII, Sec. 1, (b)), a President and five vice-Presidents of the Massachusetts Congregational Laymen's Council (See Article VIII, Sec. 2, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Woman's Work, a Minister of Missions and Stewardship, and a Minister of Christian Education and Associate in Christian Education. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year and two, — beginning with the year 1935, — each odd-numbered year. The President and vice-President of the Massachusetts Fellowship of Congregational Christian Women, the President and one other representative of the Massachusetts Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Congregational Center Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis*. One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms. The present Trustees shall remain in office until the expiration of their terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty. This method of choosing Trustees shall commence at the close of the 1933 Conference.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint sub-committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the Congregational churches of the Commonwealth.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

ARTICLE VI

Duties of Officers

1. The Moderator, or in his absence, one of the vice-Moderators, shall preside over all meetings of the Conference.

2. The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He shall be the representative of the Conference and of its Board of Trustees among all the churches (both those financially independent and those aided by the funds of the Conference) and in all denominational and interdenominational gatherings (including meetings of state Superintendents) unless representation is otherwise provided. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

direction of the President, to counseling with and assisting the churches in the area assigned to him, and shall perform such other duties as may be assigned to him by the Board of Trustees or the President. He shall have the custody of the records and of all bonds given by the treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. He shall make a report at each annual meeting of the Conference and shall make such other reports as the Conference or the Board of Trustees may from time to time require. He shall receive all contributions for benevolences sent to him by the churches and by individuals and shall disburse the same in accordance with the instructions of the donors. He shall give such bonds for the faithful performance of his duties as may from time to time be required by the Board of Trustees. The Assistant Treasurer shall perform such duties as may be assigned by the Treasurer, and act in his stead in event of incapacity or absence.

5. The Field Secretaries shall counsel with and assist the churches in the area which may from time to time be assigned to them by the Board of Trustees or the President.

6. The Minister of Missions and Stewardship shall have the duty of advancing the interest of the churches in the work of missions at home and abroad. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference.

7. The Director of Woman's Work shall have special charge of promoting missionary interests and all other activities among the women of the Congregational churches of the Commonwealth. She shall, under the direction of the President, assist, so far as she may be able, in the general work of the Conference.

8. The Minister of Christian Education and the Associate in Christian Education, if any, shall encourage and promote the whole program of religious education as well as Christian living and Christian activities among the Congregational churches of the State. He, or she, or they, shall, under the direction of the President, assist so far as able, in the general work of the Conference.

9. The Recording Secretary shall record the complete minutes of each annual meeting and shall transcribe and deliver the same to the Secretary. The Board of Trustees may, in their discretion, appoint a deputy to assist in the keeping of the records under the direction of the Recording Secretary.

ARTICLE VII

Retirement and Annuity

1. No person who has attained the age of seventy years shall continue as a member of the Executive Staff. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity, except in the case of ministers who are now members under the Original Plan. Toward each annual premium in the Annuity Fund of any member of the staff the Conference shall pay each year an amount equal to 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

3. Lay members of the office staff shall be expected to be, so far as practicable, members of the Retirement Fund for Lay Workers, and the Conference shall pay, as the annual premium for each lay worker who is a member of the Fund, 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

ARTICLE VIII

Departments and Affiliated Organizations

1. There shall be a Department of Woman's Work of the Conference. It shall be called the Massachusetts Fellowship of Congregational Christian Women.
   (a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members of the Massachusetts Fellowship of Congregational Christian Women shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President of the Massachusetts Fellowship of Congregational Christian Women, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership of the Massachusetts Fellowship of Congregational Christian Women in whatever manner it may deem needful for the effective carrying on of its work.

   (b) The Massachusetts Fellowship of Congregational Christian Women shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

2. There shall be a Department of Laymen's Work of the Conference. It shall be called the Massachusetts Congregational Laymen's Council.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of Congregational laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Massachusetts Congregational Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, a Vice-President, a Secretary and a Treasurer.

3. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Massachusetts Congregational Christian Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Massachusetts Congregational Christian Conference.

ARTICLE IX

Meetings

1. The Conference shall hold its regular annual meeting for the choice of officers, the hearing of reports, the discussion of matters of general interest and the transaction of other business at the appointed place on the third Monday of May, or at such other time in the month of May as the Board of Trustees may deem expedient.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield, respectively.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall propose to the churches the annual contribution for the expenses of the General Council and for such expenses of the Conference and other purposes, as may be deemed equitable. The Trustees shall at each annual meeting present a recommendation as to the action to be taken at such meeting with reference to the allotment to be made at that meeting, unless the Conference shall have directed at a previous meeting that such recommendation be made by a designated committee.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

   (a) A Committee on Credentials, to which all credentials shall be referred.

   (b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

   (a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

   This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting three members shall be elected to serve for three years. The duty of the Committee shall be to foster religious and missionary education in the churches and in the associations of Massachusetts. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of thirty-one members: ten at large, three of whom shall be laymen or lay-women, two of the ten to be elected at each annual meeting for a term of five years; the remaining twenty-one to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our Congregational ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a Congregational Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A Committee on Evangelism and Devotional Life, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to serve as a cooperating agency of the national Commission on Evangelism and Devotional Life.

(g) A Missionary Committee. Each of the twenty-one Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, representing the Massachusetts Fellowship of Congregational Christian Women, the Laymen's Council, and the Pilgrim Fellowship, respectively.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work of missions at home and abroad.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Conference Center Committee. The operation and management of the Conference Center (to be known as "Conference Center" or some other name yet to be decided upon) shall be in the hands of a State Conference Committee, to be called the Conference Center Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty members—approximately one-third ministers, one-third laymen, and one-third lay-women—one member from each Association to be nominated annually by the Association, and nine members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms, three to be elected each year—one minister, one layman, one lay-woman.

The Chairman of the Conference Center Committee shall be a member *ex officio* of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Center Committee shall elect its own officers and sub-committee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(j) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as it relates to local Congregational Christian Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be lay-women and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

ARTICLE XI

Board of Ministerial Aid

The Board of Ministerial Aid shall be the agent of the Conference in the work of aiding needy ministers and their families and shall make an annual report to the Conference. On notice of a vacancy in the membership of the Board of Ministerial Aid, the Conference shall nominate a person to fill the vacancy.

ARTICLE XII

Boston Seaman's Friend Society

The Boston Seaman's Friend Society shall be the agent of the Conference in the work of promoting the spiritual and temporal welfare of seamen and shall make an annual report to the Conference. The Conference shall annually elect five members of the Society for a term of three years each.

ARTICLE XIII

Board of Pastoral Supply

The Conference shall elect seven members to represent it on the Congregational Board of Pastoral Supply, two members to be elected each year to serve for a period of three years, and a third member to be elected in any year to serve for a period of three years whenever necessary to satisfy the requirement of seven members. The Board shall, through its Secretary, make an annual report to the Conference.

ARTICLE XIV

Corporate Seal

The seal of the Conference shall consist of two or more concentric circles, with the words "Massachusetts Congregational Christian Conference" around the circumference between these circles and the words "Inc., 1808" within the inner circle.

ARTICLE XV

Special Orders

1. The place of the next annual meeting shall be recommended each year by the Business Committee and designated by vote of the Conference.

2. All matters of business presented to the Conference, except those presented through duly appointed committees of the Conference, shall be referred to the

Business Committee unless referred to some other committee by special vote of the Conference.

3. All matters of business referred to the Business Committee shall be reported for action before the final adjournment of the annual meeting.

4. As far as possible, all business of the Conference shall be completed by noon of the second day of the annual meeting.

ARTICLE XVI

Rules of Order

The Rules of Order shall be those of common parliamentary usage subject to the following specifications:

(a) No member shall speak more than twice on the same question without leave of the Conference.

(b) When a question is before the Conference the Moderator shall entertain motions only as follows: — to adjourn, to table, for the previous question, to postpone to a fixed time, to commit, to amend or to postpone indefinitely; these several motions shall have precedence in the foregoing order.

ARTICLE XVII

Amendments

1. These by-laws, except Articles II and III, may be amended at any regularly called meeting of the Conference by a two-thirds vote, provided the amendment was proposed at the preceding annual meeting of the Conference or is recommended by the Board of Trustees.

2. Articles II and III may be amended by a two-thirds vote, but only after the proposed amendment has been submitted to the Conference in writing at the previous annual meeting and notice has been sent to the several churches connected with the Conference at least three months prior to the meeting at which action is to be taken.

MONDAY

ANNUAL MEETING OF THE WOMEN'S FELLOWSHIP

The Annual Meeting of the Massachusetts Fellowship of Congregational Christian Women was held in Memorial Hall at 2:30 P.M., Mrs. Donald F. Howes of Ashfield, President, presiding. The theme was "What Doth the Lord Require?"

A Service of Worship, led by Mrs. Dwight J. Dwinell of Reading, Vice President and Spiritual Life Chairman, was followed by a business session including election of the Clerk and Committee Chairmen, the President and Vice President being elected at a later session of the State Conference.

A dramatic program entitled "Our Witness In God's World" adapted from one given by the Women's Guild of the Evangelical and Reformed Church at their Quadrennial meeting, was presented in which Mrs. Eli C. Wiggins, West Springfield, was narrator and Mrs. Harrison C. Witherell, Abington, was soloist, Mrs. Philip L. Marston of Walpole was chairman of the program committee with Mrs. Robert C. Ames of North Amherst assisting. State Committee Chairmen participated.

Mrs. Oliver K. Black of Holyoke, former president of the Illinois Fellowship of Congregational Christian Women, spoke on the subject "Even So Send I You."

At 6:00 o'clock supper was served in the hall of the Puritan Mills.

The evening program in Memorial Hall opened at 8:00 o'clock, with the dedication of the Woman's Second Mile Gift, under the leadership of Mrs. Earl W. Douglas of Newton. Rev. John A. Bankosky of Lowell sang "The Lord's Prayer" by Mallotte.

The speaker was Princess Ileana of Romania, now living in Newton and a member of the National World Day of Prayer Committee, on the subject "A Modern Pilgrim Speaks."

ANNUAL MEETING OF THE STATE LAYMEN'S COUNCIL

The Annual Meeting of the Massachusetts Congregational Laymen's Council opened at 3:00 P.M., in Myles Standish Hall, its theme being "Yesterday, Today and Tomorrow."

After greetings and welcome by the President, Mr. Charles F. Nettleship, Jr., of Hingham, a Service of Devotion was led by Mr. Homer B. Platt of Roxbury.

A brief business session was followed by two addresses, "Our Protestant Heritage from the Reformation to 1620," by Prof. Roland H. Bainton of Yale Divinity School, and "Our Congregational Heritage from 1620 to the Present," by Prof. John W. Brush of Andover Newton Theological School.

The accomplishments and plans of "Plimoth Plantation" were presented by Mr. Henry Hornblower, II, President of the Plantation's Board of Governors.

At 6:30 the three hundred men present at the meeting joined the women at supper in the Puritan Mills.

After the women had withdrawn to their evening session in Memorial Hall, the men remained in the dining room, where Dr. Frederick M. Meek, pastor of Boston's Old South Church, gave a stirring address on "The Freedoms We Seek."

At 9:00 P.M., the Moderator, Rev. Joseph W. Beach, dismissed the meeting with benediction.

TUESDAY MORNING

The day's program began at 7:30, with a series of "Conventicles" (secret Bible meetings), in the cellars of ten Plymouth homes, for which the leaders were: Rev. Robert M. Bartlett, Rev. Arthur W. Bowler, Rev. Frank E. Duddy, Rev. David H. Eaton, Rev. John G. Gaskill, Rev. David B. Johnston, Rev. Lester G. Myers, Rev. John P. Robertson, Rev. Richard Stoughton, Jr., and Rev. Roger E. Treat.

In spite of the early hour and cold rain, approximately two hundred people attended these Conventicles.

At 8:15, "Our Hardships in Holland" was portrayed by Mrs. Donald C. Dassman of Manomet, representing a Pilgrim mother with a group of Pilgrim children.

Rev. George A. Robinson of Marion gave a representation of Pastor John Robinson's farewell address to the Pilgrims as they left their homes in Delfts Haven, Holland.

At 9:15, the Chaplain, Rev. Edwin B. Nylen of West Concord, led in worship. Vocal selections were given by Miss Carol Brice of St. Albans, N. Y., a graduate of Talladega Institute. She was accompanied by her brother.

Rev. Henry Smith Leiper, minister and Executive Secretary of the Missions Council, spoke eloquently on the theme, "Amen, Come Lord Jesus!" Revelations 22:20.

After a period of meditation, opportunity was given to sign the following covenant:

A NEW COVENANT

In the name of God, Amen. We whose names are underwritten, loyal citizens of the United States and members of a world-wide Christian fellowship, conscious of our rich heritage through the coming to this place more than three centuries ago of a small but devoted company claiming the "freedom wherewith Christ has made all free" and known as the Mayflower Pilgrims — whom we are proud to acknowledge as our spiritual ancestors — do by these presents solemnly and mutually, in the presence of God and of each other, covenant anew to keep alive and nurture the courageous and dedicated Pilgrim spirit which brought them here, and to extend it throughout the world; to combine our efforts with all others of like spirit; to the end that the spiritual foundations of our nation be more freely acknowledged and effectively established, the moral fiber of our society be strengthened, the rights of all be more widely respected, that freedom under law be the accepted concern and responsibility of every citizen, and that the God who rules above all nations be obeyed more perfectly, here and everywhere.

In witness whereof we have hereunder subscribed our names at Plymouth, Massachusetts, the 20th of May, in the year of our Lord, 1958.

Prayer and benediction by the Chaplain ended this portion of the program. During this and the succeeding sessions of the meeting, Mrs. Frankland W. Miles of Plymouth presided at the organ, loaned to the meeting by the Steinert Music Company of Boston.

At 10:45, the Moderator, Rev. Joseph W. Beach of Worcester, called the first business session to order. Mr. Beach responded fittingly to greetings given by Rev. Edwin T. Anthony, host pastor.

The following committees were appointed by the Moderator:

Rev. H. Merrill Emery, Jr., Somerset; Rev. R. Theodore Holland, Palmer; Rev. Christopher A. Lyons, West Peabody; Rev. Tsuneo Miyashiro, Royalston; Rev. Howard E. Nason, East Douglas.

Mr. W. Elliott Pratt, Jr., Conference Treasurer, presented his report, which was received with thanks.

Rev. Myron W. Fowell, Acting President of the Conference, read a letter from Dr. Albert Buckner Coe, from Honolulu, after which he introduced the Conference Staff. Then followed Dr. Fowell's report as Secretary.

Mr. Patrick moved that a message be sent to Dr. and Mrs. Coe, expressing appreciation for their leadership, and it was unanimously voted.

The following recommendations of the Trustees were presented and it was

VOTED: That the fellowship dues for the year 1958–1959 be thirty-four cents per member: twenty-five cents for the General Council, eight cents for the Conference and one cent for the expense of the International Congregational Council to be held in Hartford, Connecticut, in July, 1958.

VOTED: That the Conference take from the undesignated gifts to Our Christian World Mission an amount sufficient to make the total appropriation to the Conference equal to twenty-two per cent of the total giving to Our Christian World Mission, this to include the contribution of the Massachusetts Congregational Christian Conference to the Boston Seaman's Friend Society.

The Conference luncheon was served at 12:30 in the Puritan Mills. Six ministers in the fiftieth year of their ordination were recognized. They were: Rev. R. Ernest Bayes, Rev. Walter H. Commons, Rev. Mr. Lincoln S. Cain reported for the Committee on Information Regarding the Union, and it was voted to accept the report.

Rev. Allan R. McAllaster, Chairman of the Business Committee, presented the following resolutions on behalf of the Social Action Committee, and they were adopted as presented:

RACE RELATIONS

We are convinced that patterns of residential segregation based on race constitute a major barrier to integrated churches and communities.

We are encouraged by recent decisions of the United States Supreme Court that have consistently followed the doctrine that legally enforced racial segregation in public facilities such as schools, busses, dining cars, parks, and the like is unconstitutional. Thereby a firmer legal basis for sound and just human relations has been created.

Moreover, these decisions are in harmony with the Christian teaching of the dignity of all men under God and are, in significant part, the result of the preaching and teaching by the Christian Churches.

Therefore: we call upon the members of our churches to work for adequate housing and community facilities that shall be available to all persons without regard to race, and to refrain from lending their resources or participating in schemes that perpetuate segregation.

We again urge all those engaged in financing, buying, selling, renting, and leasing of residences to make their resources and services available to all persons alike without consideration of race or creed. We also urge those engaged in city and community planning to lend their support and skills to promote and insure racially inclusive neighborhoods.

We call upon our local congregations and associations at every possible point to strengthen and cooperate with the comprehensive race relations program carried on by our denomination in order to meet the new demands of this period of crisis and make a more effective witness to the gospel of Jesus Christ in the area of race relations.

THE CRISIS IN EDUCATION

The United States today faces a critical shortage in various areas of trained leadership. Many able students do not have the opportunity for advanced education and thus fail to make their maximum possible contribution to the national well-being. Many children are being deprived of an adequate elementary and secondary education because of a shortage of teachers and because of crowded classroom conditions, and serious inequalities exist between various communities, regions, and ethnic groups.

We commend a number of steps that offer hope for meeting this problem:

1. We favor a nationwide system of tests to discover the aptitudes and capabilities of students in the schools.

2. We favor a system of college and university scholarships, supported by federal grants, for high aptitude students who lack personal or family resources.
3. We believe that among the most important ways of strengthening education is the training of more and better teachers, the improvement of teachers' salaries, and the provision of more adequate public school buildings for pupils in all sections of the country.
4. We believe that the strength of the United States depends to a great degree on the education of its citizens for the all-round development of their personal capacities and for the maintenance of free institutions.

UNITED STATES FOREIGN ECONOMIC POLICY

Both the moral obligation of a rich nation in a poor world and the welfare of its own people demand that the United States cooperate with other nations in programs of world economic development.

We support our government's present policy of economic assistance to countries in need of it, and we believe that both the need and United States capacity call for larger and more imaginative programs of aid. We believe, in particular, that India's importance in the struggle for freedom, as well as the need of her people, demand a policy of giving her all possible aid.

We believe that such assistance should be directed toward meeting human need and should not require full agreement with United States political strategies, or with American conceptions of the most desirable economic order. Furthermore, when such aid goes to underdeveloped areas of the world, our aim should clearly be to foster the just aspirations of the people for a better life rather than to support privileged individuals or groups.

FREEDOM, SECURITY AND ATOMIC WEAPONS

Peace is the most vital problem of our day. While wars formerly affected the lives and property of warring nations only, nuclear war threatens to engulf all of mankind through the deadly effects of radiation. Moreover, it constitutes an even greater danger for generations as yet unborn.

It is therefore of the utmost urgency to take every possible step towards reducing the present state of tension between the two most powerful nations, the United States and the Soviet Union. Every reasonable effort must continuously be made to arrive at a cessation of nuclear tests, and an agreement on disarmament under international control. Despite our rejection of communism as a political and social system, we must realize that it will continue to exist in the world. Our national aim must be to change the cold war into peaceful and constructive competition, relying on the inherent truth of our concepts to win the uncommitted nations, and in the end to affect and change communist ideology.

The false impression must not be given that our nation is bent on war. Thus we must be willing to negotiate with fairness and with faith in our ideals, in the knowledge that we cannot expect to settle all conflicting issues in accordance with our own wishes. We must encourage cultural exchanges and mutual visits so as to dispel the distrust based on lack of knowledge of the other nation. We must never allow disillusionment to turn into despair, trusting that with God's help we shall find ways of establishing a just and lasting peace.

PROBATION AND PAROLE

An effective system of probation and parole provides protection for society while contributing to the redemption of individuals and their restoration to normal community life. The financial cost of supervision under a good program of probation or parole is $300–$400 a year as compared to a cost of $2,000–$3.000 needed to maintain an offender in an institution of correction. Well trained and experienced probation and parole officers are necessary to achieve the best results under probation and parole.

Therefore we urge upon those responsible for the appointment of probation and parole officers the maintenance of high standards in such appointments, and we urge the people in our churches to work in every way possible for the continuous improvement of our Massachusetts institutions and programs designed for the punishment, treatment and rehabilitation of criminal offenders.

CHURCH RELATED SCHOOLS

We urge upon our churches and their individual members:

1. A realistic financial support of our church related seminaries and colleges.
2. The continuous exercise of their influence, to the best of their ability, towards establishing in these institutions policies of student acceptance fully in line with our repeated stand in favor of racial integration.
3. A planned effort to inform our young people regarding the educational opportunities available in these institutions and to interest well qualified students in attending these schools.
4. The maintenance of our traditional opposition to the appropriation of public funds for the support of sectarian schools.

IMMIGRATION

We applaud the changes in our basic immigration legislation adopted by the Congress in 1957.

We regret the failure of the new law to give resident status to the Hungarian refugees now in this country as "parolees" and urge that the Congress regularize their status. We urge also that the basic law make provision for the admission of special groups in possible future emergency situations.

We continue to urge the basic revision of our immigration law. The present quota system, expressed in law for the first time in 1924, reflects the belief that certain races are superior to certain other races and judges an individual by his birthplace, rather than on the basis of merit. This is both a moral affront to other peoples and a denial of basic Christian and American conceptions.

The meeting adjourned to Myles Standish Hall to view a motion picture, "New Frontiers of Faith."

At 6:30 the annual Fellowship Dinner was served in the Puritan Mills.

Recognition was extended to the West Concord Union Church, of which the conference Chaplain, Rev. Edwin B. Nylen is pastor.

Rev. Daniel G. Kratz of Christ Church, Jamaica Plain and Rev. Philip Thierolf of St. Andrew's Church, Holyoke, pastors of the two Evangelical and Reformed Churches of Massachusetts, were introduced.

TUESDAY EVENING

The meeting reassembled in Memorial Hall, where musical selections by the Pilgrim Bell Ringers, Mrs. Harold W. Crowell of Plymouth, Director, were given.

An offering for the Board of Ministerial Aid was received, amounting to $450.

An address, "Certain Steps and Clear Sounds," was presented by Dr. Sheldon E. Mackey, Secretary of the Evangelical and Reformed Church.

The session closed with hymn and benediction by the Chaplain.

WEDNESDAY MORNING

The day's program began with a Communion Service at 8:30, in the Church of the Pilgrimage, Rev. Myron W. Fowell leading, and Rev. Fred B. Spyker of Great Barrington giving the meditation. Members of the Conference staff served as deacons.

The annual elections followed, Rev. Edwin W. Alexander of Ware reporting for the Nominating Committee. Rev. John H. Leamon of Cambridge, Chairman of the committee to select a successor to Rev. Albert Buckner Coe as President and Minister of the Conference, reported on the work of that committee, placing the name of Rev. Albert J. Penner in nomination. Elections of all officers, committees, staff members were completed by a vote authorizing the Recording Secretary to cast a ballot, and the lists of those so elected will be found in this book, pages 16–18.

Mr. Lincoln Cain reported for the Committee on Information Concerning the Union and presented the following motion, and it was

VOTED: That the Massachusetts Congregational Christian Conference, meeting at Plymouth on May 21, 1958, pursuant to Article XE of the Basis of Union and Vote 57 G S 45 of the Uniting General Synod of the United Church of Christ, hereby authorizes the Trustees, in the name of and in behalf of the Conference, to elect delegates to the second meeting of the General Synod of the United Church of Christ, scheduled to be held in Oberlin, Ohio in the summer of 1959.

Rev. Allan R. McAllaster, Chairman of the Business Committee, presented Mrs. Albert N. Brown of Sterling, who introduced the following resolution on behalf of the Committee on Evangelism, and it was adopted.

WHEREAS the call of our Lord to preach, teach, and baptize is fresh upon us in the 20th Century, and

WHEREAS the Church is and aims to be the body of Christ and members one of another, and

WHEREAS the Conference Committee on Evangelism urges our churches to re-examine their life and work in view of their primary task and to call upon the Conference Committee for assistance in the following concerns:

> For literature on all phases of Evanglism, viz., in the assimilation of the members.
>
> To assist in conducting programs of visitation — or Every-Member Evangelism in our Churches.
>
> To conduct Church Audits; i.e., assisted self-evaluation within the framework of the associations.
>
> To assist individual Churches in conducting self-evaluation programs.
>
> To conduct informative conferences and retreats to help deepen the spiritual life of our people.
>
> To suggest literature for use by our people in their own personal religious development; viz., Layman's Theological Library.

And be it further known that the Conference Committee on Evangelism has presented a memorial to the Conference trustees calling for the employment of a full-time person at the earliest possible moment to initiate and encourage these concerns and programs among us.

The Business Committee then presented the following resolution, which had been submitted by the Committee on the Ministry.

Be it RESOLVED that the Associations of the Massachusetts Congregational Christian Conference be encouraged to accept and use the qualifications, forms, and procedures relative to the status "in care of Association," licensure, ordination, installation, recognition, and transfer from other denominations and associations within the fellowship in accord with the Handbook of Standards, Procedures and Service as suggested by the Department of the Ministry of the Congregational Christian Churches.

Be it RESOLVED that the State Conference and its associations give full cooperation to the United Church of Christ in determining and upholding the highest standards with regard to the Christian ministry in general, and with specific reference to the minister's call, ordination, and relationship to the local church.

Be it RESOLVED that both because of the needs of the churches and because of the developing emphasis on the importance of the scientific vocations, all church members be summoned to redoubled effort in confronting young people of high school and college age with the importance of the Christian ministry and other church vocations.

Be it RESOLVED that the association committees on the Ministry in cooperation with the Area Ministers will have at least one member call on Pastoral Supply committees as soon as vacancies are known and will offer counsel in keeping with our polity, thus making for better relationships and sounder procedure between the churches, associations and the Conference.

Rev. Arthur W. Bowler, having been presented by the Chairman of the Business Committee, introduced a resolution on behalf of the Committee on Stewardship and Missionary Education, which was adopted, as follows:

RESOLUTION OFFERED BY THE COMMITTEE ON STEWARDSHIP AND MISSIONARY EDUCATION

We would reaffirm our faith in and request the continual attention of our church members to the resolution of the General Council Meeting at Omaha, June, 1956 on "The Dimensions of Evangelism," which said in part:

"Since the church is God's instrument for the proclamation of the Gospel, and since the church's purpose is to be the community of redemption and to extend its boundaries to include all mankind, we urge upon our people a serious and continuing study of the nature of the church — its true purpose and source of power. We urge it upon our churches (including ourselves) to deepen and strengthen and purify themselves as fellowships of redemption in which old and young know the love and power of Christ and are impelled to witness to it.

"We would call attention to the words of D. T. Niles at the Evanston Assembly: 'God's conversation with the church is a conversation about the world. It is the world that is the primary object of God's concern. If the church would converse with God, it must converse about the world: He made it; He loved it: He will judge it through Christ.' "

Recognizing that the "Mission of the Church" is but another way of presenting the whole Gospel to the whole man, in the whole world,

Therefore, be it RESOLVED:

That we call upon all the members of all our churches to recapture a true sense of Christian Mission;

That each share directly by making regular gifts to Our Christian World Mission;

That each church member seek to increase his gifts each year as an expression of his growth in understanding and compassion, looking toward the attainment by his church of the ultimate goal of "As Much for Others as for Ourselves";

That we recommend the establishment in each church of a carefully chosen, rotating, representative, standing committee on Missionary Education and Stewardship, with an adequate working budget;

That the Christian Enlistment or Canvass Committee include a person responsible for the missionary emphasis in the canvass.

That we commend the resources and materials made available by the Massachusetts Congregational Christian Conference and the Missions Council of the Congregational Christian Churches; Friendship Press and denominational materials on the study themes of the year;

That we recommend for the use of each church in our fellowship the sound filmstrip "The Chairman" and the brochure entitled "Guide for the Committee on Stewardship and Missionary Education in the Local Church."

That this committee prepare a yearly calendar of activities aimed at educating all age groups throughout the year in the "Mission of the Church";

That the pastor emphasize missions in his training classes for church membership;

That each church participate in such programs as: Share Our Surplus; One Great Hour of Sharing; The Heifer Project; Tours with a Purpose; Missionary Conferences at Northfield and Silver Bay; Christian Family Finance; Christian Wills Emphasis; Association, State, Regional, and National Conferences and Meetings on Stewardship and Missionary Education.

A resolution from the Social Action Committee on Corruption in Labor and Management, presented by Mr. Clifton P. Howard of Worcester, was amended and referred back to the committee for later report.

Mr. Howard presented a further resolution from the Social Action Committee, which was adopted as follows:

LITERATURE FEATURING OBSCENITY AND VIOLENCE

We condemn the unspeakable selfishness and disregard for the sacredness of personality and welfare of society which is revealed in the present large scale promotion and distribution of obscene literature and in the flood of motion picture and television presentations based on violence and criminal activity. All of this detracts from the dignity and decency which ought to be marks of our Judaeo-Christian and democratic culture and stimulates lawlessness and crime.

We urge upon all parents a responsible oversight of their children's reading habits and entertainment, also a stricter enforcement of the laws against obscenity and more imaginative and realistic thinking and planning on the part of community leaders in respect to creative and interesting programs and activities for young people.

The Chairman of the Business Committee presented Mrs. Robert E. Crawford of Woburn, who introduced for the Social Action Committee a resolution, which was adopted as follows:

ALCOHOL

We reaffirm our belief in the urgent need for a vigorous program of education, law enforcement and help for alcoholics to bring the present problems related to beverage alcohol under control.

We urge public school administrators to comply faithfully with the spirit as well as the letter of Section I, Chapter 71 of the General Laws of the Commonwealth in providing effective programs of alcohol education in the schools.

We call upon law enforcement personnel throughout the Commonwealth to prosecute those who violate Section 69, of Chapter 138 of the laws relative to selling or providing alcoholic liquors to minors or intoxicated persons.

In Massachusetts there are more than 200,000 alcoholics and an increase in the number of persons thus afflicted by several thousands each year, with consequent damages to family and community life. Therefore, we respectfully request our churches and other interested agencies to cultivate community attitudes and develop community resources to help more persons who are on the road to becoming alcoholics.

We commend to all in our church the practice of abstaining from the use of alcoholic beverages as a wise rule of conduct in the interest of personal health and Christian family life, and as a source of encouragement to others who cannot or should not drink alcoholic beverages. We urge our General Court to enact legislation providing that in cases of a proposed *transfer* of a liquor license from one location to a new location within 500 feet of a church or school, such transfer shall not be allowed over the objection of the church or school involved.

We call upon our representatives in Washington to support the Langer Bill, S. 582, designed to outlaw liquor advertising on radio, television and in magazines involved in interstate commerce.

A resolution in reference to the transfer of a liquor license in Springfield was voted, but later rescinded.

Rev. Myron W. Fowell read a telegram from Station WGBH-TV, inviting attention to a series of programs on Problems of Alcoholism.

Mrs. Crawford introduced a resolution from the Social Action Committee on Organized Gambling and Crime, and it was adopted as follows:

ORGANIZED GAMBLING AND CRIME

The recent Special Massachusetts Crime Commission found in its three-year study, based on extensive investigations and approximately 240 formal hearings, and stated in the course of its 37 findings that:

1. Organized crime exists in several forms in the Commonwealth.
2. Organized illegal gambling is by far the most widespread of the forms of organized crime.
3. It is huge business or industry, the total handle or gross sales of which are not exaggerated at an estimate of approximately $2,000,000,000.
4. The existence of these conditions is influenced by and encouraged by the presence of legalized pari-mutuel gambling in the New England area.
5. Police action at present, through lack of training and education, lack of awareness and lack of co-ordination of interdepartmental activity, is not directed at the inter-county, inter-city and inter-state nature of the activities of the gaming operators.
6. Present police action does not result in the relentless harassment, detection, prosecution and conviction of the illegal gambling operators. Police action on illegal gaming generally takes place only upon complaint.

It is common knowledge that in many Massachusetts communities organized gambling still flourishes and provides the basis and money power for organized crime.

Be it therefore RESOLVED: that we express our disappointment that many of the bills recommended by the Crime Commission have been defeated by the General Court.

We urge favorable action by the legislature on H. 2883 (to establish a permanent Law Enforcement Commission) to serve as a research organization related to the law enforcement functions of the three branches of government. Its work could be directed toward the basic problem of the effectiveness of law, law enforcement, and law enforcement agencies including the Police Departments of the Commonwealth. Such a commission would be interested in all kinds of crime and should have the power to subpoena witnesses, records, etc. and to work for more effective law enforcement.

We call upon law enforcement officials to recognize the seriousness of organized gambling and crime and to carry on a relentless harrassment of bookies, gambling operators and racketeers.

We urge continued support by our churches over a period of years for the educational campaign of the Massachusetts Council of Churches.

We express our great appreciation to the recent Massachusetts Crime Commission for its intelligent and objective approach to its task and for its factual, accurate and courageous report which has been of inestimable value in awakening public concern in respect to the problem of organized gambling and crime.

A symposium was next in order, participated in by Rev. Thayer A. Greene of Amherst, who used as his subject "Learning How to Speak and How to Listen"; Rev. Henry H. Clark of Lexington, who spoke on "The Bible Speaks to Our Time." A third speaker, Rev. Frederick F. Driftmier of Springfield, withdrew in favor of the next address, since the program was behind schedule.

An address, "Frontiers, Old Yet New," was given by Dr. Fred Hoskins, Minister and Secretary of our General Council.

Resuming business, the conference adopted a revised version of a resolution introduced earlier, the final form being:

CORRUPTION IN LABOR AND MANAGEMENT

As a Christian body committed to the conviction that God wills justice in all areas of human life, we express our unequivocal disapproval of those leaders who take advantage of their positions in labor organizations to enrich themselves, to defraud or misrepresent their constituents, or to wield irresponsible power over them, and we condemn the actions of those unions, local or national, which knowingly have permitted such individuals to exercise power or have failed to maintain ethical standards and democratic procedures. We condemn equally the actions of those representatives of management who have supported or taken advantage of such corruption to avoid or undermine responsible participation in collective bargaining.

We commend those union members and those members of management who have labored to make unions a force for economic justice, social progress, and democratic community life.

We urge all leaders of labor and in the field of management to work untiringly to purge our economy of the racketeer elements which, if unchecked, will destroy its vitality and render it incapable of making its maximum contribution to the development of a free and responsible society.

The following resolution of appreciation was adopted:

WHEREAS the 159th Annual Meeting of the Massachusetts Congregational Christian Conference has enjoyed the generous hospitality of The Church of the Pilgrimage, in Plymouth, and

WHEREAS we are deeply appreciative of the cordial reception we have received and the time and effort that have been expended to facilitate the conduct of our sessions and to promote our personal comfort,

Be it therefore RESOLVED that we express our sincere gratitude

1. to Rev. Edwin T. Anthony and the people of the host church and to the pastor and people of Memorial Methodist Church and to the Trustees of Plymouth Masonic Temple for the use of their buildings; to the Selectmen of Plymouth for the use of Memorial Hall; to Mr. Bernard Goldfine for the use of the Puritan Mills facility; and to St. Peter's Church for the use of their parking area,
2. to the Committee on Arrangements, Mrs. Edward R. Belcher, General Chairman; the Housing Committee, Miss Sara C. Bodell, Chairman; the Committee on Registration, Miss Ida Hall, Chairman; to those responsible for the many beautiful floral arrangements,
3. to the people who have so kindly entertained us in their homes, and to the Police Department and other officials of the town of Plymouth for their courtesy and consideration.

Be it further RESOLVED that we express our appreciation and gratitude to our Acting President, Rev. Myron W. Fowell, and to all the members of the Conference Staff for their efforts in making arrangements, for their participation in the program, and for their devoted service at all times; and to our Moderator, Rev. Joseph W. Beach; our Chaplain, Rev. Edwin B. Nylen; our organist, Mrs. Frankland W. L. Miles; to our soloist, Miss Carol Brice; to the Pilgrim Bell Ringers and their director, Mrs. Harold W. Crowell, and to our distinguished speakers for their contributions to the success and value of the meeting.

The tellers reported that 236 ballots had been cast in the election of Conference officers, committees, etc.

A report from the Credentials Committee showed attendance to be:

Ministers	270
Delegates	395
Ex Officio	27
Guests	467
Total	1159

A message from Dr. Penner, newly elected Minister and President of the Conference, was read:

"I am deeply moved by the confidence you have shown in me by the selection to be your President and Minister. Mrs. Penner and I look forward to returning to Massachusetts and to the service of the churches, with keen and eager anticipation. Under Dr. Coe you have enjoyed leadership of the highest order, and my dearest wish is to be able to continue in the same spirit. You have a strong Staff and there is a grand spirit among churches and ministers. As we together attempt great things for God and expect great things from God, I am sure that we shall be richly blessed. You may count upon me for my wholehearted commitment and endeavor. Thank you very much and may God bless you all."

Dr. Fowell was, by vote, instructed to make the messages of the various speakers on the program available to those who might desire them.

The Moderator-elect, Mrs. Axel H. Anderson of East Walpole, was introduced and spoke briefly.

The meeting adjourned at 1:00 o'clock, after the Chaplain's closing prayer and benediction.

Our Father and our God, as we come now to the closing moments of this gathering of representatives of our several churches, lay upon each of us the mantle of blessing, of inspiration, of instruction, and of the renewal of our faith in the eternal verities of Thy grace and truth, which here we have had the privilege to share.

As we have here renewed the Covenant signed by our forebears, may the words inscribed on scrolls be engraved in our hearts to bring mercy to the needy, justice to those barred from freedom's privileges, and assurance for all who carry the common burden of the day.

As we return to the work which is ours to carry out in our appointed places of service, may what we have heard and said be of continuing benefit for the furtherance of Thy Kingdom on earth. May the truths shared together, the rich ennobling revelations of the Gospel, seen through the eyes of those who have led us, widen our horizons and open our eyes to the magnitude of the task as revealed in the Master and Founder of our Faith, even Jesus Christ our Lord. Amen.

And now may the Lord bless us and keep us, and make His face to shine upon us and be gracious unto us, and may the Lord lift up His countenance upon us and give us peace. Amen.

THE REVEREND ALBERT BUCKNER COE, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE and of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE, TRUSTEE, as at March 31, 1958, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at March 31, 1958, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at March 31, 1958, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Thirty-four cents per member is asked this year of the Churches. Twenty-six cents of the thirty-four goes to the General Council (formerly The National Council) and eight cents is kept by the Conference. The collection of the eight cents per member is the attempt of the Conference part of our organization to pay its expenses and not to become a charge upon missionary funds.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts; to Hospitality House at Ayer (Fort Devens), and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1957–1958 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Where the pastor's service ended during the year, the reference "†" appears. Special grants are listed on page 59.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;

2. The Associations of the churches, with the names of officers;

3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";

4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1958. Admissions and removals cover the year 1957. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1958, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:

"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

|| When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations, contributions to home expenses are usually for all the churches grouped together in the federated church.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

Origin of Domestic Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of eleven persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Terminology

Whenever in these by-laws the word "Conference" is used it shall be held to refer to the Massachusetts Congregational Christian Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of a Congregational or a Congregational Christian Association of Churches in Massachusetts may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference and those persons who, prior to May 22, 1923, became life members of the Massachusetts Home Missionary Society, shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have membership in Congregational Christian Associations regularly holding ministerial standing.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, together with all persons heretofore constituted honorary members of the Massachusetts Home Missionary Society, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Massachusetts Fellowship of Congregational Christian Women (See Article VIII, Sec. 1, (b)), a President and five vice-Presidents of the Massachusetts Congregational Laymen's Council (See Article VIII, Sec. 2, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Woman's Work, a Minister of Missions and Stewardship, a Minister of Christian Education, an Associate in Christian Education and a Church Finance Adviser. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year and two, — beginning with the year 1935, — each odd-numbered year. The President and vice-President of the Massachusetts Fellowship of Congregational Christian Women, the President and one other representative of the Massachusetts Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Congregational Center Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis*. One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms. The present Trustees shall remain in office until the expiration of their terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty. This method of choosing Trustees shall commence at the close of the 1933 Conference.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint sub-committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the Congregational churches of the Commonwealth.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He shall be the representative of the Conference and of its Board of Trustees among all the churches (both those financially independent and those aided by the funds of the Conference) and in all denominational and interdenominational gatherings (including meetings of state Superintendents) unless representation is otherwise provided. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

direction of the President, to counseling with and assisting the churches in the area assigned to him, and shall perform such other duties as may be assigned to him by the Board of Trustees or the President. He shall have the custody of the records and of all bonds given by the treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. He shall make a report at each annual meeting of the Conference and shall make such other reports as the Conference or the Board of Trustees may from time to time require. He shall receive all contributions for benevolences sent to him by the churches and by individuals and shall disburse the same in accordance with the instructions of the donors. He shall give such bonds for the faithful performance of his duties as may from time to time be required by the Board of Trustees. The Assistant Treasurer shall perform such duties as may be assigned by the Treasurer, and act in his stead in event of incapacity or absence.

6. The Minister of Missions and Stewardship shall have the duty of advancing the interest of the churches in the work of missions at home and abroad. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference.

7. The Director of Woman's Work shall have special charge of promoting missionary interests and all other activities among the women of the Congregational churches of the Commonwealth. She shall, under the direction of the President, assist, so far as she may be able, in the general work of the Conference.

8. The Minister of Christian Education and the Associate in Christian Education, if any, shall encourage and promote the whole program of religious education as well as Christian living and Christian activities among the Congregational churches of the State. He, or she, or they, shall, under the direction of the President, assist so far as able, in the general work of the Conference.

9. The Church Finance Adviser shall advise and assist churches in financial matters and programs under the direction of the President.

10. The Recording Secretary shall record the complete minutes of each annual meeting and shall transcribe and deliver the same to the Secretary. The Board of Trustees may, in their discretion, appoint a deputy to assist in the keeping of the records under the direction of the Recording Secretary.

ARTICLE VII

Retirement and Annuity

1. No person who has attained the age of seventy years shall continue as a member of the Executive Staff. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity, except in the case of ministers who are now members under the Original Plan. Toward each annual premium in the Annuity Fund of any member of the staff the Conference shall pay each year an amount equal to 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

3. Lay members of the office staff shall be expected to be, so far as practicable, members of the Retirement Fund for Lay Workers, and the Conference shall pay, as the annual premium for each lay worker who is a member of the Fund, 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

ARTICLE VIII

1. There shall be a Department of Woman's Work of the Conference. It shall be called the Massachusetts Fellowship of Congregational Christian Women.

   (a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members of the Massachusetts Fellowship of Congregational Christian Women shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President of the Massachusetts Fellowship of Congregational Christian Women, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership of the Massachusetts Fellowship of Congregational Christian Women in whatever manner it may deem needful for the effective carrying on of its work.

   (b) The Massachusetts Fellowship of Congregational Christian Women shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

2. There shall be a Department of Laymen's Work of the Conference. It shall be called the Massachusetts Congregational Laymen's Council.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of Congregational laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Massachusetts Congregational Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, five Vice Presidents, a Secretary and a Treasurer.

3. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Massachusetts Congregational Christian Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Massachusetts Congregational Christian Conference.

1. The Conference shall hold its regular annual meeting for the choice of officers, the hearing of reports, the discussion of matters of general interest and the transaction of other business at the appointed place on the third Monday of May, or at such other time in the month of May as the Board of Trustees may deem expedient.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield, respectively.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall propose to the churches the annual contribution for the expenses of the General Council and for such expenses of the Conference and other purposes, as may be deemed equitable. The Trustees shall at each annual meeting present a recommendation as to the action to be taken at such meeting with reference to the allotment to be made at that meeting, unless the Conference shall have directed at a previous meeting that such recommendation be made by a designated committee.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

   (a) A Committee on Credentials, to which all credentials shall be referred.

   (b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

   (a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

   This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting three members shall be elected to serve for three years. The duty of the Committee shall be to foster religious and missionary education in the churches and in the associations of Massachusetts. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of thirty-one members: ten at large, three of whom shall be laymen or lay-women, two of the ten to be elected at each annual meeting for a term of five years; the remaining twenty-one to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our Congregational ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a Congregational Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A Committee on Evangelism and Devotional Life, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to serve as a cooperating agency of the national Commission on Evangelism and Devotional Life.

(g) A Missionary Committee. Each of the twenty-one Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, representing the Massachusetts Fellowship of Congregational Christian Women, the Laymen's Council, and the Pilgrim Fellowship, respectively.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work of missions at home and abroad.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Conference Center Committee. The operation and management of the Conference Center (to be known as "Conference Center" or some other name yet to be decided upon) shall be in the hands of a State Conference Committee, to be called the Conference Center Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty members—approximately one-third ministers, one-third laymen, and one-third lay-women—one member from each Association to be nominated annually by the Association, and nine members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms, three to be elected each year —one minister, one layman, one lay-woman.

The Chairman of the Conference Center Committee shall be a member *ex officio* of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Center Committee shall elect its own officers and subcommittee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(j) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as it relates to local Congregational Christian Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be lay-women and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

ARTICLE XI

Board of Ministerial Aid

The Board of Ministerial Aid shall be the agent of the Conference in the work of aiding needy ministers and their families and shall make an annual report to the Conference. 3. That the Conference take from the undesignated gifts to Our Christian World Mission an amount sufficient to make the total appropriation to the Conference equal to 22% of the total giving to Our Christian World Mission.

These recommendations were unanimously adopted.

Mrs. Harold F. Price of the Business Committee introduced the following resolution of the Committee on the Ministry, as it appeared in the ADVANCE REPORTS, and it was adopted as presented:

1. Be it resolved that the churches of the Massachusetts Congregational Christian Conference be asked to encourage their ministers, wherever needed, to take advantage of the tape recorder critique service offered by the State Committee on the Ministry, and administered by the Rev. Raymond J. Cosseboom at the Congregational Center in Framingham. Be it further resolved that the churches and ministers be informed that such service is without cost, that equipment will be loaned through the courtesy of the Committee on the Ministry, and that the names of the ministers making use of this service are kept confidential so that the critique is strictly objective.

2. Be it resolved that the churches and the ministry of the Congregational Christian Conference of Massachusetts, in light of the 15,000 vacant full-time Protestant pulpits in America (500 Congregational) be requested to include in

their local programs of education special emphasis designed to interest young people in the possibility of the Christian Ministry and associated Christian Services as a life-time vocation. Be it further resolved that churches and ministers, making use of theological students on a part-time basis, work with the seminaries more closely, and confer with them more frequently on problems that exist in the use of theological students, in order that seminaries may provide more adequately prepared ministers and Christian education workers.

3. Be it resolved that the churches of the Massachusetts Congregational Christian Conference consider seriously a minimum salary standard of not less than $4,200.00 a year for full-time ministry, plus parsonage, annuity, and car allowance. It further resolves that all churches give serious and thoughtful consideration to more adequate salaries for their ministers, keeping in mind the financial demands, the standard of living and the educational needs of ministers and family.

4. Be it resolved that the church and the ministers of the Massachusetts Congregational Christian Conference be encouraged to adopt the following report entitled "Preparation for the Minister's Retirement" as a guide to meet this most important and oftentimes critical problem among our churches and ministers.

PREPARATION FOR THE MINISTER'S RETIREMENT

In this modern age, with its lengthening "life expectancy" and its growing percentages "over 65," retirement and what to do about it become increasingly important to every one of us. The average healthy, busy person is inclined to give little thought to the time when he or she must accept the fact that the years are inexorable — that they have caught up with us. Are we going to suddenly reach this important milestone in our lives and find a dreary wilderness ahead or are we going to prepare for this inevitable readjustment, starting ten, fifteen, or even twenty years in advance? Are we going to retire FROM a full and busy life or are we going to retire TO what should and can be one of the richest periods in one's whole life? Obviously, the answer is BE PREPARED!

Preparation for retirement involves at least four major considerations: (1) When should I retire, (2) What will I live on, (3) Where will I live, and (4) What will I do?

(1) *When should I retire?*

The age of retirement should not be strictly a matter of years. Industry has accepted 65 as a more or less universal retirement age, largely for administrative considerations. For ministers, somewhere between 65 and 70 is probably a better average, varying with the individual. Retire before you have to — while you are still "on top" of your work — before the congregation asks you to. Take the initiative. Consult your wife — she will tell you if you are slipping. It will injure your reputation and be bad for the church if you stay on too long. Retire while you are still adaptable to your new environment.

While each Congregational Christian church will make its own rules, it may prevent the development of some disheartening situations if churches would arrange, in advance, to have the matter of retirement reviewed annually after a minister reaches 65, the age at which annuity payments start.

(2) *What will I live on?*

Financial preparation for retirement should start when earning starts. The Annuity Fund for Congregational Ministers is available to all Congregational and Christian ministers in good standing. Early and continuous participation will ensure a larger retirement income. Social Security is now available to ministers and should be taken full advantage of. Life Insurance is desirable as is Accident and Health Insurance. As family responsibilities diminish the amount of insurance may be gradually reduced and eliminated entirely after retirement. If funds are available, an investment in a good mutual stock fund may be advisable.

The churches have a very real responsibility in helping to build retirement income for their ministers. It is strongly urged that every church pay into the Annuity Fund the full stipulated 11% of their minister's salary plus perquisites, including parsonage rated at 15% of salary.

(3) *Where will I live?*

Do not retire in the community where you have been working. Give the new minister a chance. Moving in with the children is usually not desirable, although there can be exceptions to this rule. Know the community to which you go. Try it out in advance, as during vacations. Consider the climate at all seasons — pollens, altitude, humidity, etc. Return to the "old home town" is not usually advisable. On a fixed income it will be preferable to own your house rather than rent. But again, start early. Mortgages at 70 will demand a large down payment. If you plan to do supply preaching or interim work, avoid areas in which there are already many retired ministers. There are many good retirement or "old folks" homes and will be more. But consider carefully before going into a community devoid of children or young people.

(4) *What will I do?*

It has been said that retirement is what we have spent the rest of our lives to achieve — a period of further accomplishment. We all need to be needed. Aimless "resting" will soon pall and develop into a useless rusting away. Fixing up "around the house" is not enough. Before reaching retirement develop some interests apart from your regular work. Some ministers will take up supply preaching, as stated above. Pick your location and avoid too much competition. Tapering off in a smaller parish while still adaptable will afford a constructive activity and fill a real need in many a church that can only support a minister who is receiving retirement income. Retired ministers can render valuable aid to the volunteer services in the community, such as Red Cross, fund drives, hospitals, P.T.A.'s, etc. Again, don't put off preparation for retirement. It will come sooner than you think. DO IT NOW!

The sub-committee on Church-Minister Relations suggests:

(1) That the above be prepared in leaflet form and sent to all ministers and churches.

(2) That qualified speakers be invited to address ministers' convocations on the subject of "Retirement."

Rev. Walter R. Kraft of the Business Committee presented the following resolution, submitted by the Committee on Social Action, and it was adopted as amended:

ATOMIC WEAPONS

WHEREAS, the present-day development of nuclear weapons and their increasing availability for use by all nations in all forms of international conflict represent a danger of the utmost gravity to the whole human family as well as to the peace of the world, and

WHEREAS, the burden of maintaining modern systems of armaments by individual nations is so great as to make impossible proper educational and cultural advances along with the attainment of a satisfactory standard of living, and

WHEREAS, the only hope for relief from this danger and the burdensome cost of armaments is by way of cooperation between nations in the interest of their mutual security and gradual disarmament,

Therefore, be it RESOLVED, that we call upon our government in Washington to continue to work untiringly for the development of some mutually acceptable means of disarmament by multilateral agreement involving satisfactory inspection and control of nuclear weapons as well as gradual reductions in the production of conventional arms. Meantime, we urge a full disclosure to the public of all facts in regard to the dangers to human beings from nuclear fallout. We also urge complete cessation by all nations of atomic testing. We call upon our government for continuing and unceasing efforts to develop more imaginative plans for the peaceful uses of atomic energy.

We call upon our churches and their leaders to exercise every means possible to promote understanding between peoples and to prepare the minds and spirits of all nations and races to take all measures possible to lessen the tensions between governments, to reduce the threat of war, and to produce permanent foundations for world order and peace.

At the conclusion of the business session, Rev. Truman B. Douglass gave an address on the topic: "Our Most Urgent Missionary Task."

The meeting broke up into the following interest groups for the luncheon period:

CHURCHES AND COLLEGES	First Parish Church, Unitarian
CHRISTIAN EDUCATION	Second Congregational Church
EVANGELISM	First Baptist Church
MISSIONARY	Saint Peter's Episcopal Church
SOCIAL ACTION	Memorial Methodist Church
TOWN AND COUNTRY CHURCH	First Federated Church

TUESDAY AFTERNOON

The meeting reassembled at 2:45, when Rev. Herbert R. Smith of Needham, Chairman of the Christian Higher Education Fund Committee, led a presentation entitled: "Our Part in the Christian Higher Education Fund." Assisting Mr. Smith were the following ministers: Rev. Benjamin R. Andrews, Newton; Rev. John J. Foster, Melrose Highlands; Rev. Alden C. Hebard, Franklin; Rev. Hugh B. Penney, Andover; Rev. Rev. Roswell P. Barnes, the Executive Secretary in America of the World Council of Churches gave an address on: "Holding the World Together."

At 3:45, Conference business was again considered.

It was voted to send a message of greeting and sympathy to Mrs. Ronald Bridges and family.

A resolution relative to an appointment to the Parole Board was passed by a narrow margin of three votes. The motion to make it unanimous was defeated. Then a motion to rescind the original vote was carried.

The afternoon session closed with a hymn and prayer, led by the Chaplain.

TUESDAY EVENING

At 6:00 o'clock an Anniversary Dinner in recognition of the 150th Anniversary of the Massachusetts Bible Society, was held in the High School gymnasium.

Dr. Alton L. Miller, President of the Massachusetts Bible Society, presented a citation to Dr. Robert Wood Coe, in recognition of ten years of service as Executive Secretary of that Society. This was followed by an address by Dr. Coe on: "The Bible in Massachusetts."

At 8:00 o'clock the meeting was resumed in the Dane Street Church with a "Hymn Festival," which was devoted to an introduction of the new Pilgrim Hymnal. Mr. Ivor Sjostrom of the Second Church in Newton directed the organ, Brass Choir and the combined choirs of Dane Street, First Federated, Immanuel, and the Second Congregational Churches of Beverly, and of the Second Church, Newton.

Rev. James W. Lenhart of Portland, Maine, Chairman of the Hymnal Committee, and President of the Board of Home Missions, spoke concerning the place of music in the life of the church and in the experience of the Christian, and told of the work of the committee in the preparation of the Pilgrim Hymnal.

An offering for the Board of Ministerial Aid was received, amounting to $456.

This session closed with hymn and benediction by the Chaplain.

WEDNESDAY MORNING

Dr. Albert J. Penner led the Conference Communion Service, and the meditation was given by Rev. Dwight L. Cart of Winchester.

Rev. John H. Leamon, Moderator-elect, was introduced, and spoke briefly.

The report of the Nominating Committee was presented by Mrs. Frederick B. Noss and was accepted. Ballots were passed and the election was completed, resulting in the unanimous choice of those listed on pages 16–27.

At 10:10 Conference business was resumed. Resolutions presented by the Social Action Committee were discussed and voted as follows:

THE NATIONS

We live in a world of nation states, constantly growing in number, which have become so interdependent and interrelated that nearly every action by any one nation has an appalling number of relations and effects.

The current power struggle is intensified by the involvement of sovereign nation states in these complex relationships, with contention and hostility resulting, particularly between communist and non-communist states.

Deeper, however, than the divisions between nations are: (1) the common danger, (2) the common need, and (3) the common hope of all men for a warless world.

Appreciative of the value of the work of the Fifth World Order Study Conference, in which Congregational Christian delegates shared, we commend its study materials to our churches, and we call upon our churches and their members to pray and work:

1. For peace, justice, and the welfare of all nations and peoples;

2. For the United Nations as a major resource for the settlement of disputes and for peaceful change;

3. For creative sharing among nations of persons, ideas, and skills;

4. For deeper awareness of the problems, legitimate interests, and fears of other people, especially those in the newer nations and in the communist nations;

5. For a demonstration through our personal and national life that both order and justice can be achieved under free institutions;

6. For a sympathetic, understanding and generous encouragement to nations that are in the process of achieving their independence.

FOREIGN ECONOMIC POLICY

In recent years astounding and far-reaching advances in technological knowledge in some countries have greatly widened the chasm between the wealth and opulence of their peoples and the poverty of peoples who live in the so-called underprivileged areas. These differentials, by way of possession and enjoyment of the world's goods, have made for restlessness, impatience and revolutionary trends among some of the underprivileged peoples. These developments represent an opportunity for the free peoples of the world as well as for the communists. The responsibility for Christians in the free countries of the western world is very great under these circumstances. "To whom much is given, of him shall much be required."

It is of the utmost importance that our churches and our nation give thoughtful and prayerful attention to the world's needs. The present times call loudly for wise and imaginative programs for helping the less privileged peoples to help themselves without compromising their self respect, political rights and independence.

We, therefore, call upon our churches to support more generously the work of our Congregational Christian Service Committee and the agencies of the American Board of Commissioners for Foreign Missions as they reach out to heal and to help the people in other lands. We call upon our government to work increasingly through the United Nations, particularly the technical assistance agencies, to the end that our nation, and the other nations of the free world, may make available their technical and material resources to meet more adequately the desperate needs of the peoples in the underdeveloped areas of the world.

THE UNITED STATES SUPREME COURT

In our constitutional system the Supreme Court performs a function which is essential to the orderly processes of our democracy inasmuch as it resolves issues between state and federal governments and between individuals and the power of government. It also serves as a check upon the executive and legislative departments of government.

Accordingly, we view with serious concern the attacks which are being made upon the United States Supreme Court and urge our lawmakers in Washington to reject all attempts to weaken or destroy this bulwark of our democracy and domestic freedoms, since to do otherwise is to open the door to the destruction of our liberties.

RACE

We believe that segregation is a sin. Segregation is contrary to the gospel. Segregation denies the Christian doctrine of man. Segregation violates the nature of the Church of Christ.

We call upon our churches and their members to pray and work:

1. For the elimination of pride and prejudice from our hearts;

2. For the end of racial segregation in our communities — in church life, in housing, in employment, in education, in public accommodations and service, and in the exercise of political rights;

3. For the furtherance of human rights and respect for all persons as children of God.

CHURCH AND STATE RELATIONS

WHEREAS, the increasing number, complexity and seriousness of modern community needs and problems call for evermore costly community services by both private and governmental agencies, and

WHEREAS, the trend in recent years has been to look increasingly to tax revenues for support of such services, and

WHEREAS, both our state and federal constitutions forbid the use of public money for sectarian purposes,

Therefore, be it RESOLVED that we urge our churches to consider problems of church and state relationships in the light of the provisions of the state and federal constitutions bearing on them and to work for the preservation of the American principle of separation of church and state.

ALCOHOL

The serious and complicated problems presently developing in our society as a result of the use of beverage alcohol by so many people ought not to be ignored by our churches. These problems represent a great need for a constructive program of education and action that will be of help to individuals, families and communities.

Our churches should do all they can to strengthen their ministry to alcoholics and to the families of alcoholics. Alcoholism is a sickness and should be regarded and treated as such by the families and friends of alcoholics.

It is not enough, however, simply to aid the victims of the alcohol traffic. It is important, also, to deal with the psychological, social and advertising pressures that are responsible in part for present-day increases in alcoholism. While the churches ought not to condemn social drinkers as sinners, the churches should always encourage the fellowship of non-drinkers. Since our churches are visible, though imperfect, witnesses of God's word to man's whole condition, we urge our churches to assert the value judgment of uncompromising opposition to the social use of alcoholic beverages. Further, the churches should work for a climate of freedom from social pressure to drink so that those who can not drink without great danger to themselves and those who do not wish to drink will be free from the kind of harassing influences that so frequently lead to personal or family breakdown.

The manufacture and sale of beverage alcohol is carried on under what is called permissive legislation, which differentiates the alcohol beverage industry from other types of business. It is of the utmost importance that laws adopted to control the distribution and sale of alcoholic beverages shall be faithfully and efficiently enforced.

We call particular attention to those laws governing such distribution, sale, and use of alcoholic beverages in the case of minors. There is growing evidence that drinking by high school aged youth is increasing and is a contributing factor in a large percentage of accidents involving this age group. We urge that our churches contact the local police, schools, and social agencies and work with them in counseling and educational programs with our young people.

Further, we urge our churches to cooperate more effectively with our Conference Social Action Committee, the Massachusetts Temperance League, the Massachusetts Commissioner on Alcoholism, and our law enforcement agencies in attacking the various problems related to beverage alcohol.

ORGANIZED GAMBLING AND CRIME

Recent studies of organized crime in the United States, such as those made by the Kefauver Commission and the Massachusetts Special Crime Commission, have revealed a close identification between organized gambling and various phases of organized crime. Profits obtained from organized gambling are invested in other illegal rackets related to the sale of narcotic drugs, the increasing traffic in obscenity, the developing business in stolen property, the shakedown rackets that plague small business concerns and various other types of lucrative business enterprises, legal and illegal. The increasing prevalence of these activities have resulted in the development of far-reaching underworld organizations that threaten the political, the economic, the social, and the moral well-being of our country.

In view of these threats to the future of our society, we call upon our churches and church members to support state and national legislative measures designed to strengthen the legal approach to the problem of organized crime. We also urge our church groups to give more thought and consideration to the strengthening of local and state police forces and such related law enforcement agencies as the Criminal Information Bureau. Increases in salaries for police and in police department budgets are needed in many communities and could produce substantial dividends by way of reductions in the cost of crime. Our church leaders ought to confer frequently with local police about conditions in their communities in respect to various types of crime and to cooperate with them in every way possible to reduce crime to a minimum.

We call upon our churches and church organizations to accept greater responsibility for promoting educational programs designed to inform the public concerning the evil forces operating in society and to awaken public interest in bringing these forces under control.

The following resolution, prepared by Rev. Pierre D. Viulleumier, was presented by Mr. William F. Brooks, and it was adopted:

OBSCENE LITERATURE

We deplore the unspeakable selfishness and disregard for the sacredness of personality and the moral welfare of society which is revealed in the growing flood of obscene mass media (magazines, paper-backed books, slides, films, records, etc.) promoted and distributed for the ignoble purpose of popularizing, glamourizing and promoting sexual promiscuity, libertinism and various kinds of deviant sexual behavior. The purveyors of this growing traffic in obscenity are seeking to make illicit profits by (1) perverting the minds of young people and adults, (2) fostering an insatiable desire for prurient thought, (3) creating an appeal for a nihilistic (or hedonistic) philosophy of life, completely devoid of moral principles (which undermines our Judeo-Christian culture and stimulates a rise in lawlessness and sex crimes.)

J. Edgar Hoover, Director of the F.B.I., has recently said: "The peddlers of obscene pictures and writings have so flooded the market with toxic trash within the last few years that to find a news rack without samples of it is a rare exception. The trade in this printed poison is big business and a lucrative one. There is today a vicious movement to undermine the traditional spiritual and moral principles of our nation. . . . There must be a co-operative public and police effort to assure that local ordinances against obscenity are adequately and rigidly enforced. Parents, school authorities and law-abiding citizens interested in the welfare of youth must share the duty of reporting sources of obscene material to proper officials."

We, therefore, urge our churches to: (1) study and apply the content of the brochure recently issued by the Massachusetts Congregational Christian Conference entitled, "A Suggested Approach to the Problem of Obscene Literature (for Local Church Social Action Committees)," (2) report flagrant sales of obscene mass media to the Massachusetts Obscene Literature Control Commission (recently established by the State Legislature) for lawful investigation by the Attorney General, (3) report to the local postmaster about salacious material sent through the mails, (4) seek adequate enforcement of local, state and federal obscenity statutes, (5) urge upon all church families a responsible supervision of their children's reading habits and entertainment.

The Chairman of the Business Committee presented a resolution in regard to the relocation of the State Conference offices on one of the major arterial highways, and it was

VOTED: That this resolution be referred to the Conference Board of Trustees.

Rev. Walter R. Kraft presented a resolution of appreciation, which was amended and then adopted, as follows:

The 160th Annual Meeting of the Massachusetts Congregational Christian Conference has enjoyed the gracious hospitality of the Dane Street Church of Beverly and the Second Church of North Beverly. We, therefore, express our deep appreciation to these churches and their respective ministers: the Rev. Richard G. Hinds and Dr. Robert L. Rasche.

We also express our appreciation

1. to Mr. Erwin McKenny, General Chairman of the Dane Street Church, and Mrs. Lawrence W. Cann and Mrs. Winthrop M. Puffer, including their committees, and to the laymen of the North Beverly Church, who served the dinner for the Laymen's Fellowship on Monday evening, along with those who opened their homes in Beverly and made our stay in this community a happy one.

2. to the Police Department of Beverly for courtesy freely granted; to the School Department for the use of the High School Gymnasium for two banquets, and to the First Parish Church, the Second Congregational Church, the First Baptist Church, St. Peter's Episcopal Church, the Memorial Methodist Church and the First Federated Church for the use of their facilities, and especially to their luncheon committees,

3. to Mrs. Axel H. Anderson, Moderator; Rev. Russell C. Murphy, Chaplain; the Business Committee; Mr. Lincoln S. Cain, parliamentarian; Mr. Eliot I. Wirling, Mrs. Osman S. Smart and Mrs. Clinton D. Grant, organists, who, along with our speakers, kept our sessions on a high spiritual level.

4. to Ivar Sjostrom of the Second Church of Newton, his Brass Choir and the choirs of the Dane Street Church, the First Federated Church, Immanuel Church, the Second Churches of Newton and North Beverly for the service introducing and celebrating the new Pilgrim Hymnal,

5. to our new Minister and President, Dr. Albert J. Penner and the entire Conference Staff.

Be it therefore RESOLVED: that we memorialize this Annual Meeting in Beverly, Massachusetts, with this note of genuine gratitude and request that it be spread upon the pages of the Minutes and Reports of the Massachusetts Congregational Christian Conference.

Mr. Black read a letter from Rev. Frederick B. Noss of the South Church, Andover, inviting the Conference to hold its 161st Annual Meeting in Andover. This invitation was extended particularly in view of Andover's connection with the beginnings of the American Board of Commissioners for Foreign Missions, which will be celebrating its 150th Anniversary next year.

It was

VOTED: That this invitation be referred to the Board of Trustees of the Conference for action.

At the conclusion of the business session, Dr. Penner acted as the Moderator of a symposium on the work of the Conference, under the theme: "One Gospel — One Work." He was assisted by members of the Conference Staff and Chairmen of Conference committees.

At 12:10, the meeting adjourned with a closing hymn and prayer led by Chaplain Murphy.

The report of the Credentials Committee showed the attendance to be:

THE REVEREND ALBERT J. PENNER, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE and of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE, TRUSTEE, as at March 31, 1959, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at March 31, 1959, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at March 31, 1959, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Thirty-three cents per member is asked this year of the Churches. Twenty-five cents of the thirty-three goes to the General Council (formerly The National Council) and eight cents is kept by the Conference. The collection of the eight cents per member is the attempt of the Conference part of our organization to pay its expenses and not to become a charge upon missionary funds.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

FORM OF BEQUEST

I give to the Massachusetts Congregational Christian Conference incorporated under the laws of the Commonwealth of Massachusetts, the sum of...........

....Dollars.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts, and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1958–1959 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Where the pastor's service ended during the year, the reference "†" appears. Special grants are listed on page 56.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;

2. The Associations of the churches, with the names of officers;

3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";

4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1959. Admissions and removals cover the year 1958. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1959, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:
"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:
y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

‖ When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked ‖ in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations, contributions to home expenses are usually for all the churches grouped together in the federated church.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

ORIGIN OF DOMESTIC MISSIONARY SOCIETY

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

ORIGIN OF MASSACHUSETTS CONFERENCE

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of fourteen persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Terminology

Whenever in these by-laws the word "Conference" is used it shall be held to refer to the Massachusetts Congregational Christian Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of a Congregational or a Congregational Christian Association of Churches in Massachusetts may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference and those persons who, prior to May 22, 1923, became life members of the Massachusetts Home Missionary Society, shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have membership in Congregational Christian Associations regularly holding ministerial standing.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, together with all persons heretofore constituted honorary members of the Massachusetts Home Missionary Society, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Massachusetts Fellowship of Congregational Christian Women (See Article VIII, Sec. 1, (b)), a President and five vice-Presidents of the Massachusetts Congregational Laymen's Council (See Article VIII, Sec. 2, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Woman's Work, a Minister of Missions and Stewardship, a Minister of Christian Education, an Associate in Christian Education and a Church Finance Adviser. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, one member from the Board of Directors of the City Missionary Society of Boston, Inc., and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year, and two each odd-numbered year. The President and vice-President of the Massachusetts Fellowship of Congregational Christian Women, the President and one other representative of the Massachusetts Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Congregational Center Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis.* One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms. The present Trustees shall remain in office until the expiration of their terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty. This method of choosing Trustees shall commence at the close of the 1933 Conference.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws. the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint sub-committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the Congregational churches of the Commonwealth.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. She shall, under the direction of the President, assist, so far as she may be able, in the general work of the Conference.

8. The Minister of Christian Education and the Associate in Christian Education, if any, shall encourage and promote the whole program of religious education as well as Christian living and Christian activities among the Congregational churches of the State. He, or she, or they, shall, under the direction of the President, assist so far as able, in the general work of the Conference.

9. The Church Finance Adviser shall advise and assist churches in financial matters and programs under the direction of the President.

10. The Recording Secretary shall record the complete minutes of each annual meeting and shall transcribe and deliver the same to the Secretary. The Board of Trustees may, in their discretion, appoint a deputy to assist in the keeping of the records under the direction of the Recording Secretary.

ARTICLE VII

Retirement and Annuity

1. No person who has attained the age of seventy years shall continue as a member of the Executive Staff. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity, except in the case of ministers who are now members under the Original Plan. Toward each annual premium in the Annuity Fund of any member of the staff the Conference shall pay each year an amount equal to 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

3. Lay members of the office staff shall be expected to be, so far as practicable, members of the Retirement Fund for Lay Workers, and the Conference shall pay, as the annual premium for each lay worker who is a member of the Fund, 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

ARTICLE VIII

Departments and Affiliated Organizations

1. There shall be a Department of Woman's Work of the Conference. It shall be called the Massachusetts Fellowship of Congregational Christian Women.

   (a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members of the Massachusetts Fellowship of Congregational Christian Women shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President of the Massachusetts Fellowship of Congregational Christian Women, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership of the Massachusetts Fellowship of Congregational Christian Women in whatever manner it may deem needful for the effective carrying on of its work.

   (b) The Massachusetts Fellowship of Congregational Christian Women shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

2. There shall be a Department of Laymen's Work of the Conference. It shall be called the Massachusetts Congregational Laymen's Council.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of Congregational laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Massachusetts Congregational Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, five Vice Presidents, a Secretary and a Treasurer.

3. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Massachusetts Congregational Christian Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Massachusetts Congregational Christian Conference.

ARTICLE IX

Meetings

1. The Conference shall hold its regular annual meeting for the choice of officers, the hearing of reports, the discussion of matters of general interest and the transaction of other business at the appointed place on the third Monday of May, or at such other time in the month of May as the Board of Trustees may deem expedient.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield, respectively.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall propose to the churches the annual contribution for the expenses of the General Council and for such expenses of the Conference and other purposes, as may be deemed equitable. The Trustees shall at each annual meeting present a recommendation as to the action to be taken at such meeting with reference to the allotment to be made at that meeting, unless the Conference shall have directed at a previous meeting that such recommendation be made by a designated committee.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

(a) A Committee on Credentials, to which all credentials shall be referred.

(b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

(a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting three members shall be elected to serve for three years. The duty of the Committee shall be to foster religious and missionary education in the churches and in the associations of Massachusetts. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of thirty-one members: ten at large, three of whom shall be laymen or lay-women, two of the ten to be elected at each annual meeting for a term of five years; the remaining twenty-one to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our Congregational ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a Congregational Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A committee on Evangelism and Devotional Life, consisting of one member from each association, who shall be either the chairman of the association committee on Evangelism and Devotional Life, or, where such a committee does not exist nor function, one from the association who has an interest in this area of church life, such a latter person to be recommended by the moderator of each association upon request of the Nominating Committee. The term of office shall be three years, and the alphabetical list of associations shall be divided into three groups, and these three groups shall rotate in making their elections. In addition there shall be six members-at-large, for a term of three years, two each year.

It shall be the duty of the committee to advance the interest of the churches to witness to the gospel of our Lord Jesus Christ in the communities where our churches exist, to seek to evangelize the unchurched and the inactive memberships of our churches by means and methods commensurate with those of our national Commission on Evangelism and Devotional Life.

(g) A Missionary Committee. Each of the twenty-one Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, representing the Massachusetts Fellowship of Congregational Christian Women, the Laymen's Council, and the Pilgrim Fellowship, respectively.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work of missions at home and abroad.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Committee on the Urban Church, consisting of nine members of whom three shall be elected at each Annual Meeting for a term of three years. It shall be the duty of this committee to study the special problems and opportunities for Christian service of churches in the urban areas and to offer such practical helps as may be possible and welcomed by the churches in these areas.

(j) A Conference Centers Committee. The operation and management of the Conference Center at Framingham and of the Craigville Inn property at Craigville on Cape Cod shall be in the hands of a State Conference Committee, to be called the Conference Centers Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty-five members, approximately one-third ministers, one-third laymen, and one-third lay-women—one member from each Association to be nominated annually by the Association, and fifteen members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms.

The Chairman of the Conference Centers Committee shall be a member ex-officio of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Centers Committee shall elect its own officers and subcommittee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(k) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as it relates to local Congregational Christian Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be lay-women and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

ARTICLE XI

Board of Ministerial Aid

The Board of Ministerial Aid shall be the agent of the Conference in the work of aiding needy ministers and their families and shall make an annual report to the Conference. On notice of a vacancy in the membership of the Board of Ministerial Aid, the Conference shall nominate a person to fill the vacancy.

ARTICLE XII

Boston Seaman's Friend Society

The Boston Seaman's Friend Society shall be the agent of the Conference in the work of promoting the spiritual and temporal welfare of seamen and shall make an annual report to the Conference. The Conference shall annually elect five members of the Society for a term of three years each.

ARTICLE XIII

Board of Pastoral Supply

The Conference shall elect seven members to represent it on the Congregational Board of Pastoral Supply, two members to be elected each year to serve for a period of three years, and a third member to be elected in any year to serve for a period of three years whenever necessary to satisfy the requirement of seven members. The Board shall, through its Secretary, make an annual report to the Conference.

ARTICLE XIV

Corporate Seal

The seal of the Conference shall consist of two or more concentric circles, with the words "Massachusetts Congregational Christian Conference" around the circumference between these circles and the words "Inc., 1808" within the inner circle.

ARTICLE XV

1. The place of the next annual meeting shall be recommended each year by the Business Committee and designated by vote of the Conference.

2. All matters of business presented to the Conference, except those presented through duly appointed committees of the Conference, shall be referred to the Business Committee unless referred to some other committee by special vote of the Conference.

3. All matters of business referred to the Business Committee shall be reported for action before the final adjournment of the annual meeting.

4. As far as possible, all business of the Conference shall be completed by noon of the second day of the annual meeting.

ARTICLE XVI

Rules of Order

The Rules of Order shall be those of common parliamentary usage subject to the following specifications:

(b) When a question is before the Conference the Moderator shall entertain motions only as follows: — to adjourn, to table, for the previous question, to postpone to a fixed time, to commit, to amend or to postpone indefinitely; these several motions shall have precedence in the foregoing order.

ARTICLE XVII

Articles II and III may be amended by a two-thirds vote, but only after the proposed amendment has been submitted to the Conference in writing at the previous annual meeting and notice has been sent to the several churches connected with the Conference at least three months prior to the meeting at which action is to be taken.

MINUTES
of the
161st ANNUAL MEETING
of the
MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE
MAY 15–17, 1960

THE SOUTH CONGREGATIONAL CHURCH ANDOVER, MASS.
Rev. Frederick B. Noss, Host Minister

Special programs on Sunday in Bradford and Andover commemorated the 150th anniversary of the organization of the American Board of Commissioners for Foreign Missions. Among those participating in the Sunday afternoon service in the First Church of Christ, Bradford, and around the historic American Board stone on the Bradford Common were: Rev. George E. Cary, Minister Emeritus of the Bradford Church; Rev. Iamu Isamu Omura, Chairman of the Evangelism Committee of the United Church of Christ in Japan; and Rev. Frank Cary, American Board Missionary in Japan between 1916 and 1960. Following three simultaneous suppers held in the Congregational churches at Bradford, Ward Hill, and West Boxford, a public meeting was held in South Church, Andover. This meeting was highlighted by a procession of retired and furloughed missionaries and nationals and by a recognition service for outgoing missionaries. Memorable addresses were given by Dr. Fred Field Goodsell of Waban and Dr. Alford Carleton of Cambridge, the former and present Executive Vice Presidents of the American Board.

MONDAY MORNING — May 16, 1960

The meeting was called to order at 8:50 A.M. by the Moderator, Dr. John H. Leamon, Cambridge.

The worship service was conducted by Dr. Frederick F. Driftmier, Springfield.

Dr. Frederick B. Noss, minister of the host church, extended words of welcome and the Town Manager of Andover, Mr. Thomas E. Duff, brought the greetings of the town.

The Moderator announced the appointment of the following committees:

Business — Rev. Henry H. Clark, Lexington, Chairman; Rev. John A. Heidt, Arlington; Rev. Robert W. Mayhew, Bridgewater; Mrs. Robert Hastings, Southboro; Mr. Lewis Campbell, Boylston; Mrs. James Spates, West Springfield.

Ushers — Rev. Loring F. Roberts, Taunton, Chairman; Rev. Louis E. Bertoni, Millbury; Rev. Edward L. Blackman, Cambridge; Rev. Thomas Boates, New Bedford; Rev. Kenneth A. Boyle, West Boxford; Rev. David Emmons, Rowley; Rev. Varton Hartunian, Belmont; Rev. Don L. Nickerson, North Dartmouth;

Mr. W. Elliott Pratt, Jr., Treasurer, gave the Treasurer's report and printed copies of the report were circulated. The report was accepted as printed. Mr. Pratt made special mention of the fact that Mr. Burton F. Flagg, a member of the South Church, Andover, was the first President of the Massachusetts Congregational Fund.

Dr. Myron W. Fowell presented the ADVANCE REPORTS and they were accepted as printed.

The Moderator called on the President and Minister, Dr. Albert J. Penner, who introduced the Executive Staff and in particular, two new members of the staff, Rev. Pierre DuPont Vuilleumier, Associate Minister of the Southeastern Area and Director of Craigville, and the Rev. Sidney G. Menk, Executive Director of the Boston City Missionary Society and Associate Minister for the churches within political Boston. Following the introductions, Dr. Penner presented his report and it was accepted with appreciation.

Mr. Sidney F. Law, Chairman of the Board of Trustees, presented his report and the following recommendations from the Board of Trustees were presented:

(I) Suggested by-law changes:

Article V, Section 3: The proposal is to change the first sentence in this section so as to include a representative of the Board of Directors of the City Missionary Society on the Board of Trustees of the Conference. The sentence as revised would read:

> "The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, one member from the Board of Directors of the City Missionary Society of Boston, Inc., and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year, and two each odd-numbered year."

Article X, Section 2, Paragraph f: Substitute for the present paragraph the following:

> "A Committee on Evangelism and Devotional Life, consisting of one member from each association, who shall be either the chairman of the association committee on Evangelism and Devotional Life, or, where such a committee does not exist nor function, one from the association who has an interest in this area of church life, such a latter person to be recommended by the moderator of each association upon request of the Nominating Committee. The term of office shall be three years, and the alphabetical list of associations shall be divided into three groups, and these three groups shall rotate in making their elections. In addition there shall be six members-at-large, for a term of three years, two each year.

"It shall be the duty of the committee to advance the interest of the churches to witness to the gospel of our Lord Jesus Christ in the communities where our churches exist, to seek to evangelize the unchurched and the inactive memberships of our churches by means and methods commensurate with those of our national Commission on Evangelism and Devotional Life."

Article X, Section 2,

"A Committee on the Urban Church, consisting of nine members of whom three shall be elected at each Annual Meeting for a term of three years. It shall be the duty of this committee to study the special problems and opportunities for Christian service of churches in the urban areas and to offer such practical helps as may be possible and welcomed by the churches in these areas."

Article X, Section 2, Paragraph j (presently Section i in the by-laws).

"A Conference Centers Committee. The operation and management of the Conference Center at Framingham and of the Craigville Inn property at Craigville on Cape Cod shall be in the hands of a State Conference Committee, to be called the Conference Centers Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty-five members, approximately one-third ministers, one-third laymen, and one-third lay-women — one members from each Association to be nominated annually by the Association, and fifteen members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms.

The Chairman of the Conference Centers Committee shall be a member ex-officio of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Centers Committee shall elect its own officers and subcommittee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committee.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year."

Article X, Section 2, Paragraph j becomes a new paragraph "k".

(II) Other matters recommended and voted by the Board of Trustees were as follows:

(1) *Fellowship dues.* It is recommended that the fellowship dues for the year 1960–1961 be 37 cents per member: 25 cents for the General Council and 12 cents for the Conference.

(2) *The Conference share of Our Christian World Mission.* It is recommended: "That the Conference take from the undesignated gifts to Our Christian World Mission an amount sufficient to make the total appropriation to the Conference equal to 22% of the total giving to Our Christian World Mission."

(3) *Recommendation concerning Massachusetts delegates to the General Synod:* "Pending the adoption of a Constitution and By-Laws by the United Church of Christ and membership by the Massachusetts Congregational Christian Conference in the United Church of Christ, it shall be the policy of the Conference to ask our

Associations (20 in number) to make nominations of delegates to the General Synod and to make sure that a *high proportion* of the Conference delegates to the General Synod shall be elected from the nominations by Associations, also, that there shall be at least one delegate elected from *each* of our Massachusetts Associations."

Dr. Leamon called on the Rev. M. Webb Wright, Chairman of the Nominating Committee for the report of that committee. It was moved and seconded that the secretary cast one ballot for those nominated. The entire slate was unanimously elected. (See pages 16–27 for this report.)

The Rev. Henry H. Clark, Chairman of the Business Committee, announced that the committee had received fourteen resolutions and that seven would be presented at this time. The following resolutions were introduced and adopted as presented:

SOUTH AFRICA

WHEREAS, the need to move beyond prevailing patterns of segregation in the United States and in the world has been dramatized by the recent bloody massacres in South Africa and the ensuing political arrests of such moderate leaders as Alan Paton and Chief Luthuli, and

WHEREAS, such barbarisms, if continued, can be disastrous in a world torn by interracial strife,

Be it RESOLVED, that we urge our government's influence to bring about an end to *apartheid* policies wherever they exist and their replacement by enlightened and humane policies in keeping with the Universal Declaration of Human Rights.

We also urge special occasions for prayer for our own Congregational leaders and others who are carrying on a ministry of reconciliation in South Africa.

WORLD ORDER

WHEREAS, the nature of our present day world makes the study of problems affecting the life of peoples and nations a responsibility of every citizen as well as of organizations concerned with social ideals and values, and

WHEREAS, we believe that it is not simply a right but an obligation for Christian churches to give guidance to their membership through study and corporate thinking concerning issues, no matter how controversial, in the realm of political, economic and social, as well as religious affairs,

Be it RESOLVED, that the Massachusetts Congregational Christian Conference commends the National Council of Churches of Christ in America for its Nationwide Program of Education and Action for Peace designed to stimulate study throughout the churches of the ways to achieve world peace, and

Be it further RESOLVED, that we urge our churches and affiliated organizations, that have not already done so, to organize study groups and to arrange meetings to share this program with their people. We also urge our churches to support definite projects and programs designed to contribute to the relief of hunger, suffering and need among underprivileged peoples and to build foundations for world peace.

Mrs. Myron Bemis of Spencer made a presentation on behalf of the *United Church Herald*.

Dr. Albert J. Penner introduced Dr. Fred Hoskins, Minister of the General Council of Congregational Christian Churches, who gave the morning address on the subject, "The Church in the New Decade."

Dr. Frederick F. Driftmier led in prayer, a hymn was sung, and the meeting recessed for the luncheon meetings of the various Conference Committees as follows: Christian Education, Churches and Colleges, Evangelism, Missions and Stewardship, Social Action, Town and Country Churches.

The afternoon and evening were given to meetings of the Massachusetts Congregational Laymen's Council and the Fellowship of Congregational Christian Women.

MONDAY AFTERNOON

ANNUAL MEETING OF THE WOMEN'S FELLOWSHIP

The Annual Meeting of the Massachusetts Fellowship of Congregational Christian Women was held in South Church preceded by a reception for Miss Frances Kapitzky of Ohio, Co-Moderator of the United Church of Christ, at 2:30 P.M.

At the business session the Clerk and Committees were elected, the election of the President and Vice President having taken place at a previous session of the Conference. Miss Kapitzky spoke on the subject "And So Fill Full the Mission." She also dedicated the officers and committee chairmen. As a musical presentation by two Abbott Academy girls, Miss Mary Hutchins was vocalist and Miss Persis McClennan played the flute with Mr. Keith H. Gould at the organ.

At 6:30 o'clock supper was served in the Junior High School.

The evening program, again in South Church, opened at 8:00 P.M. with the dedication of the Second Mile Gift under the leadership of Mrs. Wilson Dougherty, Stewardship Chairman. Mrs. Priscilla Watson sang "But the Lord Is Mindful of His Own."

The speaker was Mrs. Sophie Grinberg-Vinaver, Chief, Section on the Status of Women of the United Nations, New York, whose subject was "What the United Nations Is Doing for the Advancement of Women throughout the World."

Rev. Gladys M. Polhamus of First Congregational Church, Otis, offered the benediction.

ANNUAL MEETING — CONGREGATIONAL LAYMEN'S COUNCIL

The Annual Meeting of the Congregational Laymen's Council was held in the Free Christian Church, Andover, being called to order by the President, Mr. Roy E. Coombs, at 3:30 P.M. following the devotions which were conducted by Mr. Norman E. Lockwood, Wellesley, Massachusetts. Rev. David E. Weinland gave an address, "Sales and Service," followed by a question period. Rev. Fred W. Whittaker, President of Bangor Theological Seminary, spoke on shortage of trained leaders for the church. After a brief business session, Rev. Raymond J. Cosseboom showed the film, "Heifers for Hope."

Following an excellent dinner at 6:30 P.M., the third and final address was given by Rev. Joseph Lyle McCorison on the subject, "You Must Decide."

The meeting adjourned with benediction being given at 8:45 P.M.

TUESDAY MORNING

The Rev. Dr. Albert J. Penner led the Conference Communion Service and Dr. Raymond Calkins gave the Communion meditation.

Dr. John H. Leamon, of Cambridge, Moderator, called the meeting to order at 9:55 A.M. and the Chairman of the Business Committee, the Rev. Henry H. Clark, presented the following resolution concerning World Refugee Year and it was adopted as presented:

WORLD REFUGEE YEAR

WHEREAS, World Refugee Year has been launched under the sponsorship of the United Nations to enlist help for refugees, and,

WHEREAS, President Eisenhower has appointed a special Committee of One Hundred to promote the observance of World Refugee Year in the United States, and

WHEREAS, the Massachusetts Committee for World Refugee Year, appointed by the Governor's Committee for Refugees, has set three goals for the state:

(1) To urge President Eisenhower to release the $6,500,000 authorized by Congress for refugee aid,

(2) To work for enactment of adequate refugee legislation *before* the end of World Refugee Year,

(3) To raise $100,000, not alone as a church effort, but as an effort by *all* citizens. (Checks should be sent to the U. S. Committee for Refugees, 10 Arlington St., Boston, Mass.)

Therefore, be it RESOLVED, that we urge our churches to pray for the refugees languishing in camps in Europe, in Algeria, in Palestine, and in other places around the world, while helping also to achieve the general objectives of the Massachusetts Committee for World Refugee Year.

It was agreed that a copy of this resolution would be sent to Congressman Francis E. Walter.

The following resolutions were also adopted.

LAW ENFORCEMENT

We give thanks for the heritage which is ours, a nation under laws rather than a nation subject to arbitrary rule. We are determined that this nation shall continue under government by law. We believe that the prospect of its continuing in its democratic traditions is clouded by a growing disrespect for law, an increasing disobedience to law on the part of many of its citizens and by a laxity of law enforcement in many of its communities.

We deplore the way in which areas of Massachusetts, particularly metropolitan areas with their traditions of democracy and freedom, have become identified with an international underworld of crime and lawlessness. We condemn the laxity of law enforcement in these areas which have allowed these conditions to develop.

We call upon the mayors of our cities, the Governor of Massachusetts, and the legislature of the Commonwealth to do everything within their power to make more effective the enforcement of Massachusetts' laws against organized gambling and crime, against organized vice, against the traffic in narcotic drugs, against the illegal sale of alcoholic beverages to minors and to intoxicated persons, against the ever-mounting business in pornography, and against other rackets prevalent in the Commonwealth.

We urge our churches and our people to be more concerned about civic decency and the protection of the young, the weak, and the sick against those pernicious forces of exploitation organized for profit at the expense of individual welfare and community integrity. A greater acceptance of responsibility for our communities and our society is required of us who call ourselves Christians and who cherish the traditions of our country.

ORGANIZED GAMBLING AND CRIME

The future security and cultural vitality of our country are endangered by steady annual increases in the crime rate amounting to three times the annual population increase. Approximately three million major criminal offenses are committed each year in the United States. The annual cost of crime is estimated by the F.B.I. at $22,000,000,000 or an average cost of $506 for each American family.

Various national and state-wide studies of the problem of crime have indicated that the basis of organized crime in the United States is widespread organized gambling, which extracts many billions of dollars from the American public, while corrupting government, weakening the national economy and injuring the moral quality of community life.

In view of the seriousness of these problems, we condemn organized gambling as an internal enemy of our country and its people. We commend the New England Citizens Crime Commission for its part in the recent exposure of the gambling problem and for its efforts in behalf of more effective law enforcement.

Our appreciation is expressed to the Internal Revenue Service and to the Massachusetts State Police, to local police and to the courts for their great service to the Commonwealth through recent successful raids on gambling establishments and punishment of offenders.

Since it is an axiom, agreed upon by various crime commissions, that widespread organized gambling can not exist in an American community without the knowledge of the police, we call upon our church people as citizens of our communities to demand effective police action against the operators of illegal gambling.

We urge our churches to support the educational program of the Massachusetts Council of Churches designed to share with the citizens of this Commonwealth the facts related to organized gambling as a moral, social, economic and political evil.

ALCOHOL

In view of the fact that beverage alcohol is the cause of more than half of all fatal automobile accidents, is identified with a high proportion of criminal offenses, and is a contributing factor in the widespread breakdown of family life,

Therefore, be it RESOLVED, that we urge our churches to,

(1) Carry on, especially among young people, intelligent programs of education relative to the individual and sociological effects of the use of alcohol,

(2) Encourage the increasing fellowship of non-drinkers,

(3) Demand a more effective enforcement of the liquor laws,

(4) Survey the needs of alcoholics and work for the establishment of clinics for alcoholics where they have not already been provided.

DISARMAMENT

WHEREAS, the nuclear power now possessed is of such magnitude that, if used, it may well make life untenable on this planet;

WHEREAS, in the near future more and more nations will possess this power, thereby greatly increasing the danger of its use purposely or accidentally;

WHEREAS, nations ever ready to defend themselves and their institutions have no right under God to jeopardize the existence of other nations;

WHEREAS, we are members one with another in Christ;

Be it RESOLVED, that, having our own hearts purged of all selfishness and hate, we of the Massachusetts Congregational Christian Churches, at this our 161st Annual Meeting, at Andover, Massachusetts, implore the Congress and the President of the United States to work unceasingly with all nations, and more especially, through the United Nations' organization, toward the goal of a common agreement on disarmament.

RACE RELATIONS

WHEREAS, the Massachusetts fair housing practices laws during the past year have been broadened to include the sale and rental of certain classes of private housing, as well as the mortgage financing of housing; and,

WHEREAS, the state Attorney General has ruled that real estate offices fall within the scope of anti-discrimination legislation on public accommodations; and,

WHEREAS, real estate and finance men are in the middle of conflicting pressures from the laws and from the discriminatory attitudes of people in their own communities,

Therefore, be it RESOLVED, that our churches engage in active projects to provide support for real estate and finance men in moving toward the objective of communities with no housing discrimination on the basis of race, religion, or national origin.

(The words "To provide support" were interpreted by the Rev. W. Robert Mayhew as implying "by educational projects and programs.")

NON-VIOLENT CAMPAIGN FOR CIVIL RIGHTS

WHEREAS, our churches have maintained a long and constant record of Christian concern in the field of race relations and have repeatedly taken a position for equal justice for all our people;

Be it RESOLVED, that the Massachusetts Congregational Christian Conference commends and supports the Negro young people of our country in their present non-violent campaign for full civil rights.

ASSOCIATIONS IN THE UNITED CHURCH OF CHRIST

WHEREAS, the First Report of the Commission to Prepare the Constitution for the United Church of Christ included in Article VI, "Associations and Conferences," Paragraph 34, "Associations: An association is that body within a conference of the United Church of Christ which is composed, *without regard to race, language, or culture*, of congregations or local churches in a geographical area, and of ministers who have standing in that association."; and

WHEREAS, this section was not challenged on the floor of the General Synod meeting in Oberlin in July 1959, to our knowledge; yet

WHEREAS, the Revised Draft of the Proposed Constitution and By-Laws of the United Church of Christ and the Second Report of the Commission to Prepare a Constitution omits the words "without regard to race, language, or culture";

Be it RESOLVED, that the Massachusetts Congregational Christian Conference, through its delegates, earnestly and prayerfully recommends reconsideration of the said Paragraph 34 as originally proposed to the General Synod meeting in Cleveland, July 6–9, 1960.

HOSPITALITY

The 161st Annual Meeting of the Massachusetts Congregational Christian Conference has enjoyed the gracious hospitality of the South Church of Andover and the First Church of Christ, Bradford, and we therefore express our deep appreciation to these churches and their respective ministers: the Rev. Frederick B. Noss, and the Rev. Duane A. Windemiller.

We also express our appreciation

1. to Dr. William Emmons, General Chairman of South Church Hospitality Committee, and to Mrs. Joseph Tavern, Secretary of South Church, and to those who opened their homes in Andover and made our stay in this community a happy one.
2. to the Police Department of Andover for courtesy freely granted; to the School Department of Andover for the use of the Junior High School for the women's banquet, and to South Church in Andover, Christ Episcopal Church, Free Christian Church, West Parish Congregational Church, The November Club, Abbot Academy, First Church of Christ in Bradford, Ward Hill Congregational Church, and West Boxford Congregational Church for the use of their facilities, and especially to the committees serving our meals.

3. to Rev. John H. Leamon, Moderator; Rev. Frederick F. Driftmier, Chaplain; the Business Committee; Mr. Lincoln Cain, parliamentarian; Mr. Kenneth Gould and Mr. Donald Steward, organists, who, along with our speakers, kept our sessions on a high spiritual level.
4. to our Minister and President, Dr. Albert J. Penner, and the entire Conference Staff.

Be it therefore RESOLVED, that we memorialize this Annual Meeting in Andover, Massachusetts, with this note of genuine gratitude and request that it be spread upon the pages of the Minutes and Reports of the Massachusetts Congregational Christian Conference.

SALARIES FOR MINISTERS

WHEREAS, many of the churches of our Massachusetts Conference have responded generously to the request to give heed to increased salaries for our pastors, and

WHEREAS, the minimum salary previously recommended has been achieved in all but fifty-four of our churches served by a full-time pastor, and

WHEREAS, there is a great concern that our pastors who are professionally trained receive a remuneration on a par with other professionals who have spent a like period of years in preparation,

Therefore, be it RESOLVED, that we recommend $5,000 as the minimum amount of remuneration to be paid each pastor in full-time service.

This remuneration would include beyond cash salary, parsonage and the payments for heat and utilities of the parsonage. It is understood that the church would pay the pastor's business expenses, such as auto transportation, telephone, office expense, denominational attendance at meetings, and its full share of the pastor's annuity, but not consider such expenses payments as salary.

ECCLESIASTICAL COUNCILS

WHEREAS, ministerial standing in our fellowship is now granted only by action of the association,

Be it RESOLVED, that we recommend to the churches that all ordinations and installations of ministers be by the association, and we further recommend to the association that this become the basis for recognition of ministerial standing in the association.

A SUGGESTED AMENDMENT TO THE CONSTITUTION OF THE GENERAL COUNCIL OF CONGREGATIONAL CHRISTIAN CHURCHES

RESOLVED, that the Massachusetts Congregational Christian Conference proposes to the General Council of the Congregational Christian Churches the following amendment to Article III on Membership.

"Amend, by striking out Section I (a) Delegates-at-large and Section I (c) on Association Delegates, and substituting the following:

"I. (a) Delegates-at-large. Each State or District Conference or Convention shall be entitled to one delegate-at-large for the first full *10,000* and also one additional delegate-at-large for each successive 10,000 members or major fraction thereof. Each Conference is entitled to at least one delegate-at-large. Each State or District Conference or Convention shall determine by vote at an annual meeting the method of nomination and election of its own delegates-at-large."

"I. (c) Association Delegates. The number of delegates and alternates to be elected by each association shall be determined in the following manner:

"*Each church in the Association shall have the privilege of nominating a delegate from which group of nominees each Association shall elect one delegate for each 5,000 members, or major fraction thereof. Each Association shall be entitled to at least one delegate.* Delegates elected by the Association shall be certified by the Conference.

"In the choice of delegates from the churches in the Association a pattern of rotation shall follow wherever possible so that no delegate will ordinarily serve in that capacity at successive General Council meetings; but in circumstances that make it appear that the Conference and Associations would be better represented by allowing a delegate to succeed himself such succession is permitted.

"When an Association is entitled to five or more delegates not more than 60 per cent of its delegation shall be ministers, and not more than 60 per cent lay members. There shall be equitable representation of men and women.

"Any licensed or ordained pastor regularly serving a Congregational Christian Church and approved by the Association shall be eligible to be elected a delegate in the ministerial category.

"If an Association fails to elect its full proportionate number of delegates, the Conference or Convention or its board of directors at a duly called meeting may fill vacancies in that Association's delegation according to the rules set forth above. If the Conference or Association does not have its full delegation seated when the General Council convenes, it shall if possible be completed by vote of the delegates of the Conference or Convention according to the rules set forth above. If no one of the proper classifications is available from that Association, then the vacancy may be filled from some other Association or classification in the Conference or Convention by vote of the delegates of the Conference or Convention present twelve hours thereafter.

"In case a Conference has no Associations, it shall be allowed delegates to the number it would have if it were both a Conference and an Association.

"The superintendent, minister or chief executive officer of each Conference or Convention who is present shall be the convenor of his Conference or Convention delegation."

AIR FORCE MANUAL

WHEREAS, a recent release of an Air Force Manual contains the charge that a considerable number of Protestant ministers either are or have been Communists and supporters of communism; and calls in question leaders of the Revised Standard Version of the Bible, and

WHEREAS, such charges have been widely repeated over radio and in newspapers;

Be it RESOLVED, that the Massachusetts Congregational Christian Conference denounces the charges as casting unwarranted doubt upon the loyalty and integrity of our ministers.

Be it further RESOLVED, that we commend the National Council of Churches for its effective action in having the offensive Manual withdrawn.

NATIONAL COUNCIL OF CHURCHES

WHEREAS, issues constantly arise which challenge the Christian conscience and call for an expression on the part of the Christian Church, and

WHEREAS, we are members of the National Council of Churches, believe in it, and feel it is best qualified by its inter-denominational character to represent a united Protestantism;

Be it RESOLVED, that the Conference expresses its confidence in the Christian leadership of the National Council of Churches and of its departments, and urges the National Council of Churches to speak and act boldly on all public issues to which the gospel should speak with relevance and power.

RESOLUTION ON RESOLUTIONS

WHEREAS, we confess the ease with which we pass resolutions without personal involvement, and,

WHEREAS, the natural thrust of our faith is to impel us to work for the improvement of the great social and moral concerns,

Be it RESOLVED, that we, the delegates to the 161st Annual Meeting of the Massachusetts Congregational Christian Conference, hereby accept responsibility for the resolutions that we have passed, and purpose in our own lives to keep ourselves informed upon these areas of need, and to speak and preach the intent of these resolutions to the end that their impact may be real and some greater good break forth from our deliberations.

Dr. Penner announced that the Annual Meeting in 1961 will be held in Northampton in which year the town of Northampton will celebrate its 300th Anniversary.

Delegates and alternates, Moderators and Scribes of Associations were reminded of the meeting with the Committee to Implement the Union, immediately following the adjournment of the Conference.

The Credentials Committee reported:

Ministers	274
Delegates (lay)	378
Guests	438
Ex Officio	43
Total	1093

The offering for the Board of Ministerial Aid amounted to $326.05.

Mr. Robert C. Shoemaker, Field Secretary for the Christian Higher Education Fund was presented and a program was given to bring the Conference up-to-date on the current campaign to obtain gifts of $1,340,000 for the Higher Education Fund.

The meeting recessed for the Fellowship Luncheon.

Immediately following luncheon, the Conference reconvened in the sanctuary and Dr. Fowell presented the ministers who have been ordained for fifty years: Rev. Stephen Lang, Somerville; Rev. Henry R. Nelson, Whitehal, Michigan; Dr. Nathan H. Gist, New York City; Dr. Walter R. Morgan, Walpole; Rev. Edwin R. Gordon, Pepperell; Rev. Clifford L. Miller, Boston.

Rev. Clifford Miller of Boston was recognized and spoke briefly including in his remarks a poem of his authorship.

Rev. Edwin R. Gordon was also presented and made brief comments.

Dr. Frank E. Duddy of Worcester then introduced Rev. David Wallace of Lunenburg who is 92 years old and in his 65th year of ordination. Mr. Wallace also addressed the meeting with brief remarks.

Dr. Penner introduced Bishop Hans Lilje, of Hanover, Germany, and at present Harry Emerson Fosdick Lecturer at Union Theological Seminary. Dr. Lilje gave the closing address on the subject, "Toward a United Christiandom."

Dr. Leamon presented the new moderator, Mr. William E. Hays of Waltham, who spoke briefly.

The Rev. Dr. Driftmier offered the following prayer:

Almighty God, our Heavenly Father, Thou whose abiding care has been over us and whose presence we have felt in this goodly fellowship of pilgrims seeking Thy promised rest, regard us in mercy and grant unto us the benedictions of Thy Spirit. We thank Thee for the witness we have seen and heard to the wonderful power of Thy love for us; we thank Thee for the courage, the vision, the faith that this witness has prompted in us.

As now we adjourn this Annual Meeting and return to the places of our commitment, reassure us of the victory that is yet to be won, and of the Holy City yet to be reached. We know, O God, that we are not sufficient of ourselves, but must find all our sufficiency in Thee, and so we pray that Thou wilt assist us with Thy grace in all the good work that is yet to be done. Direct us in it by Thy wisdom, and support us by that strength which is divine. Cleanse us of every evil way; purge us of every weakness and every fear; and lift us above whatsoever else may hinder us from doing Thy Most Holy Will. Amen.

The meeting was adjourned by the retiring moderator at 3 P.M.

The Reverend Albert J. Penner, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of Massachusetts Congregational Christian Conference and of Massachusetts Congregational Christian Conference, Trustee, as at March 31, 1960, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at March 31, 1960, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at March 31, 1960, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Thirty-seven cents per member is asked this year of the Churches. Twenty-five cents of the thirty-seven goes to the General Council (formerly The National Council) and twelve cents is kept by the Conference. The collection of the twelve cents per member is the attempt of the Conference part of our organization to meet that part of its expenses related to the annual meeting, the publication of the minutes, support for the Board of Pastoral Supply, and to provide more ample annuities for our retired ministers.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts, and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1959–1960 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Where the pastor's service ended during the year, the reference "†" appears. Special grants are listed on page 58.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of the churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1960. Admissions and removals cover the year 1959. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1960, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:
"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

‖ When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked ‖ in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations, contributions to home expenses are usually for all the churches grouped together in the federated church.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

Origin of Domestic Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of fourteen persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

Note — The background imprint on the cover of the 1961 Minutes is a facsimile of the flyleaf of the famous book by Jonathan Edwards entitled "Freedom of the Will." The name written on the facsimile, Nathaniel Emmons, is that of the first President of our Massachusetts Missionary Society, now the Massachusetts Congregational Christian Conference.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Terminology

Whenever in these by-laws the word "Conference" is used it shall be held to refer to the Massachusetts Congregational Christian Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of a Congregational or a Congregational Christian Association of Churches in Massachusetts may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference and those persons who, prior to May 22, 1923, became life members of the Massachusetts Home Missionary Society, shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have membership in Congregational Christian Associations regularly holding ministerial standing.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, together with all persons heretofore constituted honorary members of the Massachusetts Home Missionary Society, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Massachusetts Fellowship of Congregational Christian Women (See Article VIII, Sec. 1, (b)), a President and five vice-Presidents of the Massachusetts Congregational Laymen's Council (See Article VIII, Sec. 2, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Woman's Work, a Minister of Missions and Stewardship, a Minister of Christian Education, an Associate in Christian Education and a Church Finance Adviser. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, one member from the Board of Directors of the City Missionary Society of Boston, Inc., and six members-at-large who shall be known for their special knowledge of financial affairs, of whom one shall be chosen each even-numbered year, and two each odd-numbered year. The President and vice-President of the Massachusetts Fellowship of Congregational Christian Women, the President and one other representative of the Massachusetts Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Congregational Center Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis.* One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms. The present Trustees shall remain in office until the expiration of their terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty. This method of choosing Trustees shall commence at the close of the 1933 Conference.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint sub-committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the Congregational churches of the Commonwealth.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

ARTICLE VI

1. The Moderator, or in his absence, one of the vice-Moderators, shall preside over all meetings of the Conference.

2. The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He shall be the representative of the Conference and of its Board of Trustees among all the churches (both those financially independent and those aided by the funds of the Conference) and in all denominational and interdenominational gatherings (including meetings of state Superintendents) unless representation is otherwise provided. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

direction of the President, to counseling with and assisting the churches in the area assigned to him, and shall perform such other duties as may be assigned to him by the Board of Trustees or the President. He shall have the custody of the records and of all bonds given by the treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. He shall make a report at each annual meeting of the Conference and shall make such other reports as the Conference or the Board of Trustees may from time to time require. He shall receive all contributions for benevolences sent to him by the churches and by individuals and shall disburse the same in accordance with the instructions of the donors. He shall give such bonds for the faithful performance of his duties as may from time to time be required by the Board of Trustees. The Assistant Treasurer shall perform such duties as may be assigned by the Treasurer, and act in his stead in event of incapacity or absence.

5. The Field Secretaries shall counsel with and assist the churches in the area which may from time to time be assigned to them by the Board of Trustees or the President.

7. The Director of Woman's Work shall have special charge of promoting missionary interests and all other activities among the women of the Congregational churches of the Commonwealth. She shall, under the direction of the President, assist, so far as she may be able, in the general work of the Conference.

8. The Minister of Christian Education and the Associate in Christian Education, if any, shall encourage and promote the whole program of religious education as well as Christian living and Christian activities among the Congregational churches of the State. He, or she, or they, shall, under the direction of the President, assist so far as able, in the general work of the Conference.

9. The Church Finance Adviser shall advise and assist churches in financial matters and programs under the direction of the President.

10. The Recording Secretary shall record the complete minutes of each annual meeting and shall transcribe and deliver the same to the Secretary. The Board of Trustees may, in their discretion, appoint a deputy to assist in the keeping of the records under the direction of the Recording Secretary.

ARTICLE VII

Retirement and Annuity

1. No person who has attained the age of seventy years shall continue as a member of the Executive Staff. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity, except in the case of ministers who are now members under the Original Plan. Toward each annual premium in the Annuity Fund of any member of the staff the Conference shall pay each year an amount equal to 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

3. Lay members of the office staff shall be expected to be, so far as practicable, members of the Retirement Fund for Lay Workers, and the Conference shall pay, as the annual premium for each lay worker who is a member of the Fund, 8% of the charge on his salary, less such amount as the Conference shall pay the United States for his Social Security.

ARTICLE VIII

Departments and Affiliated Organizations

1. There shall be a Department of Woman's Work of the Conference. It shall be called the Massachusetts Fellowship of Congregational Christian Women.

   (a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members of the Massachusetts Fellowship of Congregational Christian Women shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President of the Massachusetts Fellowship of Congregational Christian Women, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership of the Massachusetts Fellowship of Congregational Christian Women in whatever manner it may deem needful for the effective carrying on of its work.

   (b) The Massachusetts Fellowship of Congregational Christian Women shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

2. There shall be a Department of Laymen's Work of the Conference. It shall be called the Massachusetts Congregational Laymen's Council.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of Congregational laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Massachusetts Congregational Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, five Vice Presidents, a Secretary and a Treasurer.

3. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Massachusetts Congregational Christian Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Massachusetts Congregational Christian Conference.

ARTICLE IX

Meetings

1. The Conference shall hold its regular annual meeting for the choice of officers, the hearing of reports, the discussion of matters of general interest and the transaction of other business at the appointed place on the third Monday of May, or at such other time in the month of May as the Board of Trustees may deem expedient.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield, respectively.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall propose to the churches the annual contribution for the expenses of the General Council and for such expenses of the Conference and other purposes, as may be deemed equitable. The Trustees shall at each annual meeting present a recommendation as to the action to be taken at such meeting with reference to the allotment to be made at that meeting, unless the Conference shall have directed at a previous meeting that such recommendation be made by a designated committee.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

   (a) A Committee on Credentials, to which all credentials shall be referred.

   (b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

   (a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

   This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting three members shall be elected to serve for three years. The duty of the Committee shall be to foster religious and missionary education in the churches and in the associations of Massachusetts. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of thirty-one members: ten at large, three of whom shall be laymen or lay-women, two of the ten to be elected at each annual meeting for a term of five years; the remaining twenty-one to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our Congregational ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a Congregational Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A committee on Evangelism and Devotional Life, consisting of one member from each association, who shall be either the chairman of the association committee on Evangelism and Devotional Life, or, where such a committee does not exist nor function, one from the association who has an interest in this area of church life, such a latter person to be recommended by the moderator of each association upon request of the Nominating Committee. The term of office shall be three years, and the alphabetical list of associations shall be divided into three groups, and these three groups shall rotate in making their elections. In addition there shall be six members-at-large, for a term of three years, two each year.

It shall be the duty of the committee to advance the interest of the churches to witness to the gospel of our Lord Jesus Christ in the communities where our churches exist, to seek to evangelize the unchurched and the inactive memberships of our churches by means and methods commensurate with those of our national Commission on Evangelism and Devotional Life.

(g) A Missionary Committee. Each of the twenty-one Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, representing the Massachusetts Fellowship of Congregational Christian Women, the Laymen's Council, and the Pilgrim Fellowship, respectively.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work of missions at home and abroad.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Committee on the Urban Church, consisting of nine members of whom three shall be elected at each Annual Meeting for a term of three years. It shall be the duty of this committee to study the special problems and opportunities for Christian service of churches in the urban areas and to offer such practical helps as may be possible and welcomed by the churches in these areas.

(j) A Conference Centers Committee. The operation and management of the Conference Center at Framingham and of the Craigville Inn property at Craigville on Cape Cod shall be in the hands of a State Conference Committee, to be called the Conference Centers Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty-five members, approximately one-third ministers, one-third laymen, and one-third lay-women—one member from each Association to be nominated annually by the Association, and fifteen members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms.

The Chairman of the Conference Centers Committee shall be a member ex-officio of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Centers Committee shall elect its own officers and sub-committee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(k) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as it relates to local Congregational Christian Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be lay-women and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

ARTICLE XI

Board of Ministerial Aid

The Board of Ministerial Aid shall be the agent of the Conference in the work of aiding needy ministers and their families and shall make an annual report to the Conference. On notice of a vacancy in the membership of the Board of Ministerial Aid, the Conference shall nominate a person to fill the vacancy.

ARTICLE XII

Boston Seaman's Friend Society

The Boston Seaman's Friend Society shall be the agent of the Conference in the work of promoting the spiritual and temporal welfare of seamen and shall make an annual report to the Conference. The Conference shall annually elect five members of the Society for a term of three years each.

ARTICLE XIII

Board of Pastoral Supply

The Conference shall elect seven members to represent it on the Congregational Board of Pastoral Supply, two members to be elected each year to serve for a period of three years, and a third member to be elected in any year to serve for a period of three years whenever necessary to satisfy the requirement of seven members. The Board shall, through its Secretary, make an annual report to the Conference.

ARTICLE XIV

3. All matters of business referred to the Business Committee shall be reported for action before the final adjournment of the annual meeting.

4. As far as possible, all business of the Conference shall be completed by noon of the second day of the annual meeting.

ARTICLE XVI

(b) When a question is before the Conference the Moderator shall entertain motions only as follows: — to adjourn, to table, for the previous question, to postpone to a fixed time, to commit, to amend or to postpone indefinitely; these several motions shall have precedence in the foregoing order.

ARTICLE XVII

Rev. Arthur W. Bowler, Chairman of the Board of Trustees, offered the following recommendation from the Board of Trustees and it was adopted:

THE UNITED CHURCH OF CHRIST

WHEREAS, it is desirable that, upon the action of the General Synod of the United Church of Christ declaring the Constitution in effect, there be conferences of the United Church of Christ, and

WHEREAS, it is provided in the prospective Constitution that conferences in existence at that time may act as conferences of the United Church of Christ, and

WHEREAS, every Conference has complete freedom to be in fellowship with any Congregational Christian local church which is not a part of the United Church of Christ and which desires to be in fellowship with it; and

WHEREAS, it is provided in the Basis of Union and Interpretations:

> "(f) Congregational Christian churches do not go out of existence at the time of the union of the two communions. In consummating this union the

Congregational Christian Churches and the Evangelical and Reformed Churches are uniting without break in their respective historic continuities," and

WHEREAS, in order to effectuate the foregoing principle it is suitable and appropriate that in addition to the work it has hitherto carried on this Conference perform the functions of an acting United Church of Christ Conference.

Therefore, be it RESOLVED at the Annual Meeting of the Massachusetts Congregational Christian Conference, held at Northampton on May 15, 1961, as follows:

1. The Conference now declares itself to be a conference of the United Church of Christ.

2. The Conference furthermore declares its desire to continue in fellowship with, and in the future to accept fellowship with, any Congregational Christian church or churches which have declined to be a part of the United Church of Christ or have taken no action with regard thereto.

3. The Conference expresses to every Massachusetts Congregational Christian Church which is not a part of the United Church of Christ that it desires to continue in fellowship with it, and accepts as its own the provision of Paragraph 19 of the prospective Constitution of the United Church of Christ that no direct or indirect participation by any such church in, or support of, the work of the United Church of Christ, or any of its instrumentalities, or of any conference or association, shall be construed as making it a church of the United Church of Christ.

4. That this Resolution be inscribed in the permanent records of the Conference, and that copies thereof be sent to the Co-Secretaries of the United Church of Christ, the Scribe of every Massachusetts Congregational Christian Association and the Clerk of every Massachusetts Congregational Christian Church.

Rev. M. Webb Wright, Chairman of the Business Committee, presented copies of resolutions on Constitutional Rights and Liberties, The United Nations, Literature Featuring Obscenity and Violence, Organized Gambling and Crime which have been passed at our Annual Meetings in previous years. It was voted that they be referred again to the churches for study and action.

CONSTITUTIONAL RIGHTS AND LIBERTIES

When our national security is threatened within and without the land Christian people and Christian Churches ought to give special attention to the foundations upon which our society rests. These foundations are freedom, justice, human rights and civil liberties, which in turn, depend upon the moral and spiritual foundations of our Christian faith. It is especially important for us to strengthen and declare such faith in a time of fear and insecurity that we may "hold fast to the liberty wherewith Christ hath set us free."

One of the basic concepts of our religious faith is that man is a son of God, made in the image of God and therefore worthy of the respect of other men and of a chance to live his life with dignity and freedom. We hold that loyalty to this basic truth is necessary to preserve political freedom as set forth in the American Declaration of Independence, the Constitution of the United States and the Bill of Rights.

Moved by this faith we deplore intimidation, careless accusations, abuse of political power, release of unevaluated information in committee files, malicious slander, premature assumption of guilt, the judgment of people on the basis of association rather than character and conduct. Such practices violate our religious convictions, our democratic traditions, and our constitutional rights and liberties.

We deplore the practice of casting suspicion upon those who do not conform to majority viewpoints, of interpreting honest mistakes as intentional disloyalty, of condemning persons now for acts which were lawful and acceptable when committed.

We believe that society profits from diversity of opinion, from the interplay of free minds and from the use of truth to counteract error. An atmosphere of confidence and freedom in our churches, schools, libraries, industries and in our institutions of government is a necessary condition for a strong and secure nation.

We call upon our people to be steadfast in their loyalty to freedom, express their honest views, encourage and honor others who do the same, and support those programs of education and action in our churches and society which will strengthen our fundamental faith, our sense of justice and our essential liberties.

UNITED NATIONS

We reaffirm our support of the United Nations as an indispensable instrument for the discussion of international problems and for cooperative action on behalf of world peace and welfare. We believe the United Nations to be an important means through which Christians can make meaningful and practical their devotion to human brotherhood and mutual aid. We believe the United Nations can give most effective service as it becomes increasingly universal in membership. We applaud the purposes and program of UNESCO and acclaim its program for education, better health, crops and child care and its work toward free schooling for all children. We further urge that our churches support the program of the United Nations Children's Fund (UNICEF) by promoting the study of UNICEF in the churches and schools, and by organizing in their local communities the nation-wide Halloween Treat for the World's Children.

LITERATURE FEATURING OBSCENITY AND VIOLENCE

We condemn the unspeakable selfishness and disregard for the sacredness of personality and welfare of society which is revealed in the present large scale promotion and distribution of obscene literature and in the flood of motion picture and television presentations based on violence and criminal activity. All of this detracts from the dignity and decency which ought to be marks of our Judaeo-Christian and democratic culture and stimulates lawlessness and crime.

We urge upon all parents a responsible oversight of their children's reading habits and entertainment, also a stricter enforcement of the laws against obscenity and more imaginative and realistic thinking and planning on the part of community leaders in respect to creative and interesting programs and activities for young people.

ORGANIZED GAMBLING AND CRIME

The future security and cultural vitality of our country are endangered by steady annual increases in the crime rate amounting to three times the annual population increase. Approximately three million major criminal offenses are committed each year in the United States. The annual cost of crime is estimated by the F.B.I. at $22,000,000,000 or an average cost of $506 for each American family.

Various national and state-wide studies of the problem of crime have indicated that the basis of organized crime in the United States is widespread organized gambling, which extracts many billions of dollars from the American public, while corrupting government, weakening the national economy and injuring the moral quality of community life.

In view of the seriousness of these problems, we condemn organized gambling as an internal enemy of our country and its people. We commend the New England

Citizens Crime Commission for its part in the recent exposure of the gambling problem and for its efforts in behalf of more effective law enforcement.

Our appreciation is expressed to the Internal Revenue Service and to the Massachusetts State Police, to local police and to the courts for their great service to the Commonwealth through recent successful raids on gambling establishments and punishment of offenders.

Since it is an axiom, agreed upon by various crime commissions, that widespread organized gambling can not exist in an American community without the knowledge of the police, we call upon our church people as citizens of our communities to demand effective police action against the operators of illegal gambling.

We urge our churches to support the educational program of the Massachusetts Council of Churches designed to share with the citizens of this Commonwealth the facts related to organized gambling as a moral, social, economic and political evil.

RESOLUTION ON RESOLUTIONS

WHEREAS, we confess the ease with which we pass resolutions without personal involvement, and,

WHEREAS, the natural thrust of our faith is to impel us to work for the improvement of the great social and moral concerns,

Be it RESOLVED, that we, the delegates to the 161st Annual Meeting of the Massachusetts Congregational Christian Conference, hereby accept responsibility for the resolutions that we have passed, and purpose in our own lives to keep ourselves informed upon these areas of need, and to speak and preach the intent of these resolutions to the end that their impact may be real and some greater good break forth from our deliberations.

It was moved and voted to withdraw the following resolution sent to the General Council in 1953 by our Board of Trustees:

"*VOTED* — That the Trustees of the Massachusetts Congregational Christian Conference propose to the General Council of Congregational Christian Churches the following amendment to Article III, Section 1C of its Constitution: ' . . . each church having less than 1000 members shall be invited to nominate to the Association two delegates. . . .' "

The following resolution presented by the Rev. Paul E. Barnes, Chairman of the Committee on Christian Education was adopted:

LEADERSHIP FOR SUMMER CONFERENCES

WHEREAS, the summer youth conferences planned by the Massachusetts Congregational Christian Conference have proved most effective in inspiring young people to become faithful churchmen and leaders in church vocations, and

WHEREAS, thirteen hundred young people are now being served and many more could be served if leaders were available, and

WHEREAS, only eighty-five churches have contributed leadership for conferences while two hundred and twelve churches have sent delegates,

Be it RESOLVED, that we call upon our churches to consider more seriously the necessity for providing the necessary counselors and leaders and to seek out those who may be able to serve in this capacity.

The following resolution regarding the Alcohol Problem was adopted as presented by the Social Action Committee:

THE ALCOHOL PROBLEM

In view of the alarming present day increase in alcoholism (approximately 4% a year) and the large extent to which the misuse of alcohol is the cause of death on the highways (more than 50%) as of other accidents, and

In view of the causal relation between alcohol, crime, broken homes and a variety of welfare problems,

Therefore, be it RESOLVED, that we urge upon our churches:

(1) More effective programs of alcohol education.

(2) More sympathetic and understanding help for families burdened with a problem of alcoholism.

(3) More efficient enforcement of the laws related to the sale of alcoholic beverages to minors and intoxicated persons.

(4) More educational programs in schools and churches to acquaint young people with the facts related to the use of beverage alcohol.

(5) More financial support for the Massachusetts Temperance League to enable it to employ adequate executive leadership to make possible a strong state-wide effort to curb the alcohol problem.

The moderator introduced Dr. Ray Gibbons, Director of the Council of Christian Social Action who addressed the Conference on the topic "Fault Lines in the Cultural Crust."

The Rev. William T. Howe, Chaplain, led in prayer and following the singing of a hymn, the Conference recessed at 12:05 P.M. to attend luncheon meetings sponsored by the following Conference Committees and Conference-related groups: Christian Education, Churches and Colleges, Church Historians, Social Action, Evangelism, Stewardship and Missionary Education, Town and Country Church, Urban Church.

The Conference reconvened at 3:00 P.M. The Rev. Mr. Howe led in prayer and the Moderator called for the report of the Nominating Committee. Printed ballots and mimeographed copies of the report of this committee were passed out. It was moved and seconded that the report be accepted and the secretary cast one ballot for those nominated. (See names as listed on Pages 16-28 of the Conference minutes.)

Following discussion, the following resolutions from the Social Action Committee were adopted:

CAPITAL PUNISHMENT

We believe that the death penalty is both a symbol and an expression of an outmoded, ineffective, and unchristian approach to the problem of capital crimes.

We believe that it is not a deterrent to the crime of murder. (Many studies have so indicated.) It makes more difficult the securing of convictions in cases of capital offenses. Its use is repugnant to the Christian conscience and is demoralizing in its effect on society, especially in those cases where persons are put to death in spite of widespread uncertainty as to their guilt.

We regret the unwillingness of the Massachusetts General Court to act favorably upon any of the legislative proposals offered in recent years to abolish the death penalty. We favor submitting this issue to the people through a referendum on the ballot in November, 1964, and urge the cooperation of our churches in securing the required number of signatures to a popular petition to make such a referendum possible.

CORRUPTION IN PUBLIC LIFE

WHEREAS, in recent months many well-documented books, magazine articles and newspaper editorials have presented evidence of a vast corruption in our present day society based on dishonesty, deception, fraud, and exploitation of the public trust (see attached list), and

WHEREAS, this widespread corruption appears to be deeply entrenched in many areas of the economy, of government, and of community life, and

WHEREAS, it influences many individuals to engage in practices that violate their own consciences, while undermining the health of the economy, increasing the tax rate, destroying honest government, and rendering our nation less capable of meeting its world responsibility,

Therefore, be it RESOLVED, that we urge ministers and churches to give increased attention in sermons, educational programs and action projects to developing understanding and loyalty for the basic ethical concepts underlying our religious faith and necessary for maintenance of free society.

Be it further RESOLVED, that we urge Christian citizens everywhere to help expose, attack and destroy the entrenched corruption in our society by every honorable means available.

"The Operators" by Frank Gibney (10 copies in Congregational Library)

"The Waste Makers" by Vance Packard

"Dirty Money in Boston" by Charles L. Whipple, and "The Judge's Opinion" by Charles E. Wyzanski, Jr.

"Gambling, Inc. — Treasure Chest of the Underworld" by Fred J. Cook, "*The Nation*," Oct. 22; being republished in book form.

CHURCH AND STATE

WHEREAS, Christian doctrine related to God's sovereignty and his provision for man's salvation requires maximum freedom for men to make their own choices and decisions, and

WHEREAS, the 1st amendment to the United States Constitution reflects these religious concepts and calls for independence between the institutions of religion and the institutions of the state ("Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof . . .," and

WHEREAS, under the pressure of national and human problems, contemporary governments are subject to the temptation to try to take the place of God while limiting or denying freedom for their people, and

WHEREAS, all history teaches that when freedom is lost much suffering and sacrifice are usually required for its reestablishment;

Therefore, be it RESOLVED, that:

We dedicate ourselves anew to the defense of the principle of religious independence and freedom and oppose all infringements upon the principle of separation of church and state, and

We pledge ourselves with the utmost determination to oppose all efforts to secure public funds in support of religious institutions, and

We urge all religious bodies to review their own practices and to make sure that they observe, both in spirit and in practice, the principle of separation of church and state.

RACIAL AND CULTURAL RELATIONS

Massachusetts has been notable for its legislation against discrimination on the basis of race, religion, and national origin. Various organizations and committees in the Commonwealth have also been actively working for democracy for all people. But the progress in actually overcoming discriminatory practices and policies has had only a small beginning. There is need for a united effort by our churches to bear active witness to the Gospel of love, mercy, and justice for all men.

The churches can play a vital role through a ministry of reconciliation — surmounting the barriers of prejudice with bridges of personal acquaintance and mutual understanding.

Accordingly, we call upon our churches and their members to consider, with humility and prayer, the following policies and projects as guideposts for Christian leadership:

(1) Serving and welcoming into membership and responsible participation all people regardless of race, color, national origin, or social and economic status.

(2) Promoting democracy and inclusiveness also in clubs, planning committees, hospital and welfare boards, social agencies, parent-teachers associations, and other organizations in the local community.

(3) Engaging in inter-racial activities with other parishes, and inter-faith activities with clergy and laymen of non-Protestant congregations.

(4) Encouraging people of the parish, both white and colored, to become members of the nearest branch of the National Association for the Advancement of Colored people, and to attend its meetings and share in its projects and concerns.

(5) Taking part in activities to break down the segregation patterns in housing — such as: (a) Signing affirmations which welcome good neighbors without discrimination on the basis of race, religion and national origin; (b) Agreeing to sell or rent houses and apartments without such discrimination; and (c) Active membership in a local fair housing practices committee.

The Moderator called on the Rev. Baldwin W. Callahan, Minister of Missionary Education and Stewardship who, assisted by the Rev. Alden C. Hebard, Franklin, and the Rev. Hugh B. Penney, Holden, outlined the proposed Program of O.C.W.M. Advance to be launched this year.

The Moderator presented Mr. Robert C. Shoemaker, Regional Director of the Christian Higher Education Fund Campaign who, assisted by the Rev. Herbert R. Smith, Needham, Rev. Hugh B. Penney and Dr. Albert J. Penner, summarized the CHEF program thus far and indicated the way in which it is expected the CHEF giving will become a part of the OCWM Advance. It was announced that our Conference has reached 91% of its CHEF goal and that plans are being made in the field of special gifts, etc. to complete the task. Heartfelt appreciation was expressed by Dr. Penner on behalf of the Conference for the superb work done by the Coordinators, the Committee and in particular the Chairman of the Committee, Dr. Herbert R. Smith, the Chairman of the Coordinators, Rev. Hugh B. Penney and the Director of the campaign, Mr. Robert C. Shoemaker.

The meeting recessed at 5:00 P.M. for the Fellowship Dinner held at 5:45 P.M. at which time the following ministers in the 50th year of their ordination were recognized: Rev. Richard H. Bennett; Rev. Arthur W. Dycer; Rev. David Pike; Rev. Laurence D. Somers; Rev. George A. Tuttle.

Rev. Mr. Tuttle responded with well chosen words expressing the satisfaction inherent in the Christian ministry.

Dr. Kenneth D. Beckwith presented the minister, the Rev. John R. Shears, and the lay delegates of the Montgomery Community Church and officially welcomed this church and its people into the fellowship of the Conference.

Dr. and Mrs. Proculo Rodriguez, our missionaries from the Philippines, were presented and a purse was given them on behalf of friends by the Rev. Baldwin W. Callahan. Following a brief response by Dr. Rodriguez, a standing ovation was accorded them.

The Rev. Clarence W. Fuller, newly elected Moderator of the Conference was recognized.

The evening service began at 8:00 P.M. in the First Church of Christ at which time the Second Mile Gift of the Women's Fellowship was presented in a meaningful worship service. An offering was received for the Board of Ministerial Aid. Mr. Lincoln S. Cain, Pittsfield, Chairman of the Committee to Implement the Union, gave his report of the work of that committee and announced that it is expected that 450 churches will have voted affirmatively for the United Church of Christ by June 1 and a possible 37 will have voted NO. Between 510–525 churches will have taken some kind of action by the June 1st deadline. The evening address was given by Dr. Robert V. Moss, Jr., President of Lancaster Theological Seminary, Lancaster, Pennsylvania on the subject, "The Christian Church Looks Forward."

TUESDAY MORNING

Dr. Penner conducted the Communion Service at 8:30 A.M. assisted by the Rev. Kenneth R. Henley, Greenfield, who gave the Communion meditation.

The business session began at 9:45 A.M. and the Moderator recognized Dr. Malcolm Matheson, Worcester, who invited the Conference to hold the 1962 Annual Meeting in Worcester. Appreciation for this invitation was expressed by the Moderator and it was unanimously referred to the Trustees.

Dr. Fowell reminded the ministers and delegates that copies of all resolutions passed at this Annual Meeting will be mailed to all churches within a day and urged that a report be given in each church of the actions taken at this Meeting.

The Rev. M. Webb Wright, Chairman of the Business Committee, presented the following resolutions which were adopted as follows:

CHRISTIAN WORLD MISSION ADVANCE

WHEREAS, the Trustees of the Massachusetts Congregational Christian Conference have given formal approval to Our Christian World Mission Advance in Massachusetts (at their meeting in November, 1960) as approved by the State Committee on Stewardship and Missionary Education,

Therefore, be it RESOLVED, that the Massachusetts Congregational Christian Conference at this Annual Meeting at Northampton on May 16, 1961 endorse this program for Our Christian World Mission Advance looking forward to a vital program of education in our churches resulting in the attainment of a goal of $2,000,000 in annual giving to this project by 1965.

AID FOR CUBAN STUDENTS IN MASSACHUSETTS

WHEREAS, the political situation in Cuba has created severe hardships for many Cuban students currently studying in the United States as they can no longer receive financial aid from their own families, and

WHEREAS, it is estimated that there are about 50 Cuban students attending colleges and universities in Massachusetts, and

WHEREAS, the education and specialized training of these students in the United States will enable them to be of great assistance in the rebuilding and development of their homeland when the present situation changes making possible a new freedom,

Therefore, be it RESOLVED, that:

(1) The Massachusetts Congregational Christian Conference expresses its concern to the chaplains of our colleges and universities for the problem of our Cuban students, and

(2) That this Annual Meeting of the Conference urge upon our churches the acceptance of responsibility for helping these students in one or more of the following ways:

a. Summer employment
b. Cash gifts toward their expenses during the next academic year
c. Provision of free room with breakfast and commuting expenses for definite periods of time between next September and June.

(*Note* — Contributions may be sent to the Foreign Student Advisor, International Student Center, Boston University or to comparable persons at other educational institutions known to have Cuban students on the campus.)

APPRECIATION FOR JAMES A. MICHENER'S NOVEL, "HAWAII"

Within the art form of literature, James A. Michener with his novel *Hawaii*, has again made a significant literary contribution. Because his work has touched upon the American Board of Commissioners for Foreign Missions, and the earlier days of Congregationalism, and

Because his handling of this material of history in his novel has been done with great respect and sensitivity, and honest presentation, doing justice to the Christian contributions to society in a movement of the past;

Be it RESOLVED, that the Massachusetts Congregational Christian Conference sitting in its 162nd Annual Meeting, in the church at Northampton, May 16, 1961, end words of appropriate appreciation to Mr. Michener for his work of art.

OPERATION ABOLITION

WHEREAS, the concept of a commonwealth under God's judgment is a priceless heritage of the early Puritan colonies, and

WHEREAS, the corollary of this tradition in American democracy bespeaks a scrupulous concern for truth and justice in all acts of all agencies of government,

Because the film, "Operation Abolition," sponsored by the House Un-American Activities Committee, distorts the truth of the events surrounding its meeting in San Francisco on May 12–14, 1960,

Because charges in the film reflect adversely upon the reputations of students and upon their efforts to exercise active political concern in the future, and,

Because this film implies that criticism of the House Un-American Activities Committee must be communist inspired, and

Because the House Un-American Activities Committee is guilty of the abuse of its right of investigation;

Now be it RESOLVED, noting and agreeing with the disapproval of the disturbances at the committee hearing and the repugnance for communism, we deplore the action of the House Un-American Activities Committee whose sponsorship of this film reflects discredit upon a unit of government. We abhor the practice, by any agency of the Congress, which, while informing the nation concerning the dangers of communism, employs the methods of misrepresentation and deception as do the communists.

We further urge that if the film "Operation Abolition" is shown, a full and fair presentation of available facts relevant to these questions is provided before and at the time and that reference be made to the statement by the National Council of Churches of Christ in the U.S.A.

HOSPITALITY

The 162nd Annual Meeting of the Massachusetts Congregational Christian Conference has enjoyed the gracious hospitality of the First Church of Christ in Northampton — celebrating the 300th Anniversary of its founding — and other Host Churches, Edwards Church and Florence Congregational Church, we therefore express our deep appreciation to these churches and their respective ministers, the Rev. Edwin H. Sponseller, the Rev. Richard K. Beebe and the Rev. Robert F. Berkey.

to Mr. William D. Hays, Moderator; Rev. William T. Howe, Chaplain; Miss Mildred Bidwell, Organist; Mrs. Esther Strong Norris, Soloist and Choir Director; our distinguished speakers for their contributions to the program and for the high spiritual level of our sessions.

to our President and Minister, Dr. Albert J. Penner; our Secretary, Dr. Myron W. Fowell; and the entire Conference Staff.

Be it, therefore, RESOLVED, that we memorialize this Annual Meeting in Northampton, Massachusetts, with this note of genuine gratitude and request that it be spread upon the pages of the Minutes and Reports of the Massachusetts Congregational Christian Conference.

The Rev. Arthur W. Bowler, Chairman of the Board of Trustees presented the following two recommendations from the Board of Trustees and they were adopted as follows:

FELLOWSHIP DUES

It was VOTED, that the Fellowship dues for the year 1961–62 be 37 cents per member: 25 cents for the General Council and 12 cents for the Conference.

THE CONFERENCE SHARE OF OUR CHRISTIAN WORLD MISSION

It was VOTED, that the Conference take from the undesignated gifts to Our Christian World Mission an amount sufficient to make the total appropriation to the Conference equal to 22% of the total giving to Our Christian World Mission.

The Credentials Committee gave the following report:

360	Ministers present
470	Lay delegates present
500	Guests present
35	Ex-officio delegates present
1,365	Total

Dr. Fowell, on behalf of the Conference, expressed sincere appreciation to Mr. Joseph Dickinson of Northampton for his monumental work which had made this Annual Meeting one of the largest in attendance and one of the best organized in the history of our Conference.

It was announced that the Sunday evening offering for CHEF amounted to $580.00 and the offering for the Board of Ministerial Aid amounted to $456.00.

Dr. Penner presented the Rev. Malcolm W. Garland and the lay delegates from the First Church in Lynn which recently celebrated its 329th Anniversary and dedicated a new church sanctuary and parish house.

The Moderator introduced Dr. Thomas J. Liggett, President of the Evangelical Seminary in Puerto Rico who brought a stimulating address, "Protestant Awakening in Latin America."

The Chaplain offered the closing prayer —

O God, our help in ages past, our hope for years to come, unto Thee we render thanks for all that has been accomplished during this Conference — for stimulation to our minds, for the enlarging of our experiences, for the expansion of our horizons, and for the kindling of enthusiasm. Once again Thou hast shown us the excellence of Christ.

Send us now back to our responsibilities, rejoicing that Thou hast given to us a place of usefulness, work to do, and the strength whereby to do it. Help us to do simple things in a redemptive way, to perform common duties in an uncommon spirit, and to face a confused and disordered world with triumphant souls.

Empower each of Thy churches, as inspired by the larger fellowship, it preaches good news to the poor, proclaims release to the captives and recovery of sight to the blind, and as it sets at liberty those who are oppressed.

We who cannot finally shape events nor order destiny, turn to Thee, the Maker of the unknown future. What in Thee we propose, do Thou perform. What in Thee we haltingly seek to do, by Thy Might bring to pass. Be within us to strengthen us; be over us to guide us; be beneath us to sustain us.

Spirit divine, since great work needs to be done, lay hold upon our minds, that we may think more deeply, proclaim our faith more intelligently, and work more effectively for the enrichment of the life of mankind, and for the advancement of Thy kingdom.

And now we ascribe unto Thee, our God, honor and majesty, dominion and power, both now and forever. Amen.

Mr. Hays, the retiring Moderator, passed the gavel to the new Moderator, the Rev. Clarence W. Fuller, Melrose, and the meeting adjourned at 12:05 P.M.

A special luncheon was held at 12:30 P.M. in honor of Dr. Liggett.

The Reverend Albert J. Penner, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of Massachusetts Congregational Christian Conference and of Massachusetts Congregational Christian Conference, Trustee, as at March 31, 1961, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at March 31, 1961, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at March 31, 1961, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Thirty-seven cents per member is asked this year of the Churches. Twenty-five cents of the thirty-seven goes to the General Council (formerly The National Council) and twelve cents is kept by the Conference. The collection of the twelve cents per member is the attempt of the Conference part of our organization to meet that part of its expenses related to the annual meeting, the publication of the minutes, support for the Board of Pastoral Supply, and to provide more ample annuities for our retired ministers.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

Aids Worcester churches financially, promotes cooperation among churches, and sponsors interchurch activities in Worcester and vicinity.

Contributions for home missions from the churches in Worcester, to be credited on the apportionment, should be sent to the Massachusetts Congregational Conference and Missionary Society. Contributions for the local work, given in addition to the apportionment and not to be credited as a part of it, should be sent to the treasurer of the Worcester City Missionary Society.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts, and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1960–1961 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Where the pastor's service ended during the year, the reference "†" appears. Special grants are listed on page 58.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;

2. The Associations of the churches, with the names of officers;

3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";

4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1961. Admissions and removals cover the year 1960. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1961, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:

"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

|| When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations, contributions to home expenses are usually for all the churches grouped together in the federated church.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

Origin of Domestic Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of fourteen persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Purpose and Terminology

1. The purposes of the Conference are as stated in its Charter.

2. Whenever in these By-Laws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All churches which are members of associations in voluntary fellowship with and recognized by the Conference, whether or not such churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these By-Laws.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of an association in fellowship with the Conference may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have ministerial standing in an association in fellowship with the Conference.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Women's Fellowship (See Article VIII, Sec. 2 (b)), a President and five vice-Presidents of the Laymen's Council (See Article VIII, Sec. 3, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Women's Work who shall also serve as Co-Executive Secretary of the Council for Lay Life and Work, a Director of Laymen's Work who shall also serve as Co-Executive Secretary of the Council for Lay Life and Work, a Minister of Missions and Stewardship, a Minister of Christian Education, an Associate in Christian Education, a Church Finance Adviser and such other officers as the Conference may from time to time elect. Any of the said Executive Offices except those of President, Secretary and Treasurer may be abolished by vote of the Conference. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, one member from the Board of Directors of the City Missionary Society of Boston, Inc., and 12 (twelve) members-at-large, six of whom shall be known for their special knowledge of financial affairs, of whom 2 (two) shall be chosen each even-numbered year, and 4 (four) each odd-numbered year. The President and vice-President of the Women's Fellowship, the President and one other representative of the Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Conference Centers Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis*. One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board of Trustees shall perform this duty.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the churches of the CONFERENCE.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

ARTICLE VI

Duties of Officers

1. The Moderator, or in his absence, one of the vice-Moderators, shall preside over all meetings of the Conference.

2. The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He shall be the representative of the Conference and of its Board of Trustees among all the churches (both those financially independent and those aided by the funds of the Conference) and in all denominational and interdenominational gatherings (including meetings of CONFERENCE Superintendents) unless representation is otherwise provided. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

direction of the President, to counseling with and assisting the churches in the area assigned to him, and shall perform such other duties as may be assigned to him by the Board of Trustees or the President. He shall have the custody of the records and of all bonds given by the treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. Retirement and Annuity

1. No person shall continue as a member of the Executive Staff beyond the close of the Annual Meeting following his 70th birthday. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity. ARTICLE VIII

Affiliated Organizations

1. There shall be a Council for Lay Life and Work which shall be responsible for increasing, developing and co-ordinating the activities and participation of lay women and laymen in the churches of the Conference as a means of witnessing effectively for Jesus Christ in all areas of work.

(a) The Council shall be composed of six members designated by the Women's Fellowship, including its President and Vice-President, six members designated by the Laymen's Council, including its President and a Vice-President, and twelve members elected at the Annual Meeting of the Conference, of whom eight shall be ministers, two lay women and two laymen. They shall serve for a term of one year and shall not be eligible for re-election more than twice.

(b) The Director of Women's Work and the Director of Laymen's Work shall serve as Co-Executive Secretaries. The Council shall elect its own Chairman for a term of one year, alternating annually between a layman and a lay woman.

2. There shall be a Department of Women's Work called the Women's Fellowship.

(a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership in whatever manner it may deem needful for the effective carrying on of its work.

(b) The Women's Fellowship shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex-officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

3. There shall be a Department of Laymen's Work called the LAYMEN'S COUNCIL.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, five Vice Presidents, a Secretary and a Treasurer.

4. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Conference.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

4. At each annual meeting the Conference shall adopt and propose to the churches the annual rate of Fellowship dues for the expenses and other purposes of the Conference. The Conference, upon recommendation of the Board of Trustees, shall at each annual meeting determine the amount to be retained from the O C W M giving of the churches.

ARTICLE X

Committees

1. Immediately after the opening of the annual meeting the Moderator shall appoint:

(a) A Committee on Credentials, to which all credentials shall be referred.

(b) A Business Committee, the duty of which shall be to prepare and present at each session all matters of business not presented through some other committee of the Conference.

2. The following standing committees shall be elected by viva voce vote:

(a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. At each annual meeting two members shall be elected to serve for three years. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting four members shall be elected to serve for three years. The duty of the Committee shall be to foster the growth and development of Christian education in every department of the life of the churches and associations, as a means to the deepening and strengthening of Christian life and witness. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of approximately thirty members: ten at large, three of whom shall be laymen or laywomen, two of the ten to be elected at each annual meeting for a term of five years; the remaining to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a MEMBER Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A committee on Evangelism and Devotional Life, consisting of one member from each association, who shall be either the chairman of the association committee on Evangelism and Devotional Life, or, where such a committee does not exist nor function, one from the association who has an interest in this area of church life, such a latter person to be recommended by the moderator of each association upon request of the Nominating Committee. The term of office shall be three years, and the alphabetical list of associations shall be divided into three groups, and these three groups shall rotate in making their elections. In addition there shall be six members-at-large, for a term of three years, two each year.

It shall be the duty of the committee to advance the interest of the churches to witness to the gospel of our Lord Jesus Christ in the communities where our churches exist, to seek to evangelize the unchurched and the inactive memberships of our churches by means and methods commensurate with those of our national OFFICE on EVANGELISM.

(g) A Committee on our Christian World Mission. Each of the twenty Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, one representing each department of the Council for Lay Life and Work, and one the Department of Young People's Work.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work and support of OUR CHRISTIAN WORLD MISSION.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Committee on the Urban Church, consisting of nine members of whom three shall be elected at each Annual Meeting for a term of three years. It shall be the duty of this committee to study the special problems and opportunities for Christian service of churches in the urban areas and to offer such practical helps as may be possible and welcomed by the churches in these areas.

(j) A Conference Centers Committee. The operation and management of the Conference Center at Framingham and of the Craigville Inn property at Craigville on Cape Cod shall be in the hands of a State Conference Committee, to be called the Conference Centers Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty-five members, approximately one-third ministers, one-third laymen, and one-third laywomen—one member from each Association to be nominated annually by the Association, and fifteen members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms.

The Chairman of the Conference Centers Committee shall be a member ex-officio of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Centers Committee shall elect its own officers and sub-committee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(k) A Committee on Churches and Colleges, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to study the needs and opportunities for developing a stronger religious program among students at the college and university level, especially as THIS relates to OUR local Churches; to cooperate with denominational and interdenominational agencies working in this specialized field; and to review requests for conference aid for the support of student projects within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be laywomen and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

Three Special Programs in advance of the Official Meeting were held on Sunday, May 20, 1962 as follows:

SEMINAR FOR MINISTERS

A seminar for ministers was held at 4:30 P.M. in the Chapel at Chestnut Street Church. Approximately one hundred fifty ministers were present and a larger group gathered for the ministers' supper at 5:45 P.M. and the program which followed.

"A Learning and Witnessing Community" was the topic of the panel presentation by five members of the Conference Staff at the afternoon session.

Following the supper, the Rev. N. Gordon Cosby, Pastor, The Church of the Saviour, Washington, D. C., gave an address in which he discussed the work of the ministry.

ANNUAL MEETING — MASSACHUSETTS CONGREGATIONAL LAYMEN'S COUNCIL

The Annual Meeting of the Massachusetts Congregational State Laymen's Council began in a joint session with the Women's Fellowship at the Chestnut Street Church in Worcester on Sunday afternoon at 3:15 P.M. with Presidents Bertram W. Allen and Mrs. Dean A. Ricker presiding. Following devotions led by Mr. Allen, Mrs. Ricker extended greetings to those gathered there and then introduced Miss Lillian S. Gregory, Executive Secretary, of the National Women's Fellowship, Council for Lay Life and Work of the United Church of Christ, who gave the afternoon address. Her subject, "New Horizons — New Responsibilities" stressed the importance of the laity in the Ministry and Mission of the church and the prominent role that the men, women, and their combined endeavors should play in the areas of Faith — Life — and Witness.

Following the joint meeting the men gathered at the Central Church for their own program and meeting at 4:45 P.M., with President Allen presiding. Mr. Allen extended words of welcome and greeting to the nearly 300 persons gathered there. Treasurer George Davis led those present in devotions. The Rev. N. Gordon Cosby, Pastor of the Church of The Saviour (Episcopal) Washington, D. C., was introduced and then delivered a most inspiring message on the renewal of the mission of the Church through personal commitment and discipline. The business meeting followed with reports by the Secretary and Treasurer. George Davis, Treasurer, reported a balance on hand of $2,031.32 as of May 19th including both the Laymen's

Council and Laymen's Larger Fellowship funds and spoke briefly on financial assistance given to deserving students. Mr. Allen expressed his thanks to the officers who worked with him in the past year and announced the appointment by the State Conference of the Rev. Donald A. Simpson of Springfield as the new Conference Staff member who will also be part-time Executive Director of men's work in the state. Mr. Allen paid tribute to our Staff Adviser, Rev. Baldwin W. Callahan, who was present, for his many years of fine and faithful work on behalf of the Laymen's Council and expressed their sincere appreciation. All those present joined in with a spontaneous standing ovation. Following an excellent dinner served at 6:15 P.M., Mr. Roy A. Hovey of the Council's Social Action Committee, presented an enlightening session on the subject of Crime and Corruption, with pertinent talks given by the Rev. Myron W. Fowell, Mr. Nicholas Nyary, Director of the World Affairs Council, Boston office, and Rev. David H. Eaton, of Weymouth. The meeting was adjourned at 7:40 P.M. in order that the men might return to the Chestnut Street Church in time to hear Dr. Ben M. Herbster, President of the United Church of Christ, deliver his address at the evening service at 8:00 P.M.

ANNUAL MEETING OF THE MASSACHUSETTS FELLOWSHIP OF CONGREGATIONAL CHRISTIAN WOMEN

Following the combined meeting of the Women's Fellowship and the Laymen's Council at which Miss Lillian S. Gregory, National Executive Secretary of the National Women's Fellowship of the Council for Lay Life and Work, spoke on "New Horizons — New Responsibilities," the Annual Meeting of the Women's Fellowship was held at the Chestnut Street Church, Worcester, Mrs. Dean A. Ricker presiding. The meeting opened at 4:30 P.M. with the singing of the theme hymn "Take My Life and Let It Be."

A welcome was given by Mrs. Ralph N. Roberts, a past president of the Women's Fellowship of the Chestnut Street Church, Worcester, and Mrs. Ricker responded.

At the business session, annual reports were accepted and the Clerk and Committees were elected, the President and Vice President to be elected in a Conference session. The consecration service for the newly elected officers and chairmen was conducted by Miss Gregory.

A delightful and worshipful musical program was given by the Chapel Choir of the Adams Square Church of Worcester led by Mrs. George E. Seale, immediate Past President of Worcester District.

Mrs. Wilson Dougherty, Stewardship Chairman, conducted a service of dedication of the Second Mile Gift.

A supper attended by 370 was served at the Sheraton Hotel.

A joint meeting for laywomen, laymen and ministers, which was also open to the public, was held in the Chestnut Street Church at 8:00 o'clock May 20th. The address of the evening was given by the Rev. Dr. Ben Mohr Herbster, President of the United Church of Christ, whose subject was "The United Church of Christ and the Mission of the Church."

MONDAY MORNING — MAY 21, 1962

The 163rd Annual Meeting of the Massachusetts Congregational Christian Conference was called to order by the Moderator, the Rev. Clarence W. Fuller, Melrose, at 8:50 A.M.

The devotional service was led by the Chaplain, the Rev. John A. Martin, Melrose Highlands.

The Moderator called on the Rev. Malcolm Matheson who brought the greetings of the host church, the Chestnut Street Congregational Church, as well as the greetings of the Worcester Central Association and all churches in the area. Mr. Matheson called attention to the fact that the Chestnut Street Church represents a merger of several downtown churches and that this merger is now 25 years old. A year ago, the merged church celebrated the 125th anniversary of the oldest church in the union, the Union Church on whose original site the present church stands. Finally, Mr. Matheson reminded the assembly that this is the first Annual Meeting to be held since our Conference voted to be an acting Conference of the United Church of Christ.

The Moderator appointed the following Committees:

Committee of Ushers — Rev. Robert E. Scott, Jr., Burlington, Chairman; Rev. Rodney Case, Taunton; Rev. Thomas B. Cox, Pittsfield; Rev. Henry E. Green, North Wilbraham; Rev. Bernard Guekguezian, Worcester; Rev. Charles H. Harper, Newton; Rev. Deane R. Lanphear, Danvers; Rev. Norman A. Levinson, Attleboro; Rev. James O'Brien, Quincy; Rev. Richard Perry, Ayer; Rev. Thomas D. Steffen, Lancaster; Rev. Joseph C. Williamson, Southboro; Mr. Leo Gelinas, Worcester; Mr. Carl Johnson, Worcester; Mr. Myles Snyder, Worcester; Mr. Carl Weber, Worcester; Mr. Sumner Chamberlain, Worcester; Mr. George Edwards, Worcester; Mr. Addison Huntington, Worcester; Dr. George A. MacIver, Worcester; Mr. Luther Stanhope, Worcester; Mr. Ralph Bartlett, Worcester.

Business Committee — Rev. Paul E. Barnes, Waltham, Chairman; Rev. Stephen R. Tucker, Worcester; Rev. David N. Van Strien, Newburyport; Mrs. Nelville B. Lord, Northampton; Mr. Herbert S. Bull, Shrewsbury.

Credentials Committee — Rev. S. Burman Long, Worcester, Chairman; Miss Helen B. Grumman, Boston; Miss Doris Hillsgrove, Watertown.

The Moderator announced that an office for the Board of Pastoral Supply would be open in the Church School Library for the duration of the Conference.

Mrs. Gerald A. Smith of Harwich Port, Chairman of the Board of Trustees, presented her report and highlighted the work of the Trustees for the past year, reviewing in particular the work of the By-Laws Review Committee, the expansion of the Craigville Conference Center, the purchase with CHEF funds of two parsonages for University chaplains and the initiation of student work in the Worcester Area, the acceptance of two important legacies, that of Ella A. Stebbins, Belchertown and Frederick P. L. Mills, Deerfield, the study of the needs of the urban areas and a possible Metropolitan Association.

Mr. Moderator, and ladies and gentlemen of this 163rd Annual Meeting:

Four years ago I was elected a trustee to represent the Barnstable Association. I have served two years as a member of the Grants Committee, and two years on the General Conference Committee. Last spring I was nominated chairman of the Board of Trustees, and before I had time to find out why this honor was bestowed upon me, I was officially elected.

My feelings of inadequacy were usually surmounted by the alertness and efficiency of the Staff, who always came to my rescue with expert counsel.

My courage came from the following excerpt I once read:

by Margaret Culkin Banning

> "In the devotional classic, 'Imitation of Christ', Thomas à Kempis tells the story of a certain person who was so filled with anxiety and fear that he could not bring himself to act. As he wavered back and forth in his uncertainty, he thought, 'Oh, if I only knew such and such, *then* I should have the courage to persevere.'
>
> "And presently, wrote Thomas, he heard within himself this answer from God: 'And if you did know — what would you do? *Do now, what you would, then do* — and you shall be very secure.' These have proved useful words for me to live by. I've used them many times. The result may not always be what you hope for, but the sense that you have done the best you can to make things work out, and given opportunity, itself, a chance, does produce in yourself that peace which is a kind of security."

The Board of Trustees has held five meetings this year, all at 14 Beacon Street in Boston, in June, September, November, January and March. During the sessions, some of the items of business were:

1. We regularly heard reports of the Conference Staff.
2. Mr. Loomis Patrick was appointed Chairman of the Constitution Review Committee. He will give his report later this morning.
3. The recommendation of the Churches and College Committee to purchase the property at 92 Bay State Road in Boston, to be used as a student center and home for the Congregational Chaplain at Boston University was approved.
4. Arranged for the purchase of Sunset Lodge property in Craigville which includes four acres of land and buildings overlooking Nantucket Sound.
5. The acceptance of two legacies, which included the gift of the home of Miss Ella A. Stebbins in Belchertown and in old Deerfield, the home of Frederick P. L. Mills. It was requested that both of these homes be for the use of retired ministers, ministers' widows, or retired missionaries.
6. Appointment of the Urban Church Committee to review the purpose and function of the Boston Area Congregational Committee, and study the advisability of recognizing this committee as a permanent Conference Committee. Hence

through study of this committee, and in close cooperation with the Boston City Missionary Society, a Metropolitan Boston Association is about to be created. See No. 29 *Advance Reports* — the Committee on the Urban Church.

7. Retirement of the Rev. Frank E. Duddy and the Rev. Walter R. Greenwood was noted, and provision for two new members of the Staff was made — (1) Associate Minister and Field Secretary for the Worcester Area and (2) Associate Minister and Field Secretary for the Boston Area with new emphasis on the Urban Church.
8. Initiated study of "Per Capita" (Conference Fellowship dues — 1/17/62 — a specific resolution will be presented this morning).
9. Supervised the recommendations of the Grants Committee.
10. A part-time program in Public Relations has been undertaken under the guidance of Mr. Gordon E. Sanders, Assistant Editor of the *Boston Traveler*, for better Conference publicity.
11. Appointment of a Committee to Review the Possibility of Housing for the Aging in Massachusetts, under the sponsorship of the Conference.

The lay-woman who found courage to persevere,

Mrs. Gerald A. Smith
Harwich Port, Massachusetts
Chairman, Board of Trustees
1961 – 1962

It was moved, seconded, and

VOTED: That the report of the Chairman of the Board of Trustees be accepted.

Mr. W. Elliott Pratt, Jr., Treasurer, presented the Treasurer's report and printed copies of the report were circulated. Mr. Pratt pointed out that the report is for nine months of the year only because during the past year, the Board of Trustees voted to change our bookkeeping to the calendar year to coincide with that of the United Church of Christ. Mr. Pratt called attention to the Massachusetts Congregational Fund and urged churches that have funds to be invested to get in touch with the Treasurer. It was moved, seconded, and

VOTED: That the Treasurer's report be received as printed.

The Moderator introduced the Honorable John M. Shea, Mayor of Worcester, who brought the greetings of the city.

Prior to the presentation of the Advance Reports, the Rev. George Cory, Rowley, made the following additional report for the Committee on Evangelism and Devotional Life. The Committee has worked in the following four areas during the past year: (1) Distribution and use of Evangelism literature; (2) leadership and planning of Church Retreats or Association Retreats (there will be a Retreat on September 19 and 20 for ministers and another on September 20 and 21 for ministers and laymen); (3) training of deacons and deaconnesses; (4) review of standards for church membership. Dr. Myron W. Fowell then presented the Advance Reports which were accepted as printed including the additional report of the Committee on Evangelism and Devotional Life.

The Moderator presented the Rev. Dr. Albert J. Penner, Minister and President of the Conference, who in turn presented the Executive Staff to the Conference. The Rev. Donald A. Simpson, newly appointed Area Minister for the Worcester Area, was also presented. Following the presentations, Dr. Penner read his President's Report which was accepted with appreciation.

Mrs. Gerald A. Smith, Chairman of the Board of Trustees, requested that the Moderator call upon Mr. Loomis Patrick, Chairman of the By-Laws Review Committee, to present the report of that committee. Copies of the major proposed changes in the By-Laws were circulated (these had been mailed to ministers and delegates at an earlier date) and after considerable discussion, it was moved, seconded, and

VOTED: That the report of the By-Laws Committee be accepted as amended with appreciation.

Upon recommendation of the Board of Trustees, it was moved and

VOTED: That the fellowship dues for the year 1962 be 37 cents per member, 25 cents for General Council and 12 cents for the Conference.

It was further moved and

VOTED: That in 1962 the Conference retain $221,000 from the total giving to Our Christian World Mission.

Mrs. Gerald A. Smith, Chairman of the Board of Trustees, requested consideration of a resolution of the Board of Trustees calling for an increase in fellowship dues beginning in the year 1963. Considerable discussion ensued and at 11:15 A.M., the Moderator requested that further discussion be postponed until the afternoon business session in order that the scheduled morning address could be heard.

The Moderator introduced Dr. Alford C. Carleton, Executive

Vice President of the United Church Board for World Ministries, who spoke on the subject "All or Nothing."

The Conference adjourned at 12:00 Noon, following a prayer and hymn led by the Chaplain, the Rev. John A. Martin. Luncheon meetings were held by the following Committees: Christian Education, Churches and Colleges, Evangelism, Social Action, Town and Country Church and Urban Church.

The Conference reconvened at 3:00 P.M. and Mr. Martin led in prayer.

FELLOWSHIP DUES

The Moderator reviewed the discussion concerning an increase in fellowship dues and invited further consideration. It was moved and

VOTED that the Fellowship Dues for the year *1962* be 37 cents per member: 25 cents for the General Council and 12 cents for the Conference.

WHEREAS, the General Council Per Capita is to be discontinued with the year 1962, and

WHEREAS, the United Church of Christ is to be supported wholly from the gifts of the churches, and

WHEREAS, there is a great and increasing need for stronger support of Our Christian World Mission, it was voted that the Conference set the fellowship dues for *1963* at 70 cents, an increase of 33 cents per member from the current rate.

The Rev. Clarence W. Fuller, Moderator, presented the Rev. Robert Foster, Williamstown, Chairman of the Nominating Committee, who asked the ushers to pass out copies of the printed ballot and the mimeographed report of the Committee. It was moved, seconded, and

VOTED: That the report of the Nominating Committee be accepted as amended. It was also voted that those nominated to committees, departments and affiliated organizations be elected.

Mr. Fuller announced that the entire slate of Executive Officers had been elected. See names as listed on pages 00 of these Conference Minutes.

The Moderator called on the Rev. Paul E. Barnes, Waltham, Chairman of the Business Committee, to present the resolutions for discussion and adoption. The following resolutions from the Social Action Committee were adopted:

THE ALCOHOL PROBLEM

If present trends continue, it is estimated that by 1970 the number of alcoholics in the United States will exceed 10,000,000. Drinking drivers will account for an increasingly large number of fatal accidents and will turn our highways into avenues of terror. Crime and welfare costs will mount, as social problems, induced by the misuse of alcohol, increase. Crime, broken homes, and a variety of social problems will sap our national strength.

Therefore, be it RESOLVED, that we urge upon our churches:

(1) More effective programs of alcohol education in all departments of the local church.

(2) Wider use of available resources, such as Alcoholics Anonymous, clinics, the Salvation Army, to help families burdened with a problem of alcohol.

(3) Community effort in behalf of more efficient enforcement of existing laws on the local level, as related to the sale of alcoholic beverages to minors and intoxicated persons.

(4) More effective organization during the spring and summer of 1962 in churches and communities looking toward an increase in the number of "no" votes in local option referenda.

(5) A wider use by churches and church organizations of help offered by the Massachusetts Temperance League, 3 Joy Street, Boston, Massachusetts.

(6) Effective financial support from our Conference, churches, and individuals for the Massachusetts Temperance League to make possible a strong, statewide effort to curb the alcohol problem.

* — Be it further resolved that we urge our Social Action Committees to work for a more conscientious and impartial enforcement of existing laws and request our State Legislature for stronger laws concerning drunken driving.

BOSTON

Jesus Christ loved and brooded over the Capital city — Jerusalem. Our own Capital city of Boston inspires comparable emotions of appreciation and concern at this time in its history. Our love for its sacred institutions, our pride in its traditions and temporal progress need to be tempered by deep concern for the moral quality of its present life and witness.

The great names of the past, Revere, Bradford, Cotton, Hancock, Garrison, Brooks, continue to speak to us, who live and work in Boston, as to those who visit it, a message of courage, hope and commitment to a more glorious future.

Other names of contemporary leaders of Boston, Harken and White for medical service, Case and Walsh for education, Canham and Lally for religious journalism, help to make the name of Boston respected throughout the world.

We see in our Capital city today both evidences of decline and decay with the resultant increase in vice, drunkenness, organized gambling and crime (which increased 27% in 1961 over 1960) and at the same time resurgence towards a new era, sparked by the Prudential Center, the new government center and many other multi-million-dollar projects.

Impressive though the new skyline may be, this in itself is not enough to bring into being the new Boston that is desired. There ought to be new and sustained efforts of heroic proportions to purge Boston of its entrenched evils. These new efforts must be directed toward improved government and public services, more effective law enforcement, more consideration by the people of Massachusetts through their Legislature for the special needs of the Capital city and much concern by religious institutions throughout the Commonwealth for the general welfare of the inner city areas.

We regard as potentially appropriate and helpful in view of these considerations the move to establish a Greater Boston Association of Congregational Churches and the coming to the Conference staff of an associate minister to serve the churches in the Boston area.

We call upon our churches throughout the Commonwealth to support these new developments and to express in new imaginative and creative ways their love and concern for our Capital city.

CORRUPTION

WHEREAS, in recent years our American culture has been penetrated by the growth and development of a great variety of fraudulent, exploitative and corrupt practices identified with business, entertainment, government, and other areas of organized society, and,

WHEREAS, the recent growth of these immoral practices appears to be approximately the same as the recent year by year increase of 10% in the crime rate, and,

WHEREAS, these developments in our contemporary culture represent a monetary cost to the government and people of more than $65,000,000,000 a year in addition to immeasurable moral and sociological costs and threats to the national welfare and security,

Therefore, be it resolved, that we urge our churches to give increased attention to programs of education and action designed to strengthen public loyalty to the basic moral and ethical concepts inherent in our Judeo-Christian religious tradition and necessary for the spiritual undergirding of a free and democratic society.

PEACE

WHEREAS, Dwight D. Eisenhower has said, "What the world needs more than a gigantic leap into space is a gigantic leap into peace"; and in his Farewell Address as President said, "We must guard against the acquisition of unwarranted influence . . . by the military-industrial complex", and

WHEREAS, President John F. Kennedy in his Inaugural Address challenged friend and foe alike to "begin anew the quest for peace, before the dark powers of destruction, unleashed by science, engulf all humanity in a planned or accidental self-destruction", and

WHEREAS, Still P. Williams reports in *Arms Control, Disarmament, and National Security* (reported in the "Saturday Review" for July 8, 1961 and on page 14):

a. that the arms race is costing mankind yearly close to $110 billions;

b. that the present stockpile of "over-kill" adds up to 20 tons of TNT for every man, woman and child on earth;

c. and that the United States possesses close to one-half of this awesome power of mass-destruction;

Be it RESOLVED, that the 163rd Annual Meeting of the Massachusetts Congregational Christian Conference in Worcester, Massachusetts, May 20–22, 1962 petition our representatives in Congress and the President of the United States urging a new, bold imaginative Peace Race among the nations of the world, daring to face the opposition and loneliness that sometimes accompanies the assertion of such creative leadership.

CHURCH AND STATE

WHEREAS, Christian doctrine related to God's sovereignty and his provision for man's salvation requires maximum freedom for men to make their own choices and decisions, and

WHEREAS, the 1st amendment to the United States Constitution reflects these religious concepts and calls for independence between the institutions of religion and the institutions of the state ("Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof . . . ," and

WHEREAS, under the pressure of national and human problems, contemporary governments are subject to the temptation to try to take the place of God while limiting or denying freedom for their people, and

WHEREAS, all history teaches that when freedom is lost much suffering and sacrifice are usually required for its reestablishment;

Therefore, be it RESOLVED, that:

We dedicate ourselves anew to the defense of the principle of religious independence and freedom and oppose all infringements upon the principle of separation of church and state, and

We pledge ourselves with the utmost determination to oppose all efforts to secure public funds in support of religious institutions, and

We urge all religious bodies to review their own practices and to make sure that they observe, both in spirit and in practice, the principle of separation of church and state.

Finally, we call attention to the implications of this resolution for every one of our Congregational churches, namely, that we take seriously our own responsibility to provide more adequately for the Christian education of the people of our communities, and especially of our churches; that both ministers and people are required to devote more concern, time and money, to improve the effectiveness of educational programs, as well as their place in the life of the local church. It means also exploring new and creative ways of cooperating with other churches of the community to provide for the instruction of children and youth on weekdays, in addition to the brief time available on Sunday.

RACIAL AND CULTURAL RELATIONS

Massachusetts has been notable for its legislation against discrimination on the basis of race, religion, and national origin. Various organizations and committees in the Commonwealth have also been actively working for democracy for all people. But the progress in actually overcoming discriminatory practices and policies has had only a small beginning. There is need for a united effort by our churches to bear active witness to the Gospel of love, mercy and justice for all men.

The churches can play a vital role through a ministry of reconciliation—surmounting the barriers of prejudice with bridges of personal acquaintance and mutual understanding.

Accordingly, we call upon our churches and their members to consider, with humility and prayer, the following policies and projects as guideposts for Christian leadership:

(1) Serving and welcoming into membership and responsible participation all people regardless of race, color, national origin or social and economic status.

(2) Promoting democracy and inclusiveness also in clubs, planning committees, hospital and welfare boards, social agencies, parent-teachers associations, and other organizations in the local community.

(3) Engaging in inter-racial activities with other parishes and inter-faith activities with clergy and laymen of non-Protestant congregations.

(4) Encouraging people of the parish, both white and colored, to become members of the nearest branch of the National Association for the Advancement of Colored people, to attend its meetings and share in its projects and concerns.

(5) Taking part in activities to break down the segregation patterns in housing — such as: (a) Signing affirmations which welcome good neighbors without discrimination on the basis of race, religion and national origin; (b) Agreeing to sell or rent houses and apartments without such discrimination; (c) Active membership in a local fair housing practices committee.

UNITED NATIONS

We reaffirm our support of the United Nations as an indispensable instrument for the discussion of international problems and for cooperative action on behalf of world peace and welfare. We believe the United Nations to be an important means through which Christians can make meaningful and practical their devotion to human brotherhood and mutual aid. We believe the United Nations can give most effective service as it becomes increasingly universal in membership. We applaud the purposes and program of UNESCO and acclaim its program for education, better health, crops and child care and its work toward free schooling for all children. We further urge that our churches support the program of the United Nations Children's Fund (UNICEF) by promoting the study of UNICEF in the churches and schools, and by organizing in their local communities the nation-wide Halloween Treat for the World's Children.

LITERATURE FEATURING OBSCENITY AND VIOLENCE

We condemn the unspeakable selfishness and disregard for the sacredness of personality and welfare of society which is revealed in the present large scale promotion and distribution of obscene literature and in the flood of motion picture and television presentations based on violence and criminal activity. All of this detracts from the dignity and decency which ought to be marks of our Judeo-Christian and democratic culture and stimulates lawlessness and crime.

We urge upon all parents a responsible oversight of their children's reading habits and entertainment, also a stricter enforcement of the laws against obscenity and more imaginative and realistic thinking and planning on the part of community leaders in respect to creative and interesting programs and activities for young people. We further urge that the Massachusetts State Legislature, in cooperation with responsible church and social agencies, take such steps as may be appropriate and necessary to legally define "obscenity" in order that existing laws for its control may be effectively enforced.

CAPITAL PUNISHMENT

We believe that the death penalty is both a symbol and an expression of an outmoded, ineffective, and unchristian approach to the problem of capital crimes.

We believe that it is not a deterrent to the crime of murder. (Many studies have so indicated.) It makes more difficult the securing of convictions in cases of capital offenses. Its use is repugnant to the Christian conscience and is demoralizing in its effect on society, especially in those cases where persons are put to death in spite of widespread uncertainty as to their guilt.

We regret the unwillingness of the Massachusetts General Court to act favorably upon any of the legislative proposals offered in recent years to abolish the death penalty. We favor submitting this issue to the people through a referendum on the ballot in November, 1964, and urge the cooperation of our churches in securing the required number of signatures to a popular petition to make such a referendum possible.

PROTESTANT SOCIAL SERVICES, INC.

WHEREAS, after many years of soul searching, study and anxiety growing out of the need in Massachusetts for a Protestant home for potentially delinquent girls, such a home has now been established at Hospital Cottages in Baldwinville, and,

WHEREAS, Dr. Leighton Cheney and a staff of competent helpers have been enlisted to carry on a program of remedial service and education for girls between the ages of 8 and 15 and recommended to the home by the Youth Service Board, the courts, pastors and other authorized persons or agencies, and,

WHEREAS, Protestant Social Services, Inc. is now open for service, as of May 18, 1962, and,

WHEREAS, additional support from individuals, churches, foundations and other sources of financial help will be needed in the months and years ahead, *Therefore, be it RESOLVED*, that we urge upon our pastors and churches the use of this new service to girls in those instances where it may be needed and urge generous financial support toward its maintenance by those in a position to provide it.

SPONSORSHIP OF CUBAN REFUGEES

WHEREAS, over 100,000 of our Cuban neighbors have fled from their home island to Florida, and thousands more are still arriving every month in the Miami area;

WHEREAS, most of these refugees cannot be absorbed by the Florida labor market, and though anxious to work and possessing many skills they are now forced to rely on U. S. Government aid (rising high in the millions of dollars);

WHEREAS, there is an urgent need to resettle many thousands of Cubans in other parts of the United States, and Church World Service and our own denomination are actively cooperating in the resettlement effort; and

WHEREAS, we in Massachusetts have an unparalleled opportunity to extend a hand of Christian friendship to worthy neighbors who have fled from tyranny and whose skills could benefit our communities;

Therefore, be it RESOLVED, that we call on our churches to:

(1) Publicize the Cuban refugee problem and the urgent need to resettle Cubans in our own communities; and

(2) Promote local sponsorship of Cubans by individuals and also by committees and groups in the parish — as explained in our Conference's data sheets entitled, "Information About Sponsorship of Cuban Refugees."

It was voted to send to the General Synod a resolution from Hampden Association requesting the United Church to prepare visual aids which could be used in the study of the basic tenets and history of the United Church of Christ.

The following resolution introduced by the Rev. Philip Muth, North Quincy, was adopted:

WHEREAS, the Massachusetts Congregational Christian Conference has voted to act both as a Conference of the United Church of Christ, and as a Conference of Massachusetts Congregational Christian Churches, and

WHEREAS, it is our manifested desire to relate in responsible Christian fellowship to both groups, and

WHEREAS, we are called to be a learning and witnessing community, and

WHEREAS, one way of witnessing is by the use of names and titles, now therefore

Be it RESOLVED, that the Board of Trustees appoint a committee to begin as soon as possible to provide a new name for the Conference which will witness to both relationships, said name to be submitted at the next annual meeting of the Conference for approval so that the technical difficulties of changing the name can be attacked as soon as possible, that our witness may be made.

The following resolution introduced by the Rev. Chandler Gilbert, Westfield, was adopted:

That this Conference go on record as feeling that the amount of time and number of resolutions should be carefully evaluated by the Board of Trustees prior to the next Annual Meeting and that a report of this evaluation be made to the next Annual Meeting.

The meeting adjourned at 5:00 P.M. to go to the Worcester Civic Auditorium for a dinner meeting planned by the Committee on Missionary Education and Stewardship. The Rev. Dr. Ralph W. Sockman of New York addressed the assembly and the Rev. Dr. Albert J. Penner conducted a panel presentation on Our Christian World Mission. Participants were as follows:

Reverend P. Allen Myrick, South Africa; Miss Thelma Pascaran, Boston; Reverend Alford Carleton, New York; Reverend Reginald H. Helfferich, New York; Miss Pauline Gunter, Charlton; Reverend James C. Martin, Roxbury; Reverend Joseph B. Axenroth, Worcester; Reverend Hugh B. Penney, Holden; Mr. and Mrs. Arthur M. Fitts, Jr., Framingham.

Tuesday Morning

Dr. Penner conducted the Communion Service at 8:30 A.M., assisted by the Rev. Edith H. Wolfe, Rehoboth, who gave the Communion meditation.

The Moderator called the business session to order at 10:00 A.M. and the Rev. Paul E. Barnes, Chairman of the Business Committee, presented the following resolutions which were adopted:

HONG KONG

Be it RESOLVED that the 163rd Annual Meeting of the Massachusetts Congregational Christian Conference in Worcester, Massachusetts, May 20–22, 1962, ask the Social Action Committee of the Conference to study as soon as possible any present bills before Congress such as the Hart bill and then petition our representatives in Congress and the President of the United States to take such action as will assist in enabling Chinese refugees fleeing into Hong Kong to avoid being forced back into Red China.

HOSPITALITY

The 163rd Annual Meeting of the Massachusetts Congregational Christian Conference has enjoyed the gracious hospitality of the Chestnut Street Congregational Church. We, therefore, express our deep appreciation to that church and its ministers — Rev. Malcolm Matheson, Rev. S. Burman Long and Rev. Jerome H. Wood.

Gilbert, Boston, reacted to the address with supplementary comments and there were questions from the floor.

The Chaplain led in the closing prayer.

O God, our help in ages past, our hope for years to come, we place upon Thine altar the accomplishments of this annual meeting. Frequently we have turned to Thee, mindful of our constant need of Thy leading and Thy wisdom. Now, Lord, accept our thanks for all Thou has done for us; Thy presence around us, Thy love enfolding us, Thy guidance directing us, Thy righteousness challenging us, Thy dream for our lives and for our world beckoning us.

Hear our thanks for the joy we have experienced as we have blended our voices in song and in prayer, and in a spirit of Christian sincerity and compassion sought after that which is best for our churches, our conference and Thy kingdom.

Hear our prayer, O Lord, as we express our gratitude for those leaders who have courageously led us to the high mountain and challenged us to fulfill the vision which they have shown us from the heights. Wilt Thou continue to bless us by placing Thy hand upon all those whom we have elected to office that they may at all times seek to know Thy desires for our people and our churches.

Bestow upon us Thy protective love as we make our way homeward to our churches and our families.

Now to Him, who by the power at work within us, is able to do more abundantly than all that we ask or think, to Him be glory in the church and in Christ Jesus to all generations, forever and ever.

The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all. Amen.

The meeting adjourned at 12:15 P.M.

THE REVEREND ALBERT J. PENNER, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE and of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE, TRUSTEE, as at December 31, 1961, and the related statements of income for the nine months ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at December 31, 1961, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at December 31, 1961, and the results of their operations for the nine months ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

*Income paid direct to church by Massachusetts Congregational Fund.

ALLOTMENT ACCOUNT

In 1927 the Massachusetts Congregational Conference and the Massachusetts Home Missionary Society were united in a single corporation. Previous to that time, the National Council of Congregational Churches and the Conference had paid their expenses for meetings and administration by thirteen cents collected for each church member. It seems right that the Conference part of our organization should still pay its own charges. Thirty-seven cents per member is asked this year of the Churches. Twenty-five cents of the thirty-seven goes to the General Council (formerly The National Council) and twelve cents is kept by the Conference. The collection of the twelve cents per member is the attempt of the Conference part of our organization to meet that part of its expenses related to the annual meeting, the publication of the minutes, support for the Board of Pastoral Supply, and to provide more ample annuities for our retired ministers.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invested in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

THE WORCESTER CITY MISSIONARY SOCIETY

Executive Secretary	Dr. Frank E. Duddy
President	Rev. Winthrop G. Hall
Vice-President	Norman Orrell
Treasurer	Arthur B. Kemp
Secretary	Mrs. James E. Quirk
Auditor	Norman Orrell

Aids Worcester churches financially, promotes cooperation among churches, and sponsors interchurch activities in Worcester and vicinity.

Contributions for home missions from the churches in Worcester, to be credited on the apportionment, should be sent to the Massachusetts Congregational Conference and Missionary Society. Contributions for the local work, given in addition to the apportionment and not to be credited as a part of it, should be sent to the treasurer of the Worcester City Missionary Society.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts, and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by any church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1961 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Special grants are listed on page 62.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of the churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1962. Admissions and removals cover the year 1961. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1962, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:

"Ord." — Ordained
"Cld." — Called
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession

Reference marks are used as follows:

y Pastor serves more than one church.
i Pastor installed by Council.
r Pastor recognized by Council.
x Includes cost of new building or improvements.
—No answer can be given.
* Value of church property includes parsonage.
★ Per Capita paid in full by church.

‖ When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked ‖ in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended is given at the end of the Conference schedule.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations, contributions to home expenses are usually for all the churches grouped together in the federated church.

HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president.

Origin of Domestic Missionary Society

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ"), were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

Origin of Massachusetts Conference

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927, to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of fourteen persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and interdenominational projects and programs.

BY-LAWS OF THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

ARTICLE I

Purpose and Terminology

1. The purposes of the Conference are as stated in its Charter.

2. Whenever in these By-Laws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All churches which are members of associations in voluntary fellowship with and recognized by the Conference, whether or not such churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these By-Laws.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over churches or individuals or interfere with the government or discipline of the churches. It shall advise and counsel the churches when requested, but it is recognized that each church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our fathers confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

Membership

Voting Members. Every Church or Congregation which is or shall become a member of an association in fellowship with the Conference may annually choose two delegates (of whom it is suggested one shall be a layman and the other a laywoman) and these delegates, together with the pastor or pastors of each church (who shall be members ex officiis), the officers of the Conference (including the members of the Board of Trustees and any person who shall have been elected an Officer Emeritus), the committee members of the Conference shall constitute the voting membership of the Conference; provided, however, that pastors shall have the privileges of honorary members only unless they shall have ministerial standing in an association in fellowship with the Conference.

Honorary Members. Delegates from corresponding bodies and persons appointed to speak before the Conference, such persons as may be made honorary members by a vote of the Board of Trustees, and such other persons as the Conference may from time to time vote to admit, shall be honorary members of the Conference, with the privilege of speaking, but without vote.

ARTICLE V

Officers

1. There shall be a Moderator, one or more vice-Moderators, a Recording Secretary, a President and a vice-President of the Women's Fellowship (See Article VIII, Sec. 2 (b)), a President and five vice-Presidents of the Laymen's Council (See Article VIII, Sec. 3, (b)), all of whom shall be nominated by the Nominating Committee hereinafter provided for, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen.

2. The executive officers of the Conference shall be a President, a Secretary, a Treasurer, an Assistant Treasurer, Field Secretaries, a Director of Women's Work who shall also serve as Co-Executive Secretary of the Council for Lay Life and Work, a Director of Laymen's Work who shall also serve as Co-Executive Secretary of the Council for Lay Life and Work, a Minister of Missions and Stewardship, a Minister of Christian Education, an Associate in Christian Education, a Church Finance Adviser and such other officers as the Conference may from time to time elect. Any of the said Executive Offices except those of President, Secretary and Treasurer may be abolished by vote of the Conference. These officers shall constitute the Executive Staff. They shall be nominated by the Board of Trustees meeting in executive session, and elected by ballot at each annual meeting of the Conference for a term of one year and until their respective successors are chosen. They shall bear such additional titles as the Conference or the Board of Trustees may determine.

3. The Conference shall elect by ballot a Board of Trustees consisting of one member from each Association of churches, one member from the Board of Directors of the City Missionary Society of Boston, Inc., and 12 (twelve) members-at-large, six of whom shall be known for their special knowledge of financial affairs, of whom 2 (two) shall be chosen each even-numbered year, and 4 (four) each odd-numbered year. The President and vice-President of the Women's Fellowship, the President and one other representative of the Laymen's Council, the President of the Massachusetts Pilgrim Fellowship and one other officer (nominated by its executive committee), the Chairman of the Conference Centers Committee, the Moderator and the vice-Moderators, shall also be members *ex officiis*. One-third of the representatives of the Associations upon the Board shall be ministers, one-third laymen, and one-third laywomen as nearly as may be. Nine members shall constitute a quorum. The term of office shall be four years, and no member having served a full term shall be eligible for re-election until after one year, but members-at-large, chosen for their knowledge of financial affairs, may serve for two consecutive terms.

The Conference shall from time to time designate the Associations from which Trustees are to be chosen in the successive years and determine whether the Trustee to be chosen from a particular Association in any year shall be a minister, a layman, or a laywoman.

Each Association shall be notified by the Secretary of the Conference on or before September 15 when it is its turn to propose to the nominating committee a candidate for membership upon the Board, and whether such candidate should be a minister, a layman or a laywoman, and the names of such candidates shall be reported to the Secretary before April 1, of each year. The Secretary upon the receipt of these names shall communicate them to the nominating committee on or before April 10. In case any Association fails to propose a candidate the Board fo Trustees shall perform this duty.

At its first meeting after each annual meeting of the Conference the Board shall choose one of its members to serve as chairman for the ensuing year. Except as otherwise provided in the charter of the Conference or in these by-laws, the Board shall administer and dispose of the property of the Conference and shall manage all its business and affairs, and all officers and agents of the Conference shall act under its direction. The Board shall cause the accounts of the Treasurer to be audited at least once each year by certified public accountants selected by the Board. Without restricting the generality of the foregoing, the Board shall in particular have the following powers:

(a) To choose a Clerk, to appoint its own meetings and form its own rules of business, to appoint committees and to delegate any of its powers to such committees.

(b) To appoint and, at pleasure, remove all agents of the Conference and to define their duties.

(c) To fill any vacancy in any office of the Conference (including vacancies in the membership of the Board) until the vacancy shall be filled at a succeeding meeting of the Conference.

(d) To remove any officer of the Conference (other than members of the Board) who may be guilty of disregard of his duties or of such conduct as shall be seriously prejudicial to the interests of the Conference.

(e) To direct efforts to promote missionary interest and giving among the churches of the CONFERENCE.

4. The terms of all officers, save when chosen to fill vacancies, shall begin at the close of the meeting at which they are elected.

ARTICLE VI

Duties of Officers

1. The Moderator, or in his absence, one of the vice-Moderators, shall preside over all meetings of the Conference.

2. The President shall be the chief executive officer of the Conference and shall, subject to the direction of the Conference and of its Board of Trustees, have general charge of its missionary and benevolent work and of its other activities. He shall be a member ex officio of all standing committees named in the by-laws with the exception of the nominating committee. He shall have the power to delegate to members of the Staff the authority to represent him upon any of the said standing committees. He shall be the representative of the Conference and of its Board of Trustees among all the churches (both those financially independent and those aided by the funds of the Conference) and in all denominational and interdenominational gatherings (including meetings of CONFERENCE Superintendents) unless representation is otherwise provided. He may seek to assist pastors and churches with fraternal counsel. He shall keep informed as to opportunities for extension work through founding new churches or strengthening old ones and shall recommend to the Conference and to the Board of Trustees measures for meeting such opportunities.

3. The Secretary shall keep the records of the Conference, except as hereinafter provided, and shall assist in its general work under the direction of the President. He shall devote himself in co-operation with the Field Secretaries and under the

direction of the President, to counseling with and assisting the churches in the area assigned to him, and shall perform such other duties as may be assigned to him by the Board of Trustees or the President. He shall have the custody of the records and of all bonds given by the treasurer as hereinafter provided. He shall furnish copies of the record certified under the seal of the Conference (which shall be in his keeping) to such persons as may be entitled thereto.

The Secretary shall collect and publish in connection with the annual Report of the Conference the statistics of ministers and churches and make up the official roll of the ministers and churches in accordance with the usages of the denomination. He shall present to the Conference at its annual meeting a general statistical statement of the progress of religion in the churches for the past calendar year. He shall give suitable notice to the churches of the time and place of each annual meeting, notify officers and committees of their election or appointment and fulfill such other functions as the Conference or the Board of Trustees may from time to time direct.

4. The Treasurer shall receive and hold the property of the Conference subject to the direction of the Board of Trustees and shall keep particular accounts of the Conference's funds and of the disposal thereof. He shall, under the direction of the President, assist, so far as he may be able, in the general work of the Conference and shall perform such other duties as may be assigned to him by the Board of Trustees. He shall make a report at each annual meeting of the Conference and shall make such other reports as the Conference or the Board of Trustees may from time to time require. He shall receive all contributions for benevolences sent to him by the churches and by individuals and shall disburse the same in accordance with the instructions of the donors. Retirement and Annuity

1. No person shall continue as a member of the Executive Staff beyond the close of the Annual Meeting following his 70th birthday. With respect to employees not members of the Executive Staff, it shall be the policy of the Conference to retire every such employee upon his or her attaining the age of seventy years, provided, however, that this shall not affect the power of the Trustees temporarily to employ from time to time persons who have passed that age (including former members of the executive staff) whenever in particular cases the Trustees shall deem such temporary employment essential to the efficient conduct of the Conference's work.

2. Ordained ministers who are members of the executive staff shall be expected to be members of the Annuity Fund for Congregational Ministers, and the Conference shall not provide for them any other retirement annuity. ARTICLE VIII

Affiliated Organizations

1. There shall be a Council for Lay Life and Work which shall be responsible for increasing, developing and co-ordinating the activities and participation of lay women and laymen in the churches of the Conference as a means of witnessing effectively for Jesus Christ in all areas of work.

   (a) The Council shall be composed of six members designated by the Women's Fellowship, including its President and Vice-President, six members designated by the Laymen's Council, including its President and a Vice-President, and twelve members elected at the Annual Meeting of the Conference, of whom eight shall be ministers, two lay women and two laymen. They shall serve for a term of one year and shall not be eligible for re-election more than twice.

(b) The Director of Women's Work and the Director of Laymen's Work shall serve as Co-Executive Secretaries. The Council shall elect its own Chairman for a term of one year, alternating annually between a layman and a lay woman.

2. There shall be a Department of Women's Work called the Women's Fellowship.

(a) The object of this Department shall be to help to promote the entire work of the local church and to further in every way possible the cause of Christ throughout the world. The voting members shall be such women as may be determined by its rules and the women members of the Conference. The President, Vice-President, the District Presidents, the women members of the Board of Trustees and the members of the Business Committee shall constitute the members of its Executive Committee. This Executive Committee shall organize the membership in whatever manner it may deem needful for the effective carrying on of its work.

(b) The Women's Fellowship shall provide by its rules for the appointment of a nominating committee. This committee shall annually propose to the Nominating Committee of the Conference from among its membership a President and a Vice-President who shall be *ex-officiis* members of the Board of Trustees of the Conference. This committee shall also nominate such other officers and committees as the rules of the Fellowship shall require, to be elected at the annual meeting of the Fellowship.

3. There shall be a Department of Laymen's Work called the LAYMEN'S COUNCIL.

(a) The object of this Department shall be: To inspire higher conceptions of Christian citizenship for the development of democratic society and the world-wide Kingdom of God; to promote a richer fellowship of laymen through conferences, retreats, and other meetings and to co-operate with laymen of other denominations in significant Christian projects; to encourage organized laymen's groups and classes in all our churches, especially the smaller ones; to rally more men to the support of the church and to train men in worship and leadership in their church and community life.

(b) The Laymen's Council shall consist of sixty-two members — two from each of the Associations in the State and twenty members-at-large, who shall be elected annually by the State Conference. The Conference Nominating Committee shall receive the names of two members from each Association — or its Laymen's Organization — and the names of twenty members-at-large from the Executive Committee of the Massachusetts Laymen's Council. Should an Association fail to name candidates, the nominations for that Association shall be made by the Executive Committee of the Laymen's Council. The officers of this organization shall be a President, five Vice Presidents, a Secretary and a Treasurer.

4. There shall be a Department of Young People's Work of the Conference.

(a) There shall be a Massachusetts Council of Pilgrim Fellowship, composed of two representatives from each Association, to be named by the Association Pilgrim Fellowship or Congregational Young People's organization of the Association, whatever its name may be, as it or its Executive Committee may determine. If the Congregational young people of any Association are unorganized, the Association Committee on Religious Education may name two delegates to the Massachusetts Council of Pilgrim Fellowship. The Council shall hold its annual meeting in May or at such other time as its Executive Committee may determine. At its annual meeting the Council shall plan the State youth program and elect its officers for the ensuing year.

(b) Unless otherwise determined by the Council, the State officers shall be President, Member-at-large, Secretary, Editor, Vice-President in charge of Christian Faith Commission, Vice-President in charge of Christian Action Commission, Vice-President in charge of Christian Fellowship Commission, the four delegates to the National Council of Pilgrim Fellowship.

The Executive Committee of Pilgrim Fellowship shall consist of the above officers, the President of the preceding year, an Adult Adviser to be chosen by the Council, with the approval of the State Committee on Christian Education, and one of the Secretaries of Christian Education on the staff of the Conference, who shall be designated as Executive Secretary of the Massachusetts Pilgrim Fellowship. The President and one other officer, to be designated by the Executive Committee shall be *ex officiis* members of the Board of Trustees of the Conference.

2. Special meetings of the Conference shall be convened at such times and places as may be determined by the Board of Trustees, provided, however, that notice of any special meeting so convened shall, at least one week before the date of the meeting, be sent by mail to each of the churches connected with the Conference, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.

3. The Moderator or, in his absence, one of the vice-Moderators or, in the absence of all of them some member of the Board of Trustees shall call the Conference to order.

2. The following standing committees shall be elected by viva voce vote:

(a) A Nominating Committee composed of nine members, consisting of the retiring Moderator of each annual meeting, together with eight other members, of whom at least two shall be ministers, at least two shall be women and at least two shall be laymen. Each year the Board of Trustees, meeting in executive session, shall select four persons whom they shall nominate at the annual meeting of the Conference to be elected to serve for two years. The retiring members shall not be eligible for re-election for at least one year.

This committee shall nominate all officers and committees whose nominations are not otherwise provided for in these by-laws.

(b) A Program Committee, of which the Secretary of the Conference and the pastor of the church which is to entertain the next annual meeting shall be members *ex officiis*. This committee shall prepare the program for the next annual meeting and shall select the preacher of the annual sermon and the various speakers at each session.

(c) A Committee on Christian Education. At each annual meeting four members shall be elected to serve for three years. The duty of the Committee shall be to foster the growth and development of Christian education in every department of the life of the churches and associations, as a means to the deepening and strengthening of Christian life and witness. This Committee shall give advice and counsel in regard to the organized young people's work of the State. Among its various duties the Committee shall bear responsibility for planning and promoting summer camps and conferences.

(d) A Committee on Social Action, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of the committee to promote interest in moral and social issues among the churches of the Conference. The committee shall be authorized to present and to support publicly such principles and measures as have been adopted by the Conference.

(e) A Committee on the Ministry consisting of approximately thirty members: ten at large, three of whom shall be laymen or laywomen, two of the ten to be elected at each annual meeting for a term of five years; the remaining to be composed of the Chairman of each Association Committee on the Ministry. It shall be the duty of this Committee to endeavor to establish and maintain high standards for our ministry and churches.

The Conference shall maintain a special roll of ministers to which names may have been transferred by the Associations. This special roll shall be in charge of the Conference Committee on the Ministry, and the presence of a name there shall constitute evidence that the man has been duly ordained and has had standing in a MEMBER Association; but the Committee shall not issue credentials to a man whose name appears on this roll unless they find in concurrence with the Committee on the Ministry in his Association, that his character and qualifications are satisfactory.

(f) A committee on Evangelism and Devotional Life, consisting of one member from each association, who shall be either the chairman of the association committee on Evangelism and Devotional Life, or, where such a committee does not exist nor function, one from the association who has an interest in this area of church life, such a latter person to be recommended by the moderator of each association upon request of the Nominating Committee. The term of office shall be three years, and the alphabetical list of associations shall be divided into three groups, and these three groups shall rotate in making their elections. In addition there shall be six members-at-large, for a term of three years, two each year.

It shall be the duty of the committee to advance the interest of the churches to witness to the gospel of our Lord Jesus Christ in the communities where our churches exist, to seek to evangelize the unchurched and the inactive memberships of our churches by means and methods commensurate with those of our national OFFICE on EVANGELISM.

(g) A Committee on our Christian World Mission. Each of the twenty Associations shall nominate a member of this Committee who shall represent the missionary committee of the Association. The term of office shall be three years, and the alphabetical list of Associations shall be divided into three groups, and these three groups shall rotate in making their elections.

In addition, there shall be six members-at-large, nominated by the Board of Trustees for a term of one year. Four of these persons shall be members of the Board of Trustees.

There shall also be three *ex officiis* members, one representing each department of the Council for Lay Life and Work, and one the Department of Young People's Work.

The Committee shall meet at least twice a year, and an executive committee shall be chosen, to meet as frequently as occasion requires. It shall be the duty of this Committee to advance the interest of the churches in the work and support of OUR CHRISTIAN WORLD MISSION.

(h) A Committee on the Town and Country Church, consisting of nine members, of whom three shall be elected at each annual meeting for a term of three years. It shall be the duty of this Committee to co-operate with the national Commission on the Town and Country Church and to offer such practical helps and encouragement as may be possible and welcomed by our churches in the town and country areas.

(i) A Committee on the Urban Church, consisting of nine members of whom three shall be elected at each Annual Meeting for a term of three years. It shall be the duty of this committee to study the special problems and opportunities for Christian service of churches in the urban areas and to offer such practical helps as may be possible and welcomed by the churches in these areas.

(j) A Conference Centers Committee. The operation and management of the Conference Center at Framingham and of the Craigville Inn property at Craigville on Cape Cod shall be in the hands of a State Conference Committee, to be called the Conference Centers Committee, as the agency of the Conference, responsible to the Board of Trustees. This Committee shall consist of thirty-five members, approximately one-third ministers, one-third laymen, and one-third laywomen—one member from each Association to be nominated annually by the Association, and fifteen members-at-large, to be nominated by the State Conference Nominating Committee for three-year terms.

The Chairman of the Conference Centers Committee shall be a member ex-officio of the Board of Trustees of the State Conference and shall make a report at each meeting of the Board of Trustees.

The Conference Centers Committee shall elect its own officers and subcommittee chairmen and may co-opt such additional persons as may be necessary to the effective functioning of the committees.

No member, elected or appointed, having served a full term of three consecutive years, shall be eligible to succeed himself until after the lapse of one year.

(k) A Committee on Campus Ministries consisting of nine (9) members, of whom three (3) shall be elected at each annual meeting for a term of three (3) years. It shall be the duty of this Committee to study the opportunities for developing religious programs among students and faculty at the college and university level; to cooperate with local Churches denominational and interdenominational agencies working in this specialized field; and to review requests for Conference aid for the support of student programs within Massachusetts.

3. Such other committees as the Conference may vote to constitute shall be elected by viva voce vote at each annual meeting for such terms as the Conference shall determine. The Board of Trustees shall present at each annual meeting a list of the committees the appointment of which it recommends.

4. It shall be the general practice of the Conference, without making it an arbitrary rule, that at least one-third of its committee members be laywomen and one-third laymen.

5. The reports of all committees that are to be presented to the Conference shall be furnished to the Secretary on or before April first of each year, and shall be printed and distributed to the churches not less than two weeks before the annual meeting. These reports shall not be read to the Conference save by special order, but the Program Committee may arrange for the adequate discussion of any or all the topics presented in the reports.

THE WOMEN'S FELLOWSHIP
MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

The Annual Meeting of The Women's Fellowship was held at the Wellesley Congregational Church, Wellesley, Sunday afternoon, May 19, 1963 at 3:15 P.M. This business session was simultaneous with and identical in procedure to the meeting of The Laymen's Council which was held at The Wellesley Hills Congregational Church. Mrs. Dean A. Ricker, President, presided at The Women's Fellowship business sessions.

After Mrs. Nelville B. Lord, Vice-President, offered the Constituting Prayer the following business was transacted:

Acceptance of Annual Reports; the election of the Clerk and Committees; the President and Vice-President designated but elected in a Conference session; presentation of the President's cross; presentation of the District Presidents; and an address, "Turning the Page" by the new Director, Lillian S. Gregory.

The customary dedication of the work of The Women's Fellowship was accomplished in the evening Service of Worship.

Upon adjournment, The Women's Fellowship joined The Laymen's Council in the first annual session of the Massachusetts Council for Lay Life and Work in Knight Auditorium, Babson Institute, Wellesley.

LAYMAN'S COUNCIL

The Annual Meeting of the Massachusetts Congregational Laymen's Council was held Sunday afternoon, May 19 at the First Congregational Church, Wellesley Hills. President Bertram Allen opened the meeting at 3:20 P.M. with 126 in attendance. The Director, the Rev. Donald A. Simpson, gave the

Constituting Prayer. The Secretary's report of the last annual meeting was read and accepted. The Treasurer, Raymond Frost, gave a short financial report.

President Allen then called upon Kenneth Burk, Chairman of the Trustees of the Laymen's Larger Fellowship Fund to report on their activities. Raymond Frost, Chairman of the Study Committee on Communications gave a detailed final report of the findings of his committee.

The Nominating Committee Chairman, George Davis, read the slate of officers and members as recommended to the Conference for election.

The President then spoke of his two years in office and thanked all those who worked with him during his term. Mr. Allen was given the thanks of the Council in a standing ovation for his efficient leadership.

The Director, Mr. Simpson then spoke to the group on "Stock-taking, an Interpretive Inventory." He emphasized that we should not miss the mark of the High Calling of the Christian by becoming involved in too many programs and fringe activities — instead, be sure we are playing our proper part. This may be accomplished through a continued Learning, Listening and Sharing process as provided by growth groups, Bible Study, discussion groups, Lay Schools of Theology and churchmanship retreats and other such endeavors, thereby bringing about a renewal and recommitment in Christ, individually and corporately.

The meeting was adjourned at 4:30 p.m. in order that the men could attend the first session of the Massachusetts Council for Lay Life and Work in Knight Auditorium of Babson Institute, Wellesley.

The Moderator appointed Mr. Lincoln S. Cain of Pittsfield, parliamentarian.

The Rev. Harry B. Miner, Newburyport, Chairman of the Board of Trustees, presented the following report:

Mr. Moderator and Members of this 164th Annual Meeting of the Conference:

To be elected a member of the Board of Trustees of this Conference is an honor which involves one in an experience of being on an escalator of responsibility and opportunity which carries one to an ever-higher and wider perspective of the total work and ministry carried on by the Conference in the name of, and for, the churches. Again and again while serving as a Trustee I have wished that many of our people could be given the insights, the information, and the inspiration, which comes from an awareness of our total program. Sufficient to say that I have enjoyed my four years as a Trustee and my one year as Chairman.

During the year we have held four meetings of the Board at 14 Beacon Street, and one at Framingham Conference Center. The latter was an Open Meeting of the Board with members of Conference committees as guests. The business transacted at these meetings is heavy in amount, greatly varied in character, and of absorbing interest. In looking over the minutes of the meetings for the year I found it difficult to abstract what I considered the most important, for there were many items of this character. But the over-all impression is that we as a Conference are served with great fidelity, ability and consecrated devotion by the members of our staff. It is the custom for many of these, if not all, to report at the meetings. This quality of leadership is matched by the professional skills, competence and personal commitment which the members of the Board themselves bring to the matters under consideration.

At the September meeting we were very happy to welcome Dr. Penner, who had made a splendid recovery from a recent hospitalization, which he had had to undergo after his return from his extended tour in Europe, and the Middle and Near East. His words of enthusiastic commendation of our missionaries, the work of Church World Service, and other agencies of the Church Universal, evoked a warm response.

Certain staff changes have taken place, and in each case have been happily arranged. On August 1 the Rev. Donald Simpson began his work as Area Minister in the Worcester area and as Co-Director of the Department of Lay Life and Work. On September 15 the Rev. Allen Hackett started his work as Area Minister for Greater Boston. Dr. Naomi G. Ekdahl, on account of ill health, retired from the directorship of the Massachusetts Fellowship of Congregational Christian Women, and was tendered recognition by that group at its Winter Meeting on December 7. The Trustees felt fortunate in being able to appoint The Reverend Miss Lillian S. Gregory, Executive Director of the National Women's Fellowhip to this office, and she began her work on December 1. A very happy and cordial event took place on December 4 when a testimonial luncheon was held in honor of Dr. Fowell, who had completed twenty years on the Conference staff.

Part of the nature of our Conference as a Fellowship is demonstrated by what is done to aid needy churches, support new causes and help college chaplaincies. The recommendations of the Committee on grants were considered as presented and acted upon.

During the year the Trustees completed all the details relative to possession of homes at Belchertown and Old Deerfield, bequeathed to us under the wills of Miss Ella A. Stebbins and Mr. Frederick P. L. Mills, and to arrange for their occupancy by retired ministers.

We heard, and sometimes made decisions, on a wide variety of activities. Merely to mention them is to indicate the wide scope of the Conference's responsibility and concern. Some of them were reports on our Summer Conference program; the increasing use of our Craigville property; the possibility of a New Health program for our ministers; changing the name of the Conference; the Heifer project; the Cuban refugees; our plan of newspaper coverage; the extended use by our churches of the skills of our Financial Advisor — Mr. Fowlston; Housing for the Aging at Cape Cod and Worcester; bequests and their disposition; Church School Teachers' Institutes; Protestant Youth Center at Baldwinville; the Budget for 1963; Our Christian World Mission giving; and many more.

If at times the number and complexity of matters falling for consideration by the Trustees appeared to be like pieces of broken glass in a kaleidoscope, under the expert guidance of our Conference Minister, the staff, and others, they usually fell into an attractive pattern of purposeful activity. And that pattern was the one of doing the work of God's Kingdom, in the name and for the Churches of our Conference.

Respectfully submitted,

HARRY B. MINER

The Moderator called the business session to order at 4:30 P.M. and the Chairman of the Business Committee, the Rev. Thomas J. Williams, presented the resolution on "Necessary Moral Standards in a Free Society." After a brief discussion, it was moved, seconded and

VOTED: That the following resolution be adopted:

NECESSARY MORAL STANDARDS IN A FREE SOCIETY

Almost four centuries ago Richard Hooker, in England, coined the saying: "Obedience to divine law is liberty." In using this maxim to adorn the facades of courthouses, American architects have omitted the word, "divine." This abbreviated version of Hooker's famous dictum has found its way into popular usage in our time. The change in wording of this historic truth is symbolic of a change in understanding relative to the moral and spiritual foundations of freedom.

True freedom and liberty are of divine origin. In every generation they depend upon man's relation to his maker. St. Paul recognized this fact when he wrote in his letter to the Galations, "Stand fast in the liberty wherewith Christ hath made you free." Gal. 5:1.

The fathers of the American constitution in laying the foundations for our independence recognized a spiritual dependence upon one who could endow individuals with spiritual freedom and give them power to gain and sustain their corporate freedom. They knew that moral laws were established by God to be discovered — not made — by men. They recognized the existence of natural law requiring men to conduct their lives in accord with basic moral standards and values. John Adams recognized the same fact when he wrote into the Massachusetts Constitution that "piety, justice, moderation, temperance, industry, and frugality are necessary to preserve the advantages of life and to maintain a free government."

Many in our generation have moved away from such understanding of the moral nature of the world and from allegiance to divine law. Some do not recognize that it exists. Others have developed ethical concepts of their own. A new pseudo-morality has grown up in our time based on personal desire (we enjoy it), majority practice (everybody is doing it), custom (according to the prevailing standards of the community), or on what is sometimes called "situation ethics." Along with these developments have come cancerous corruption in the body politic, widespread racketeering, exploitation of the public by greedy and avaricious elements in society, and indifference and apathy in respect to community obligations. These conditions are unfriendly to freedom and must be corrected if our free society is to prevail.

I) Re the Churches:

Therefore, we call upon our churches to acknowledge and accept their responsibility to educate all their members concerning the foundations of morality which are grounded in the will of God. This responsibility relates not only to children and youth, but especially to adults who need constant help in understanding the need of a God-dimension for adequate moral standards. It must be remembered that the church educates by what it is and does as well as by what it says. Only as a church becomes, through its members, a fellowship of redemptive love, making the divine will known and causing it to be done, can it become an effective moral and spiritual influence within society. Church members, therefore, need to have it impressed upon their consciousness and imbedded in their hearts that wherever they are during the week there — through them — should be the living church upholding and promoting Christian ideals and values.

II) Re the Christian Individual:

In his personal responsibility

Be it also RESOLVED that we urge the people of our churches to do their utmost to exemplify and uphold moral ideals and values in the places where they work, carry on business transaction, gather together for fellowship and recreation, or otherwise relate to the community around them, always recognizing that:

(1) Honesty and integrity in word and deed are Christian virtues and lies, falsehoods, deception, and perversion of truth, even if related to a good purpose, are immoral and are an affront to the God of truth and justice.

(2) Any expression of contempt, hostility or discrimination toward another person because of race, religion, nationality or class is a violation of the Christian principle of respect for personality and a denial of one's acceptance of God as the father of all men.

(3) The use of money or other material resources in the pursuit of unscrupulous business, professional, or gambling ventures designed to exploit the credulity or weakness of other people, or in activities harmful to oneself or others, or wasteful of that which could be helpful to the community, constitutes a violation of basic morality.

(4) The breaking of civil laws, save for conscience' sake, and expressions of contempt for civil authorities are violations of moral law in that they undermine the basis for human welfare in a democratic society.

(5) Attitudes of apathy, indifference and irresponsibility to social evil, or the ignoring of opportunities for social creativity, are expressions of practical atheism which negate a person's moral responsibility for the Kingdom of God.

(6) Irresponsibility with respect to children or family, the lack of integrity in respect to sex, unfaithfulness to one's marriage vows, constitute a type of indecency and moral perversity destructive to self and society.

In his community

Be it further RESOLVED that the demands of Christian morality require that every person capable of doing so participate creatively in the life of his community by:

(1) Exercising his voting privilege with intelligence and faithfulness.

(2) Working with a political party, as time and conscience permit.

(3) Accepting the responsibility of leadership through elective or appointive public office when it appears to be the will of God that one should do so.

(4) Expressing one's ideas and convictions in respect to community improvement in the most intelligent and effective way possible, even if loss of money, position or popularity would be the price to be paid for such expressions.

(5) Ministering to the sufferings and needs of special groups in the community.

In his world responsibility

Be it also RESOLVED that every professing Christian has a moral obligation to the new world community struggling to be born, as a part of God's design for the development of his people, and is morally obligated to:

(1) Do everything within his power to save the world from nuclear destruction and particularly to search for such alternatives to a reliance on nuclear weapons as the exploration of areas of mutual interest between nations; the identification of the causes of international tension as they relate to racial and economic discrimination and inequalities; ways to prevent hysteria in times of crisis; learning to live with the risks identified with the nuclear age; and otherwise helping to develop a responsible public opinion relative to world affairs.

(2) Share generously through church and secular agencies the resources at his disposal to conquer human hunger and misery in every part of the world.

(3) Work constantly for brotherhood, justice, and equal opportunity for all.

(4) Help discover and develop attitudes of mind that strengthen the approaches to world peace while supporting the United Nations in its manifold approach to world order.

III) *Be it also RESOLVED* that the clergy and churches of other denominations, of the Roman Catholic and Orthodox churches, the Jewish synagogues and temples be invited to join in a state-wide educational and action effort to rebuild the kind of a moral and political climate in Massachusetts which will undergird and strengthen the basis of democracy and freedom.

The Chairman of the Business Committee then presented the resolution on Race Relations. After considerable discussion and amending, it was moved, seconded and

VOTED: That the following resolution on Race Relations be adopted:

RACE RELATIONS

WHEREAS, our nation celebrates this year the 100th anniversary of the Emancipation Proclamation identifying our government, as does the Declaration of Independance, the Bill of Rights and numerous court decisions, with the concept of human dignity under God, the sovereign creator of all men, and,

WHEREAS, in recent years there has been established in our country, through state and national legislation and presidential executive orders a firm legal basis for working out in practice equality of opportunity for all men regardless of race, class, or creed, and for a structure of human relations in action free from injustice, discrimination, or exploitation, and, *WHEREAS*, in spite of the above developments, many patterns of racial injustice, discrimination, and segregation persist in our communities and nation, especially in respect to housing, jobs, education, and various social relationships, and,

WHEREAS, the developing crisis in race relations and outbreaks of racial violence depreciates the effectiveness of our national witness within the family of nations and therefore contributes to the seriousness of the present world crisis, and,

WHEREAS, the long retardation of acceptance of the ideals of our religion and faith as set forth in the Emancipation Proclamation must be abhorrent in the eyes of God and is deeply injurious to the human spirit,

Therefore be it RESOLVED, that the ______________________ Church of ______________________ join with its sister churches in the Massachusetts Conference in renewed efforts to make our religious and political ideals with respect to race come alive in our American society.

As a part of our church's acceptance of this resolution, we hereby request that the appropriate committees and organizations within our church undertake the following projects as indicated:

(1) To make literature on this subject available to all in the church who are interested in becoming better informed relative to this area of Christian concern.* ( )

(2) To form study groups to consider the present racial crisis in its several aspects.* ( )

(3) To re-examine the inner structure of our church life to to insure that our minority group members are fully accepted for themselves, and free in spirit as well as in fact to contribute according to their abilities and experience. ( )

(4) To support the Fair Housing Committee in our community or to help organize such a committee if none presently exists.** ( )

(5) To provide a scholarship gift for a Negro student who depends upon such help in securing higher education. (Write to Mrs. Loy L. Long, 1830 Commonwealth Ave., Newton, for information.) ( )

(6) To provide summer employment for a Negro student attending one of our southern schools.*

(7) To take the following further action:

* Write to the Conference office for further information.

** Write to the Fair Housing Federation of Greater Boston, 14 Crawford St., Roxbury, if in the eastern part of the Commonwealth, otherwise write to the Conference.

Adopted by the ______________________ Church in ______________________

The Business Committee received a number of suggested resolutions relative to the Birmingham, Alabama situation of recent weeks. Exercising its best judgment, the Committee presented a resolution which attempted to synthesize the best elements in all the suggested resolutions. It was moved, seconded and

VOTED: "*WHEREAS*, the Massachusetts Congregational Christian Conference is saddened and shamed by the brutal and flagrant denial of basic constitutional rights and human dignity by the local law enforcement officials in the city of Birmingham, Alabama, and other American communities, and recognizing with sorrow our own shortcomings in this area of concern,

And *WHEREAS*, said Conference believes that the rights to assemble peaceably, to register to vote, to use public facilities and to attend unsegrated schools are a basic part of our American democratic system,

Be it RESOLVED, that the Massachusetts Congregational Christian Conference protest the denial of such rights to any citizen,

And *be it further RESOLVED*, that President John F. Kennedy be urged to use all the legal power at his command to assure and protect the constitutional rights of every citizen and the preservation of his human dignity as a child of God."

The Chairman of the Business Committee announced that some plans are already under way to bring a group of Negro students from Alabama to Massachusetts for summer work under the sponsorship of our Conference.

The Chair recognized the Rev. William L. Parsons, Chairman of the Evangelism Committee, who spoke on behalf of CORE, a program emphasis of the National Commission of Evangelism.

The Chair introduced Mr. Edward Montone, enrollment representative of Blue Cross-Blue Shield, who briefly described the proposed increased health insurance program for our ministers and answered questions from the floor. Following this presentation, it was moved, seconded and

VOTED: That the Massachusetts Congregational Christian Conference recommends most strongly that its member churches assume at least one-half of the premium of the recommended Group Health Insurance Plan (Blue Cross-Blue Shield) to enable their pastors to become more adequately insured in the event of illness and hospitalization.

The Moderator adjourned the meeting at 5:30 P.M. Dinner was served in the Knight Auditorium Annex and the Wellesley Hills Congregational Church at 6:15 P.M. The evening program was held in the Knight Auditorium, Babson Institute, beginning at 8:00 P.M. A Christian Conversation was held between Rt. Rev. Msgr. Francis L. Lally, Editor of THE PILOT, and Professor George H. Williams, Professor of Church History, Harvard Divinity School.

TUESDAY MORNING

The Rev. John E. Wallace, Wellesley Hills, and Dr. Albert J. Penner conducted the Communion Service at 8:30 A.M. Dr. Penner gave the Communion meditation and the Rev. James H. O'Brien, Jr., Squantum, sang a communion solo.

The Moderator, Mr. Patrick, called the meeting to order at 9:35 A.M. and called on the Chairman of the Committee on Housing, Mr. Carl H. Holdridge, who described briefly the work of the Committee. Criteria for housing projects were outlined and two representatives of projects which are being undertaken in Massachusetts reported. The Rev. Alexander L. Chandler of Falmouth described the Cape Cod retirement home being built in Falmouth under the sponsorship of the Barnstable Association and the Rev. Louis E. Higgins, Worcester, outlined the Worcester Colony Retirement Homes which are being built under the Sponsorship of the Worcester City Missionary Society and the Worcester Association.

Dr. Charles W. Barnes, Springfield, Chairman of the Urban Church Committee, brought the report of that committee. Mrs. Allen Hackett outlined the national emphasis on the Urban Church to be undertaken by the United Church of Christ in 1964; the Rev. T. Thomas Boates of New Bedford described the exciting changes and challenges in the life of the churches in that urban center; the Rev. Malcolm E. Washburn reported on the progress of merging three Somerville churches for a stronger witness in that community and the Rev. Hugh Wire, Springfield, interpreted the work of the North End Ministry in that city — a mission church program with the Puerto Rican and other minority groups.

The Chair called upon the Rev. Winthrop F. Puffer, Essex, who read the report of the Committee on Christian Unity. Copies of the report were circulated and after discussion and amending, it was moved, seconded and

VOTED: That the report on Chrstian Unity be accepted as amended.

It was further recommended that the Committee on Christian Unity be made a standing committee of the Conference.

A representative of the Boston Seaman's Friend Society spoke briefly on behalf of the work of this organization and literature was distributed.

The Moderator interrupted the business of the morning to present Dr. Albert B. Coe, Minister Emeritus of the Conference, who arrived for a surprise visit. The Coes had just returned from an extended visit in Europe and the Middle East and Dr. Coe brought his greetings and a few impressions of his travels. He was accorded a standing ovation.

The Chairman of the Business Committee called on one of its members, Mr. George Bickford, Grafton, to read the resolution on "Separation of Church and State." Following considerable discussion and amending, it was moved, seconded and

VOTED: That the following resolution on "Separation of Church and State" be adopted:

SEPARATION OF CHURCH AND STATE

> "Congress shall make no laws respecting the establishment of religion, or prohibit the legal exercise thereof."

(1) *WHEREAS,* the principle of separation of church and state imbedded in the Constitution of the United States and in the constitutions of most of the states has allowed a strong and free religious life to develop in the United States, and

(2) *WHEREAS,* many church members and even the clergy are seriously in disagreement about the principle of separation of church and state as shown by the confusion over the Supreme Court Decision relative to the Regents Prayer Case of New York,

Be it RESOLVED that churches study the implications of the principle of separation of church and state and do all in their power to strengthen and maintain this principle vital to the maintenance of a free church in a free society.

(1) We urge the strictest observance of the constitutional principle that no governmental agency has the right to promote or hinder religious propagation and as such:

(a) defend the principle that no tax money be used for private school education.

(b) endorse the use of tax money for so-called "children's services," such as medical and dental care and school lunches.

(2) We question the use by churches of public buildings for the progagation of the Gospel.

(a) While emergencies may dictate that a church use public property temporarily, such use should be discontinued as soon as possible, and proper payments should be made for its use on the temporary basis.

(b) We do not feel that in a pluralistic society any religious institution should, as a policy, use public property for religious purposes. (This should apply even to such a matter as the using of public buildings, such as town houses and schools, to distribute literature of a sectarian nature.

(3) In view of the increasingly pluralistic nature of Massachusetts communities, we suggest the exercise of the greatest thoughtfulness and care in respect to Bible reading, prayer and other religious exercises in public schools.

(4) We recommend that when church groups initiate projects to establish hospitals or homes for the aging with government money, they form separate incorporated bodies to own and manage such institutions.

(5) On the basis of principle and as a practical approach to broadening

the tax base, we urge a study by our churches of the tax responsibility for all church owned property. Such a study should include:

(a) Consideration of full taxation of all parsonages, and,

(b) Compliance with present laws requiring full taxation of all profit making church owned property.

The Chair recognized Miss Rosella Ames, Marshfield, who spoke briefly on behalf of the UNITED CHURCH HERALD, urging all church members to subscribe and read it.

The Chairman of the Nominating Committee, the Rev. Joseph W. Beach, Worcester, presented the report of that Committee. Printed ballots and mimeographed reports were circulated. It was moved, seconded and

VOTED: That the mimeographed report of the Nominating Committee be accepted as presented, and that those nominated be elected (names appear on pages 19-29).

It was further moved, seconded and

VOTED: That the Conference proceed to ballot on the Trustees, Officers of the Women's Fellowship and Laymen's Council and the Executive Officers.

The Rev. Arthur Blowen, Athol, member of the Business Committee, read the resolution on hospitality. It was moved, seconded and

VOTED: WHEREAS, the 164th Annual Meeting of the Massachusetts Congregational Christian Conference, meeting in Wellesley, has enjoyed the most gracious hospitality extended by the Wellesley Congregational Church and the First Congregational Church of Wellesley Hills, and the courtesies of the Town of Wellesley, and,

WHEREAS, other Protestant churches in Wellesley, Temple Beth Elohim, and the Babson Institute have cooperated with our host churches in making available their respective facilities for Conference meetings, and,

WHEREAS, the Conference Staff has worked so diligently, and successfully, to present for our thought, vision and inspiration a program of such worthy calibre, and,

WHEREAS, our Chaplain, guest speakers and other leaders have shared with us so liberally of their insights and concern, and,

WHEREAS, our Moderator has guided our deliberations with such impartiality and grace, therefore,

Be it RESOLVED, that the Massachusetts Congregational Christian Conference here vote a most sincere expression of gratitude to everyone who has contributed in any way to the fine experience of devotion, challenge and inspiration which we have enjoyed in this meeting, and

Be it further RESOLVED, that this resolution be adopted by a rising vote of appreciation.

The Moderator suspended business until after the address of the morning. He then introduced the Rev. Dr. James H. Robinson, Executive Director of Operation Crossroads, Africa and Consultant to the

Africa Desk, State Department, Washington, D. C., who gave an inspiring message on the subject, "Africa, Christian Opportunity of This Century."

The Rev. Joseph W. Beach, Chairman of the Nominating Committee, announced that all ballots had been counted and that there were 245 unanimous votes. He then read the names of the Council for Lay Life and Work and asked that this slate be adopted. It was moved, seconded and

VOTED: That the slate of members of the Council for Lay Life and Work be elected as read.

The full report of the Credentials Committee is as follows:

Ministers	308
Delegates	394
Ex Officio Delegates	40
Guests	423
Total	1,165

On the recommendation of the Rev. Oliver K. Black, Holyoke, the Moderator was given a large round of applause for his splendid and efficient work.

Mr. Patrick, Moderator, turned the gavel over to the Rev. Dr. Kenneth R. Henley, the new Moderator, who responded with words of gratitude and appreciation.

The meeting was then turned over to the Chaplain, the Rev. Leonard Heap, who offered prayer and led in the singing of a hymn. Following is the closing prayer of the Conference:

CLOSING PRAYER

Thine, O Lord, is the greatness, and the power, and the victory, and the majesty: for all that is in the heaven and the earth is Thine; Thine is the kingdom, and the righteousness, for Thou only art holy. And Oh the mystery and the wonder of Thy holiness revealed in Him who humbled Himself and was obedient unto the death on the Cross; the humility of the Lord God Almighty!

We are appalled, O God, that, commissioned to serve Thee, we have laid rude, presumptuous hands upon Thy truth: too often impatient of others, rarely sufficiently contrite. Today, oh, that we might hear Thy voice!

For there are sounds on the earth and signs in the heavens; nations that long have lived in darkness and subservience rising to shake themselves free from tyranny reckless of the tyranny of man's spirit; men exulting in unthinkable powers newly wrested, thoughts that threaten the order of all things and foreshadow the shaking of the foundations of the world. And we know, O Lord, that only Thy spirit, curbing our passionate pride, bringing us into harmony with Thy love, can save us.

Yet hast Thou matched us with this hour! Renew within us the Spirit of Pentecost, of power tempered by divine grace. Fill us, we beseech Thee, with expectations of unlimited conquest through surrender to Thee. So, through all our searching, bring to fulfilment the hopes we have dared to express, the plans we have struggled to formulate in these meetings: yea, and greater things than these. And to Thee be the honor and glory, to us the blessing, through Jesus Christ.

Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto Him be the glory in the Church by Christ Jesus, throughout all ages, world without end. Amen.

The meeting adjourned at 12:30 P.M.

THE REVEREND ALBERT J. PENNER, D.D., *President*
Massachusetts Congregational Christian Conference
Boston, Massachusetts

We have examined the balance sheets of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE and of MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE, TRUSTEE, as at December 31, 1962, and the related statements of income for the year ended at that date. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The securities representing the invested funds at December 31, 1962, were verified by inspection or confirmation, and the cash in banks and in office by certificate or count.

In our opinion, the accompanying balance sheets and related statements of income present fairly the financial position of the Conference and of the Conference as Trustee, respectively, at December 31, 1962, and the results of their operations for the year ended at that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

BEQUESTS

Bequests to the Massachusetts Congregational Christian Conference are used to aid weak churches and to promote the work and interests of the Conference in the State. Bequests may be made permanent funds by the donor, and the Conference restricted to the use of the income only. The practice of the Conference is to divide unrestricted legacies into three equal parts. One part is used for current work, one part is added to the Permanent Legacy Fund, the income only of which is used for general purposes; and the third part is added to a Contingent Fund, the principal of which may be drawn upon to care for special undertakings or to avoid a deficit.

If, on the other hand, a testator specifies that his entire legacy is to be expended as current income and that he does not wish it invsted in whole or in part, these directions will be carefully observed.

Bequests to the Massachusetts Congregational Christian Conference pay no Massachusetts inheritance tax.

THE WORCESTER CITY MISSIONARY SOCIETY

Executive Secretary	Dr. Frank E. Duddy
President	Rev. Winthrop G. Hall
Vice-President	Norman Orrell
Treasurer	Arthur B. Kemp
Secretary	Mrs. James E. Quirk
Auditor	Norman Orrell

Aids Worcester churches financially, promotes cooperation among churches, and sponsors interchurch activities in Worcester and vicinity.

Contributions for home missions from the churches in Worcester, to be credited on the apportionment, should be sent to the Massachusetts Congregational Conference and Missionary Society. Contributions for the local work, given in addition to the apportionment and not to be credited as a part of it, should be sent to the treasurer of the Worcester City Missionary Society.

GRANTS FROM THE MASSACHUSETTS CONGREGATIONAL CHRISTIAN CONFERENCE

Grants for the aid of churches and certain other types of work are made by the Conference through the Board of Trustees, following recommendation by the Grants Committee of the Board of Trustees.

The Grants Committee considers applications for grants to local churches (to strengthen the ministry of the church); to hospital chaplaincies; to week-day religious education programs in certain churches; to St. Mark Social Center; to other interdenominational projects in Massachusetts, and other work as need arises. In co-operation with the Churches and Colleges Committee it also receives applications for grants for student work both on campus and in churches near campuses.

Requests for grants come to the committee through the member of the conference executive staff who is particularly concerned either with the area or the type of work.

Grants to local churches are made under the following circumstances:

1. Where a community is too far from a church to benefit from its privileges, the Conference encourages the establishment of regular religious services, and, if possible, the organization of a church, or a branch of a neighboring church.

2. Applications by a church for financial aid should be made by the vote of the church, and upon forms furnished by the Conference, and should have the approval of the Advisory or Grants Committee of the local Association of Churches.

3. Churches applying for aid should show that they have met in full all financial obligations to their ministers and are doing their utmost toward self-support.

4. In granting aid different amounts will be appropriated according to the necessity, importance, and prospects of each field.

5. Every church aided by the Conference should consult the Area Minister or President before making arrangements for pastoral service.

6. When the service of the minister or other worker, for whose support an appropriation is made, shall terminate, the appropriation shall lapse, except for special reasons satisfactory to the President.

7. Each church is expected to avail itself of the services of the Conference Church Finance Advisor.

The Conference advocates adequate compensation for every minister and worker.

The Conference favors hearty co-operation with other denominations, the avoidance of overlapping and competing work, and the consolidation or federation of churches of different denominations in over-churched communities.

We are indicating in this copy of the Minutes the churches that received Conference grants in the year 1962 by placing the reference "§" before the names of these churches in the section of the Minutes entitled "Associations of Churches and Ministerial Standing." In cases where the grant was discontinued during the year the letter "d" appears. Special grants are listed on page 62.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;

2. The Associations of the churches, with the names of officers;

3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";

4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational churches in Massachusetts, the towns and cities being arranged alphabetically. **In cases where the post office name of the church and the town differ, heavy type indicates the postal address (or in some cases, the political township), and a cross reference on the page where the post office name would naturally be found will direct the reader to the town name.**

Church members are reported as numbered January 1, 1963. Admissions and removals cover the year 1962. "Sunday school" includes total membership of officers, teachers and scholars January 1, 1963, or when the school is in operation (if not at that date), covering "branch schools", "mission schools" and "home departments" so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational ministers may be found in the lists of the local Associations which follow the tables.

Abbreviations in schedule headings are:

"Cld." — Called	"C." — Confession

Reference marks are used as follows:

y Pastor serves more than one church.	* Value of church property includes parsonage.
—Where no answer can be given.	

|| When a church has made no report, items of membership in church, Sunday School and young people's organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent Members" (those active in attendance and/or financial supporters but living outside the natural parish of the church) are included in the "Total Membership." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational church within the federated church. Figures pertaining to average attendance, Church School enrollment, membership in young people's organizations. contributions to home expenses are usually for all the churches grouped together in the federated church.

MASSACHUSETTS CONVENTION OF CONGREGATIONAL MINISTERS

Dates from the earliest times of the colony. Annual Business and Public meeting is held at 10:30 A.M., the first Monday in May. At this service several addresses are made and a collection is taken which, together with the income of the Convention fund, is distributed to the needy widows and daughters of deceased Congregational ministers.

Every Trinitarian Congregational and Unitarian Congregational minister resident in Massachusetts is *ex officio* a member of the Convention.

OFFICERS: — *Moderator*, Rev. Harold F. Worthley, 7 Pine Street, Norton; *Treasurer*, Rev. Bradford E. Gale, 1306 Hancock Street, Quincy 69; *Scribe*, Rev. Gerald R. Krick, 64 Marlboro Street, Boston 16.

Applications for aid may be addressed to either the Moderator or the Treasurer.

MASSACHUSETTS CONGREGATIONAL CHARITABLE SOCIETY

Incorporated in 1786. Organized to hold the funds of the Convention. Composed of fifteen clergymen and fifteen laymen, elected from both branches of the Congregational body. Aids the needy widows and unmarried daughters of deceased Congregational clergymen who have had settlement in Massachusetts. *President*, Hon. Charles S. Bolster; *Vice-President*, Mr. Marcus Morton; *Secretary*, Rev. Bradford E. Gale; *Treasurer*, Mr. Alfred P. Putnam; *Committee on Appropriations*, Rev. Myron E. Fowell, Rev. Bradford E. Gale, Rev. Vaughan Dabney and Rev. Robert Day.

Applications for aid should be made to Rev. Bradford E. Gale, 1306 Hancock Street, Quincy, 69.

CONDITIONAL GIFTS

The Conference receives conditional gifts, subject to annuity agreements with the donors, and encourages this method for those who wish any part of their property to be applied to our work after their death, and desire an assured income from their property for themselves, or for others whom they may designate as beneficiaries, as long as they live. Correspondence with the Treasurer concerning such annuity agreements is invited.

TRUST FUNDS

The Massachusetts Congregational Fund, organized during the year 1945 under the auspices of the Conference, is now administering trust funds of Congregational churches and organizations in Massachusetts aggregating $11,199,000, including the funds of the Conference.

It is not an easy matter for church or parish committees, often made up of those without broad experience in investment matters, to guard the safety of church trust funds. We welcome inquiries from Congregational churches in Massachusetts relative to caring for their trust or endowment funds.
